Passing through the heart of bustling cities or scenic, tranquil countryside, you'll get authentic glimpses of local life too, while uncovering hidden gems far from the tourist trail. These journeys offer much more that just scenic views – they slow down the pace, give you time to relax and offer an immersive way to reach places that you would have to bypass when travelling by road.

For over two decades I've had the privilege of sharing the world's most wonderful nations with travellers from across the globe. Every journey we craft is designed with care, ensuring you experience the very heart and soul of each incredible destination. Each river cruise is seamlessly woven into one of these journeys, which are bursting with activities, experiences, and expert-guided sightseeing. Hand-in-hand with all the comforts of your river vessel, you'll enjoy all the benefits of a Wendy Wu tour – including flights, accommodation, meals, visas, and exceptional value for money.

"We spent 4 nights on the Victoria Mekong ship and it was fabulous. Everything from the decor, to the food and the wonderful staff was 5 star. I would highly recommend it to anyone visiting Vietnam and/or Cambodia. It is the best way to travel between the two countries and an experience not to be missed."

Sylvia Hanton
(Mekong Explorer – Dec 2025)

"Gems of China was a great way to visit and see all of China's main experiences whilst getting a little insight into life in China. The National Guide was efficient and friendly. The river cruise provided a relatively relaxing break in the middle of a full on itinerary and was an opportunity to really get to know the rest of the group. My highlights were the Great Wall and Shanghai – what an eye opener! Immaculate organisation from Wendy Wu as usual."

PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every tour requires the ability to walk around sights unaided, while tours with higher physical ratings may involve longer walks, cycling, or other physical activities. Tours that traverse rough terrain, visit remote areas, or go to high altitudes will also have higher physical ratings.

LEVEL 1

A reasonable level of fitness is required. Expect to be on your feet for most of the day walking around sights, often including steps and getting on and off coaches, trains, or boats. Occasional longer walks may be included.

LEVEL 2

A moderate level of fitness is required. You will be on your feet for most of the day, with longer walks that include ascents and descents on steps or uneven paths. Travelling conditions may be more challenging in some areas.

LEVEL 3

A good level of fitness is required. You need to be comfortable walking long distances and for extended durations. The tour may also include activities such as cycling and hiking and visit some remote areas with basic infrastructure.

LEVEL 4

A high level of fitness and a strong spirit of adventure are required. These tours are full of activity and often visit remote areas with basic infrastructure. Expect to be on your feet and active for much of the day, with some long travelling days.

As the physical requirements vary by tour, we recommend reviewing the Detailed Tour Itinerary on our website before booking to ensure it's the right fit for you.

Her 33 en suite staterooms, each 25m^2, are spread across the main and upper decks, along with two aft-facing VIP suites (45m^2) at the rear of the upper deck. All cabins can be booked as twin or double beds, and feature rain showers, hair dryers, individually controlled AC and French windows onto the balcony.

YOUR JOURNEY

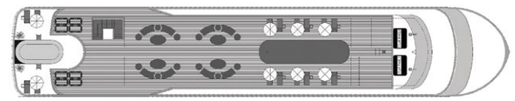

The Mekong is the seventh longest river in all of Asia, and the twelfth longest in the world. Stretching 4,345 kms from China across the Tibetan Plateau and through Myanmar, Laos, Thailand, Cambodia and Vietnam, it empties into the South China Sea south of Saigon. It is the lifeblood of Southeast Asia, and many centuries of cultural, economic and political history have played out on its banks.

The Victoria Mekong cruises from Kampong Cham in Cambodia to the Vietnamese town of Can Tho in the Mekong Delta. Guests can join the full 7-night cruise, or opt for a 4 night option beginning or ending at Sisowath Quay in Phnom Penh.

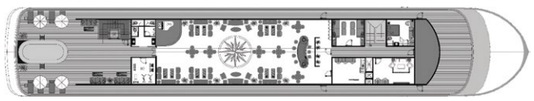

Along Victoria Mekong's route, she makes stops at destinations such as Tan Chau, Long Xuyen, and Tan Loc Island, with excursions to historic temples, silk villages, the Royal Palace, the Killing Fields and a floating market. See overleaf for more information about her ports of call.

Guests on all itineraries will enjoy nightly evening entertainment on board, ranging from Cambodian Apsara performances to traditional Mekong folk music and even a mischievous lion dance on the sun deck. Onboard activities range from mini-golf to cocktail-making competitions, destination presentations and film nights.

THE NILE
EGYPT

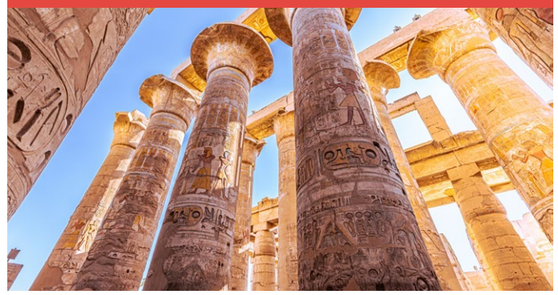

A cruise along the Nile is a journey through Egypt's timeless history and landscapes. Floating along one of the world's longest rivers through lush farmland and serene desert stretches, travellers are afforded the chance to explore ancient temples and tombs, and a vibrant local culture that stretches back over 4,000 years.

HIGHLIGHTS OF THE NILE RIVER

1 LUXOR'S EAST BANK

Called the 'world's greatest open-air museum', the ancient Egyptian capital of Thebes occupies the eastern bank of the Nile at Luxor. An archaeological treasure trove, its sights include the atmospheric Luxor Temple and the huge Karnak Temple where you'll find the grand Hypostyle Hall with its towering columns, a true wonder of the ancient world.

