DAY 3: EXPLORE TOKYO

Tokyo is a city that is always moving forward – from the ever-changing skyline to the fashions and trends of the people who call it home. As modern as it may appear, behind the neon façade is a traditional soul that is easy to find amongst the old alleyways, temples and shrines of the Edo era. Today you will experience both sides of the city, ascending the soaring Tokyo Skytree, the tallest structure in Japan, for panoramic views, before taking a wander through the old district of Asakusa.

Ride a bullet train to Kyoto

Stop to soak up the atmosphere at Senso-ji, Tokyo's most famous and beloved temple, and browse the stalls of Nakamise Shopping Street. It is here that many of Japan's best-known arts, such as the tea ceremony, were born or refined. This afternoon, visit the magnificent Fushimi Inari Shrine, with its tunnel of vermilion torii gates spread over a peaceful, forested hillside.

After lunch, enjoy a taste of authentic Japanese culture, experiencing the elegant ritual of a tea ceremony and learn the traditional art of calligraphy.

DAYS 1-2: FLY OVERNIGHT TO FUKUOKA

Fly overnight to the charming city of Fukuoka, the gateway to the island of Kyushu. Depending on your time of arrival, the rest of the day is yours to start soaking up the local culture.

DAY 3: MUSEUM & SAKE TASTING

The lovely Fukuoka is at the heart of an area considered a cradle of culture – the city's position facing Korea and China across the sea means it has long been a channel of outside influence. Dip your toes in local history at the fascinating Kyushu National Museum before lunch. Later, sample sake at a historic local brewery, then ascend Fukuoka Tower for panoramic views over this laid-back seaside city. On select November departures, enjoy an extra-special experience: Fukuoka's annual sumo tournament!

DAY 4: DISCOVER KUMAMOTO

Drive to Kumamoto, known for its majestic castle; one of Japan's largest and most complete. Stop by the castle, which is in the final stages of restoration, before heading to Suizenji Garden. This traditional-style garden, built in the 17th century, recreates in miniature the important road that linked Edo (Tokyo) and Kyoto, including a mini Mount Fuji.

DAY 5: VISIT MOUNT ASO & BEPPU

Travel from Kumamoto to Mount Aso, an active volcano at the centre of Kyushu island. Aso's crater is one of the world's largest; with a circumference of over 100km it encompasses a number of other active peaks, which you'll be able to see (weather dependent). Continue to Beppu, one of Japan's most famous hot spring resorts –

your hotel for the night has onsen facilities for you to make the most of the steamy waters.

DAY 6: EXPLORE BEPPU

Venture out into Beppu, starting the day with a jigoku meguri, a hell tour! Here you'll find all sorts of volcanic features, including thermal mud and hot springs that have bubbled from the ground for a millennium. Pop over to Yufuin, another hot spring resort that is home to a wealth of art museums, cafés and boutiques and is a delight to explore. This afternoon, transfer back to Fukuoka.

DAY 7: TRAVEL TO HIROSHIMA

Depart Fukuoka for Hiroshima. Stop at the city of Yamaguchi, where you can enjoy the views over the Kanmon Strait from Yume Tower. Break the journey for lunch in Iwakuni and admire the photogenic Kintaikyo Bridge. This centuries-old wooden bridge over the Nishiki River spans nearly two hundred metres. Its five majestic arches were a favourite subject of ukiyo-e woodblock artists like Hiroshige. Continue to Hiroshima.

TAILORMADE JAPAN

The very best of Japan, exactly the way you want it

WHAT IS A TAILORMADE HOLIDAY?

Quite simply, a tailormade holiday is a journey designed and created especially for you. There's no one-size-fits-all when it comes to travel so tailormade holidays are the perfect opportunity for travellers looking to embark on that once-in-a-lifetime adventure or epic honeymoon, for people who want to indulge their special interest, or for those who simply want to do things their own way.

WHY TRAVEL TAILORMADE?

You're completely in control of the what, where and when. You can choose the pace, where to linger longer, where to pass through and where to bypass completely. The hotels (from comfortable to all out luxury), what and where you eat, the number of nights, when you depart, the sort of experiences that you'll have, is all up to you too!

Whether you have a fully formed itinerary in mind, or just a vague inkling of what you want to see and do, one of our Personal Travel Specialists will be able to craft you something marvellous – with as much, or as little, input from you as you wish.

WHY GO TAILORMADE WITH WENDY WU TOURS?

We've long prided ourselves on our abilities to make extraordinary tours, so it goes without saying that we're also pretty good at putting together tailormade ones. Our team of Personal Travel Specialists, who are wonderfully well-travelled and expert travel planners, are on-hand to advise and recommend – just let them know what you're after and they'll do the rest. With a wide range of accommodation options, private guiding when you want it and exceptional knowledge of local flavours and the most authentic local experiences, we've got you covered.

How does it work?

It's really so simple – just follow the steps below:

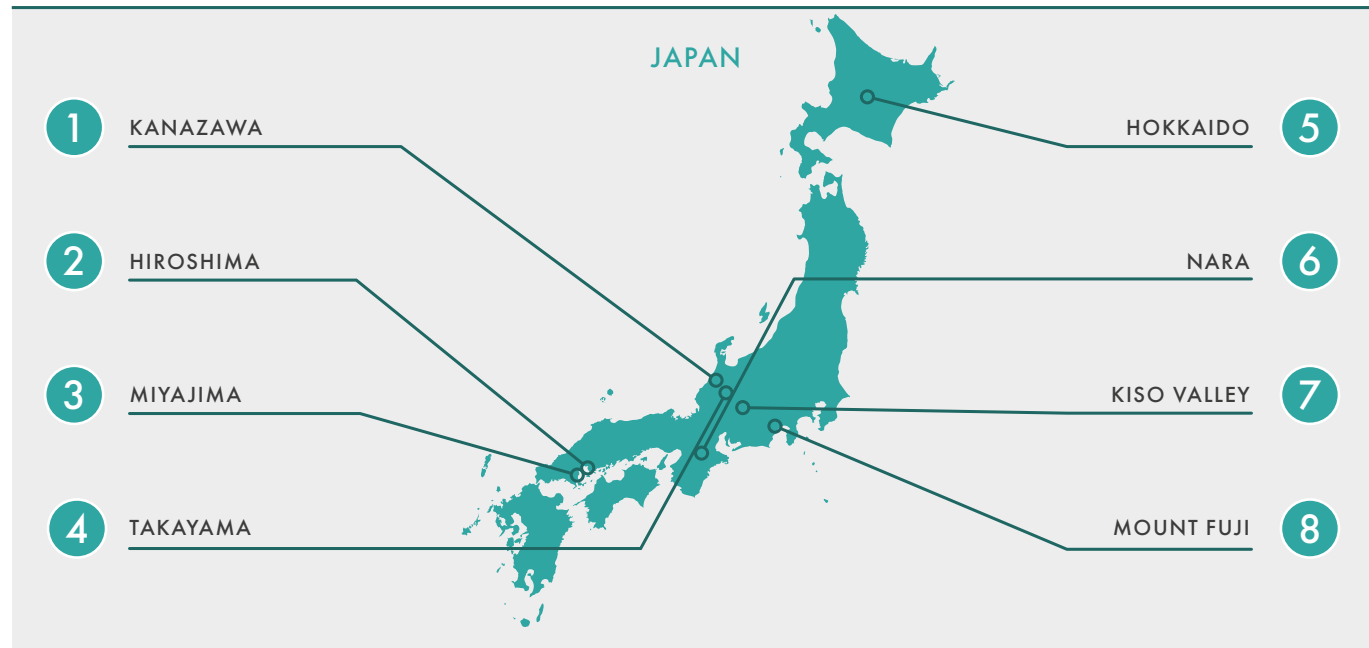

"We are writing to say a very big thank you for giving us a wonderful tailormade holiday. We were so impressed by how well organised the whole trip was, with reps on hand to meet us at each new destination, local guides for every city who were very informative, and a brilliant driver who looked after us so well during the entire tour."

Tokyo

Tokyo enjoys distinct seasons, with summers that are hot, humid and rainy and winters that are mild and sunny. While September and October tend to be the wettest months, the spring and autumn are both wonderful times to visit with sunshine and warm temperatures.

Hakone/ Fuji area

Set in a mountainous region, elevation plays a big part in the climate of this region. Summers however are pleasantly warm while winters are cool with snowfall at higher altitudes. Spring and autumn are sunny and temperate – perfect for exploring.

Kyoto

In Kyoto, there is a marked seasonal variation in temperature and rainfall, with hot and humid summers, complete with 'rainy season' from mid-June to late July, and winters that are cold with occasional snow. Spring and autumn are warm and pleasant.

Osaka

Osaka has four distinct seasons – hot, humid summers are marked by rainfall in June and July, while winters are mild. Spring starts mild and pleasant getting hotter as the summer approaches, while autumn starts hot and gets cooler as winter approaches.

Hiroshima

With hot, humid summers, cool to mild winters, and warm springs and autumns, Hiroshima's warmest month is August and January the coolest. While rain can fall year round, peak months are June and July while winter is the driest season.

Takayama

Set in a heavy snow area, Takayama gets lots of snow in the winter, and hot, humid and wet summers, with September seeing the most rainfall. Both spring and autumn are short and sweet, with springs mild and sunny, and autumns dry and cool.

Nagano

Set in a sheltered inland valley, Nagano enjoys less rainfall than other cities, with warm, humid and wet summers and cold, snowy winters with clear, bright skies. Spring and autumn are pleasant and temperate, with plenty of sunshine.

Sapporo

Even with heavy snow and low temperatures in the winter, Sapporo is a year round city. In the spring, the snow thaws and while temperatures start off chilly they warm into a pleasant, mild summer with some humidity. Autumns are cool and dry.

Your Japan questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Where can I find more information about a tour?

A. It's essential that you read the tour's Detailed Itinerary before booking. You can view it at wendywutours.com.au or request a copy from us. These concise trip notes outline key considerations such as walking durations, travel times, and accommodation standards. Three weeks before departure, you'll receive your final documents, including a day-by-day itinerary, and travel guide insert.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents around three weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our local partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival and departure days, please contact us. Triple rooms are not available in Japan.

Q. Do I need a visa?

A. Australian passport holders do not require visas for travel to Japan, Taiwan, Singapore or South Korea. On our Ancient Empires of China

& Japan, a visa may be required for China. Application forms, instructions, and further information can be found on our website wendywutours.com.au. If any changes to visa requirements are implemented, we will notify you of new procedures once they are known.

Q. Do I need travel insurance?

A. It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time. We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up-to-date information please seek your doctor's advice. You may also need to comply with local requirements to undertake COVID-19 tests or be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration.

Q. What size are your tour groups?

A. The group size on our Classic Tours is on average around 21 passengers, with a maximum group size 28. On our Go Beyond Tours and exclusive Solo Departures the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 8 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge if available on your flight itinerary, and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Our Customer Services Team will contact you around 60 days prior to departure to let you know if a share partner has been found. If a share partner is found, the Single Supplement will be removed from your booking and refunded. If a share partner is not found, the Single Supplement will remain on your booking.

Q. Is portage included?

A. No, portage is not included on our tours and you will be expected to carry your own luggage. This will apply during transfers and at hotels.

Q. What is the maximum luggage allowance on your tours?

A. We request that you do not exceed 20kgs of checked baggage on your international flights as many of the domestic travel arrangements within Japan have a luggage allowance of only 20kgs.

Q. What currency should I take?

A. We recommend you take the local currency Japanese Yen and a credit/debit card. We do

WHILE ON TOUR

not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to visit Japan?

A. Japan is a year-round destination. While spring and autumn are the most popular months to visit, many people enjoy tours at other times of the year when there are fewer tourists. See page 89. Many people travel to Japan in cherry blossom season. Please bear in mind that seeing the cherry blossoms cannot be guaranteed as the season can vary from year to year. Very roughly the season for Tokyo and Kyoto is from the last week of March to the first two weeks of April – further south it begins earlier, further north it's a bit later. This is a very popular time of the year to visit so expect tourist attractions to be busy and that some queuing may be required.

Q. When are Japanese public holidays?

A. Japan's 'Golden Week' public holidays fall annually at the end of April/beginning of May. Celebrations last for several days and during this time some businesses will be closed. Tour attractions will be open, but may be crowded.

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you arrive, to when you depart. On multi-country tours, different national escorts are used in each country. In the unlikely event that your group is less than 10 you will be accompanied by local guides in each location. Our optional extensions are not accompanied by a National Escort; however you will have the benefit of

our knowledgeable local guides. Transfers and flights to and from optional extension destinations are not escorted. Private tours are not accompanied by a National Escort, but will be accompanied by knowledgeable local guides in each location.

Q. What sort of vehicles do you use?

Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

Rail: Bullet trains and high speed trains are used on some tours. There is limited space to store luggage but alternative options are available, such as a luggage transfer service (at your own expense on private tours). While our guides may be there to assist, you will need to load and unload your own luggage on and off the trains. Seats onboard are booked in second class, comfortable, and carriages have western-style facilities.

River: Ships or boats are used on tours which have a cruising element. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Public Transport: In big cities such as Tokyo, it may be necessary to make use of the excellent public transport systems during your sightseeing excursions. As well as being quicker and more convenient, it gives you a far more local experience.

Escorted travel on public transport is mainly used on private tours.

Q. How do airport transfers work in Japan?

A. Airport transfers work in a different way in Japan compared to our other destinations. You will be met on arrival at the airport by an English-speaking assistant who will provide instructions for you to make your own way to your hotel using the direct airport bus. Please note the bus will be shared with other passengers and is not just for Wendy Wu Tours clients.

If your hotel is more than a 5-minute walk from the drop-off bus stop, a taxi will be arranged for you prior to leaving the airport to meet you at the drop-off bus stop.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

WHILE ON TOUR

**Q. Is tap water safe to drink?**

A. The tap water across Japan is safe to drink, though you may prefer bottled water as you may not appreciate the taste.

Q. Are there any optional excursions?

A. From time to time your National Escort or local guide may suggest optional sightseeing in addition to the standard sightseeing planned, depending on local conditions. Such options are at an additional cost. This is paid in cash (local currency) to the guide on the day of the optional excursion – just ask your guide if you need to visit a cash machine before touring for that day commences.

Q. Are there shopping opportunities on your tours?

A. Japan has an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What is the flying time to Japan?

A. Approximately 13 hours, taking into consideration any layovers between flights.

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours (see our website) offer greater flexibility whilst on tour and are suitable for any age.

Q. Will I be travelling with passengers from other countries?

A. Our groups are generally made up of travellers from the UK, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight/train departures or to visit sights at the best time of day.

Q. Is tipping compulsory?

A. Tipping is not traditionally part of Japanese culture, but is becoming increasingly commonplace. If you would like to show your appreciation, you can do so in local currency at the end of the tour.

Q. Can you guarantee I will see snow monkeys?

A. On tours including Yudanaka, every effort will be made to observe the Japanese macaques. Please keep in mind that the snow monkeys are wild, not domestic animals and sighting them is never guaranteed, particularly during the breeding season which runs from late September through to November.

For information about South Korea, Taiwan and China, please visit our website and view each tour's detailed itinerary.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in Australia. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Travelling Sustainably

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Founder, Wendy Wu Tours

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When travelling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

WENDY WU TOURS BOOKING CONDITIONS

The following booking conditions ('Booking Conditions') form the basis of your contract with Wendy Wu Tours Pty Ltd, of Level 8, 92 Pitt St, Sydney, Australia. ATAS: A10517. ABN: 87 082 688 202. These Booking Conditions set out the terms on which you contract with us for the arrangement and delivery of travel arrangements for your trip and which we agree to make, provide, or perform (as applicable) as part of our contract with you.

By making a booking request, you acknowledge that you have read and understood the Booking Conditions and agree to be bound by them. Please note that we reserve the right to change these Booking Conditions at any time prior to you placing a booking request. The latest version of our Booking Conditions is published at wendywutours.com.au. It is your obligation to review the latest version of our Booking Conditions prior to making a booking request.

All references in these booking conditions to "holiday", "booking", "contract", "package", "tour" or "arrangements" mean such holiday arrangements unless otherwise stated. In these booking conditions, "you", "your", "customer" or "passenger" means each person named on a booking request (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Wendy Wu Tours Pty Ltd.

YOUR HOLIDAY CONTRACT The first named person on a booking request ("Lead Traveller") promises that s/he is authorised to request a booking subject to these Booking Conditions by all persons named in the booking request and by the parents or guardians for any party member who is under 18 when the booking request is made. The Lead Traveller is responsible for making all payments due under a booking by all party members. The Lead Traveller must be at least 18 when the booking is requested. After we receive your booking request and all appropriate payments (see "Payments" below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we email your confirmation invoice to the 'Lead Traveller' or the travel agent through whom the booking was requested. We reserve the right to decline any booking at our discretion.

OUR SERVICES We commence providing services to you as soon as we accept your booking. This includes (often significant) work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements. You also receive the benefit of work we undertake in anticipation of bookings. The services we provide to you are limited to (a) the arrangement and coordination of your travel arrangements; and (b) the delivery of travel arrangements which we directly control, own or operate.

YOUR DETAILS Passenger names must be provided exactly as per passport, including middle names, at the time of booking. A copy of your passport is required at the time of booking. Any spelling corrections made after a deposit is paid must be sent in writing. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

YOUR OBLIGATION TO CHECK DETAILS Please check your confirmation invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation invoice or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits, but you must meet any costs involved in doing so. If you wish to change or cancel any arrangements later, you may have to pay an amendment or cancellation charge (See "Amendments by You" & "Cancellations by You" below).

PRICES – General Prices and services are subject to availability of tour, airline, and specific economy airfare. Prices may differ once a preferred booking class is sold out. Prices stated are in Australian Dollars (\$AUD) and are current at the time of publication. The most up to date pricing is available on our website. The price includes international flights (where tour specifies it is flight inclusive), accommodation, transportation and other inclusions as per the published itinerary. Wendy Wu Tours reserves the right to release specials which are applicable to new bookings only. We also reserve the right to correct any obvious errors in rates quoted or calculated, or any omissions made at any time during your booking. Any verbal quote given is an indication only of the final price and is subject to confirmation in writing. Costs associated with passports, vaccinations, insurance, meals (other than those stipulated), emergency evacuation costs, gratuities, and all items of a personal nature are not included.

Itinerary Deviations All fully inclusive Classic Tour or Go Beyond Tour prices indicated in the brochure are based on group travel and any deviation requested by you from the set itinerary may incur additional airline ticket costs. Arrangements such as transfers, accommodation, etc. outside the set group arrangements/dates are at an additional cost.

Airline Fuel Charges In addition to the cost of any airfares, airlines also charge an additional levy to cover the ever-increasing cost of aviation fuel. As fuel prices have fluctuated, so too has the amount airlines charge for this levy. At the time of pricing, some airline fuel surcharges are included in the cost of the fare; however, this amount is subject to change until your airline ticket is issued.

Other Variations We reserve the right to surcharge the cost of your booked travel arrangements prior to commencement for circumstances beyond our control such as the imposition of new or amended Government charges, or if minimum passengers requirements aren't satisfied (see below). We also reserve the right to vary the cost of your travel arrangements due to currency fluctuations. However, we will not vary the cost for currency fluctuations once full payment has been received by us and we will absorb the first 2% of any negative currency fluctuation.

PAYMENTS – Deposit You are required to pay a non-refundable deposit of \$300 per person (or full payment if booking within 75 days of commencement of your travel arrangements) to Wendy Wu Tours or your travel agent within three days of you making your booking request. Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable. In some cases the amount of the deposit may be higher where, for example, we need to pre-purchase flight tickets, cruise or rail cabins accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply- please see the terms

and conditions of individual special offers for further information. This will be advised at the time of quotation.

Instalment Payment(s) Additional payments may be required if airlines request earlier ticketing. We will provide you with reasonable notice if any such instalment payments become necessary, and you must make the payment by the due date specified in that notice.

Balance Payment The final balance of the travel arrangements is due no later than 75 days prior to the confirmed tour commencement date. Air tickets are issued upon receiving final payment only. Final payment for Cruise & Tour packages and other special collections may be required earlier than the standard due date. Any such earlier payment deadline will be specified in your booking invoice.

Late Payment If you fail to make payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after the reminder, you will be deemed to have cancelled your booking and cancellation fees will apply (see below).

Card Processing Fees Please note that any payments made by credit or debit card are subject to a 1.2% processing fee (1.8% for Amex), which represents the cost charged to us to process the payment.

Tailor-Made Quotations For Tailor-made itineraries, the first two quotes are complimentary. After this, we reserve the right to request a non-refundable commitment fee of \$100.00 per person. This will be deducted from your required deposit amount at the time of confirmation.

AMENDMENTS BY YOU We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 per change will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers. Please note that airfares are subject to strict airline policies and booking fare rules. Special airfares that require early ticketing may be non-refundable and non-changeable. Once a booking is confirmed, any name change, or passenger change will incur additional charges and/or may be deemed a cancellation of the airfare.

AMENDMENTS BY US Due to the dynamic nature of the travel industry, we may occasionally need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge our right to do so and agree that these substitutions will not be considered a significant change.

During travel You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. Where such changes are necessary, you agree that we may pass on any additional costs we reasonably incur in making alternative arrangements for your benefit.

General To the fullest extent permitted by law:

- we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;

- If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and

- We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

AIRLINE SCHEDULE CHANGES We are not responsible for any schedule changes imposed by airlines. While we will make reasonable efforts to adjust your touring and accommodation arrangements to accommodate such changes, we are not responsible for any services missed as a result. You agree that we may pass on any reasonable additional costs we incur in making alternative arrangements necessitated by an airline-imposed schedule change.

CANCELLATION BY YOU – Group Tours Cancellations must be made in writing to Wendy Wu Tours and are subject to the following cancellation charges (Cancellations are also dependent upon other additional charges imposed for air/rail/cruise tickets as referred to below) from the date the written cancellation is received:

- More than 75 days prior to departure; loss of deposit
- Between 74 and 59 days prior to departure; 25% of total cost
- Between 58 and 46 days prior to departure; 50% of total cost
- 5 days or less prior to departure; 100% of total cost
- Any 'no show'; 100% of total cost

Airfare, Cruise & Rail Tickets If airline, cruise and rail tickets have been issued, the rules of the fare will determine cancellation and/or amendment charges. It is often the case that air, cruise and rail tickets are non-refundable.

Unused Services Following the commencement of your tour, no refunds will be made for any services which you choose not to use or which you cannot use for any reason other than a reason within our control.

No waiver Regrettably, cancellation charges and fees cannot be waived. There can be no exceptions. Please note that employees of any overseas or domestic company or staff of Wendy Wu Tours outside Australia are not authorised to give any guarantees or agreements to customers in respect of refunds or any other matters. Please note Special Groups, Short Stays, Extensions & Tailormade tours may have differing cancellation fees, these will be communicated in writing at time of booking.

OTHER CANCELLATIONS OR RESCHEDULING In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including but not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure – Prior to travel If:

- in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or

- you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:

- reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or
- cancel your travel arrangements, in which case our contract with you will terminate.

If we cancel your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will either:

- issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 24 months of issue against any travel services offered by us; or
- refund payments attributable to the cancelled travel arrangements less:
 - (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure – During travel If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your tour or particular travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events as soon as you have paid a deposit.

Other cancellations If we cancel your travel arrangements for reasons other than Force Majeure or a failure to satisfy minimum numbers (see below), you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

GOVERNMENT-IMPOSED QUARANTINE OR TRAVEL RESTRICTIONS If, within 75 days of your scheduled departure, you are subject to a mandatory quarantine or other travel restriction imposed by a government or public health authority (whether due to illness, close contact, or any other reason) and as a result you are reasonably unable to make use of the travel services booked with us, we will not be liable for any third-party costs, cancellation fees or prepaid arrangements, including (but not limited to) airfares, cruise bookings, or accommodation.

Similarly, if you are directed by a government or public health authority to quarantine or return home early during your tour, we will not be responsible for any additional costs you incur as a result, including extra accommodation, transport changes, or other amendments to your travel plans.

We will, however, make reasonable efforts to recover any refundable amounts on your behalf or to negotiate credits or deferrals with third-party providers, where possible.

MINIMUM NUMBERS Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled or re-costed. We will give you notice no later than 60 days prior to the trip's commencement. If the trip is re-costed, you will have the option to either accept the new cost or to cancel your booking. You must make this election within 14 days of receiving notice from us. If the trip is cancelled or if you cancel your booking in these circumstances, we will at your election refund all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation in these circumstances.

JOINING YOUR TOUR Airline schedules from different cities vary so travellers from some cities may need to make their own way to another capital city to join the tour or may require pre or post-tour accommodation, a stopover or have a lengthy transit en-route to their destination. Any cost for accommodation, transportation (including but not limited to airport transfers) or meals incurred will be at the passengers' own expense. Our reservations team can assist with any of these additional services. If you have booked a land only option, please email a copy of your flight schedule and passport copy at time of final payment so we can arrange transfers and visas.

HOTELS Hotel descriptions featured on our website are based on current hotel guides provided by suppliers. Any facilities described are subject to change at any time. Maps and photographs are included for general information only and may not necessarily reflect actual routings, location or services. Wendy Wu Tours has made reasonable enquiries to verify that the descriptions and details are accurate but does not warrant that they are. We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

TRAVEL INSURANCE It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition. If you fail to provide a certificate of currency of insurance within a reasonable time after our request, then this will be deemed a cancellation by you and standard cancellation fees will apply (see 'Cancellation By You' above).

HEALTH REQUIREMENTS It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice. If you have doubts about your ability to undertake the trip, please contact us to discuss your circumstances prior to making a booking request.

Existing Medical Conditions If you have a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may materially affect the usual conduct of the trip, then you must advise us prior to or at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition prior to or at the time you made your booking request, we will provide you with a full refund of payments made.

If you fail to provide a medical assessment within a reasonable time, then this will be considered a cancellation by you and cancellation fees and charges will apply (See 'Cancellation By You' section above).

Changes to Medical Conditions After Booking You must notify us as soon as possible of any new or changed medical or mobility condition that may reasonably be expected to increase your risk of needing medical attention or special assistance, or that may unreasonably affect the usual conduct of the trip. The provisions above will apply, including our right to cancel and apply relevant cancellation fees.

Undisclosed or Emerging Medical Conditions During the Tour If, during the tour, we reasonably identify that you have a medical or mobility condition (including but not limited to cognitive impairment or behavioural issues) that was not disclosed prior to booking, and:

- it materially affects your ability to safely participate in the tour;
- places you, our staff, or other travellers at risk;
- requires special assistance we cannot reasonably provide; or
- unreasonably affects the usual conduct of the tour,

we may cancel your continued participation in the tour.

In such cases:

- You will not be entitled to a refund for any unused services; and
- We may arrange for your early return home and/or additional support, and you agree to reimburse us for any reasonable costs incurred in doing so.

Dietary Requirements Special dietary requests are required to be notified to us at the time of booking. We will endeavour to communicate your requirements to relevant suppliers. However, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. To the fullest extent permitted by law, we expressly disclaim any liability for meals or beverages that contain allergens.

TRAVEL DOCUMENTS & VISA PROCESSING A passport with a minimum of six months validity and at least 2 blank pages upon return to Australia is required for customers travelling to all countries in our programme. Visa fees are included for Australian passport holders in all fully inclusive Classic Tours and Go Beyond Tours. Non-Australian passport holders may incur additional fees and require additional documentation. Wendy Wu Tours may not be able to assist with processing the visas for some nationalities. If passports are not received by Wendy Wu Tours 75 days prior to departure, you may be required to pay an urgent visa processing fee, which we will advise at the time. Unless otherwise requested your passport will be returned to you with final documentation approximately three weeks prior to your departure date. If the customer requests the passports to be returned prior to this, an additional fee will be incurred. Responsibility for documentation accuracy, passport validity, purchase of additional required passport photos, the cost for sending passports to Wendy Wu Tours and dispatch of documents rests with the customer. Wendy Wu Tours accepts no responsibility for any failure in this respect. Wendy Wu Tours does not issue foreign visas. We only submit passports and application

forms for visas to be issued by the relevant authorities. Wendy Wu Tours cannot guarantee that any visa will be issued by the relevant authority and accepts no responsibility if a visa application is refused. Any cancellation fees or other expenses incurred by the customer due to the refusal of a visa will be entirely the customer's liability. Relevant authorities may require additional documentation to approve your visa application. The cost of additional documentation or application forms are at the travellers expense. Please see our website for the most up-to-date information.

Late Bookings If a booking is made within 75 days prior to departure it is considered a late booking. Late bookings may incur additional fees including any applicable urgent visa processing fees. Wendy Wu Tours does not process visa applications for bookings made less than 30 days prior to departure but customers are entitled to apply for their own visas.

VACCINATIONS It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith and you must independently verify it. If suppliers refuse to provide you with travel arrangements due to any vaccination deficiency, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

SINGLE TRAVELLERS We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge if available on your flight itinerary, and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Our Customer Services Team will contact you around 60 days prior to departure to let you know if a share partner has been found. If a share partner is found, the Single Supplement will be removed from your booking and refunded. If a share partner is not found, the Single Supplement will remain on your booking. Wendy Wu Tours reserves the right to change or withdraw this arrangement at any time. If the booking originated as a twin share booking and one traveller cancels, the remaining traveller will be charged the applicable single supplement. If the cancellation occurs more than 75 days prior to the tour departure date, the option to select 'Happy to Share' will apply if it is available on the selected tour. Our dedicated solo departures are guaranteed a single room with no additional supplement and do not have a 'Happy to Share' option.

DURING TRAVEL

Remote Areas You acknowledge that some tours visit and include overnight accommodation in remote areas which are located considerable distances from hospitals, medical centres or other forms of medical facilities. It may take many hours before you receive any professional medical attention.

You acknowledge that there may be occasions where you require first aid due to an accident, illness, injury or other health condition. You consent to our (and our suppliers') personnel providing you with first aid on the basis that: (a) they are not qualified medical professionals; (b) we make no warranties and expressly disclaim all warranties regarding the standard of care that may be provided; and (c) to the fullest extent permitted by law we will not be liable (and neither will our personnel) for any care given or omitted. If you are unable to do so yourself, you consent to us seeking and securing any medical treatment that we reasonably consider you require. This may include attendance or evacuation by air. You agree to reimburse us for any costs we incur in seeking medical treatment or evacuation on your behalf.

Refusal of Carriage We reserve the right to reasonably remove you from a group tour if, in our or our suppliers' opinion, your condition, conduct, or circumstances pose a material risk to your own safety or wellbeing, or to the safety, comfort, or enjoyment of others. This includes, but is not limited to, situations where you are physically, medically, or mentally unable to participate in the tour as planned, engage in disruptive or antisocial behaviour, or are found in possession of prohibited substances or materials. In such cases, you will not be entitled to any refund for unused services, and you will be responsible for any additional costs incurred as a result of your removal.

Seatbelts Please note that seatbelts are not compulsory by law in all destinations featured in this brochure and therefore the local people largely choose not to wear them. For this reason local operators may or may not have seatbelts in vehicles or they may be hidden underneath protective seat covers. It is recommended that where seatbelts are available customers must use them and remain seated at all times while the vehicle is moving. As such, customers acknowledge that seatbelts may not be available and therefore travel at their own risk. Customers warrant that to the fullest extent permitted by law they shall not make any claim howsoever arising from injury or damage in respect of, arising from or contributed to by the absence of seatbelts and hereby release Wendy Wu Tours from all such claims.

Independent Services We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible for delivery. Leisure activities and services undertaken during free time is at the customer's own discretion.

Shopping & Other Services Shopping can be fun and entertaining, especially in local markets. However, Wendy Wu Tours, its staff and employees are neither qualified nor permitted to ensure or guarantee the quality or value of any goods purchased or the suitability of any retail outlets visited and the security of using a credit card to purchase such goods. In all cases the purchasing of goods and the use of a credit card for those transactions is entirely at the customer's own risk and at all times the customer must use their own discretion.

ACCEPTANCE OF RISK You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers. You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY
Services supplied by independent suppliers Where a third party over whom we have no direct control (Independent Supplier) is the supplier of travel arrangements that form part of your trip, you acknowledge that your obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control could include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us), attraction and venue operators and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Services we directly supply To the extent only that we are the principal supplier to you of travel arrangements or other services which we own, operate or control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and contractors (where we have direct control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

Recreational services If we supply any recreational services to you, then to the maximum extent permitted by law we exclude any liability for death, physical injury or mental injury or any other liability referred to in section 139A(3) of the Competition and Consumer Act 2010 (Cth) resulting from our failure to comply with a guarantee that applies under Subdivision B of Division 1 of Part 3-2 of the Australian Consumer Law.

This exclusion does not apply to significant personal injury caused by our reckless conduct.

Recreational services means services that consist of participation in the activities referred to in Section 139A of the Competition and Consumer Act 2010 (Cth), being participation in:

- (a) a sporting activity or similar leisure time pursuit; or
- (b) any other activity that:
 - (i) involves a significant degree of physical exertion or physical risk; and
 - (ii) is undertaken for the purposes of recreation, enjoyment or leisure.

General liability limitation We do not guarantee our schedule. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent possible. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

PROCEDURES FOR LODGING COMPLAINTS OR CLAIMS At Wendy Wu Tours we are committed to ensuring that we deal with complaints effectively and efficiently. Should the customer not be satisfied with any aspect of their arrangements they must immediately inform the National Escort or Local Guide who will endeavour to resolve the issue at the time. If this is not possible and you wish to lodge a complaint or claim this must be done in writing to Wendy Wu Tours in Sydney (or by email to customerrelations@wendywutours.com.au) within 30 days of the date of the completion of your Wendy Wu Tours arrangements. Relevant receipts and substantiating evidence must be attached to the letter of claim. If you fail to follow this procedure, this may limit your rights to make a claim.

Our complaints handling policy is available upon request.

AIRLINES Airlines featured in this brochure do not by virtue of their endorsement represent themselves either as contracting with any purchaser of a holiday from Wendy Wu Tours, or as having any legal relationship with such a purchaser. Frequent flyer miles may not be accrued on some packaged fares. Pre-flight seat allocation may not be available. If seat allocation, additional baggage, airport assist services or medical clearance is required and is permitted by the airline, this is to be booked by the traveller directly with the airline and additional fees incurred at the time of arranging these services is payable by the traveller. For details, contact our office. Schedule changes or flight cancellations are subject to the airlines policy and are outside Wendy Wu Tours control.

You can opt out of receiving information at any time if you choose to do so. GENERAL This contract is governed by the laws of the state of New South Wales and any legal action arising therefrom shall be litigated only in the appropriate court in that state having jurisdiction in that claim.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.

You may not transfer your booking or any rights under these Booking Conditions to another person without our prior written consent.