2 LUXOR'S WEST BANK

Discover the starkly beautiful landscape that is home to the grand Temple of Hatshepsut, the mortuary complex of one of Egypt's earliest female pharaohs. Visit the world-famous Valley of the Kings, the Theban Necropolis where the mighty Pharaohs of the New Kingdom were laid to rest.

3 EDFU

Built over 2,000 years ago and lost for centuries, Edfu is one of the best-preserved sites in Egypt. Dedicated to the falcon god Horus, whose colossal figure flanks the entrance, its intact walls contain a wealth of legible inscriptions and artwork.

4 KOM OMBO

Kom Ombo is renowned for its unique double temple dedicated to the crocodile-headed god Sobek and falcon-headed Horus. Occupying a dramatic position overlooking the Nile, the temple features intricate carvings, mummified crocodiles, and even insights into ancient Egyptian medical practices.

5 ASWAN

Aswan's location, gazing out over the sparkling Nile and soaring sand dunes, is undeniably romantic and the easy pace of life here is supremely relaxing. Cruise out to the island temple of Philae, relax in the gardens of Elephantine Island and drift on white sailed feluccas through this timeless landscape.

6 ABU SIMBEL

Journey south to the great temple dedicated to Ramesses II, with its immense 20-metre-high statues. Once gazing out over the southern reaches of the Nile, the entire temple was moved block by block to a new location approximately 200 metres inland and 65 metres higher than its original site, avoiding the encroaching waters of the Aswan Dam.

Savour your favourite tipple in the stylish Lounge Bar, where cocktails and refreshing drinks pair perfectly with panoramic river scenes.

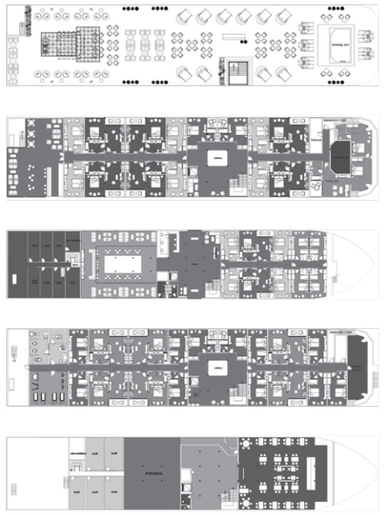

YOUR JOURNEY

There are few rivers as famous as the River Nile – not just for being one of the world's longest rivers at 6,650km, but for its historical significance and its present-day importance as a source of irrigation, drinking water and transportation for the 95% of Egypt's population that live within a few kilometres of its banks. The ancient Egyptians considered the Nile as a sacred place and aligned many of their pyramids and monuments alongside the river, believing it was a pathway to the afterlife.

Trace the Nile's incredible past as you sail along this ancient and fabled waterway. Board your river cruise in Luxor and continue for five days to Aswan. On your cruise, you'll visit some of Egypt and the Nile's most celebrated and revered sites, including Luxor's East Bank, home to the Avenue of the Sphinxes and the Temples of Luxor, and the West Bank, one of the most stunning landscapes in Egypt. Stop at the Valley of the Kings, the Temple of Horus, the Temples of Edfu, the Temple of Kom Ombo, the Aswan Dam and so much more.

Please note that some departures may be accommodated on a different Nile cruise ship of the same standard.

1 GIANT TORTOISES

The Galápagos' emblematic creature, it's believed the islands were named for these slow-moving-slow-chewing behemoths! No visit is complete without spotting them in the highlands of Santa Cruz, in breeding centres on San Cristóbal or Urbina Bay.

3 POST OFFICE BAY

In the 18th century, crews on whaling vessels came up with an inventive way to get letters home – a wooden barrel. They would leave their post in the barrel to be picked up and delivered by those on homeward voyages. This tradition still happens today.

This steep volcanic rock stairway gives access the Genovesa Island's high rocky plateau where you can observe large colonies of some of the Galápagos' most famous birds – boobies, frigatebirds and storm petrels.

TAILORMADE TOURING

Extraordinary journeys, exactly the way you want it

WHAT IS A TAILORMADE HOLIDAY?

Quite simply, a tailormade holiday is a journey designed and created especially for you. There's no one-size-fits-all when it comes to travel so tailormade holidays are the perfect opportunity for travellers looking to embark on that once-in-a-lifetime adventure or epic honeymoon, for people who want to indulge their special interest, or for those who simply want to do things their own way.

WHY TRAVEL TAILORMADE?

You're completely in control of the what, where and when. You can choose the pace, where to linger longer, where to pass through and where to bypass completely. The hotels (from comfortable to all out luxury), what and where you eat, the number of nights, when you depart, the sort of experiences that you'll have, is all up to you too!

Whether you have a fully formed itinerary in mind, or just a vague inkling of what you want to see and do, one of our Personal Travel Specialists will be able to craft you something marvellous – with as much, or as little, input from you as you wish.

WHY GO TAILORMADE WITH WENDY WU?

We've long prided ourselves on our abilities to make extraordinary tours, so it goes without saying that we're also pretty good at putting together tailormade ones. Our team of Personal Travel Specialists, who are wonderfully well-travelled and expert travel planners, are on-hand to advise and recommend – just let them know what you're after and they'll do the rest. With a wide range of accommodation options, private guiding when you want it and exceptional knowledge of local flavours and the most authentic local experiences, we've got you covered.

How does it work?

It's really so simple – just follow the steps below:

"We are writing to say a very big thank you for giving us a wonderful tailormade holiday. We were so impressed by how well organised the whole trip was, with reps on hand to meet us at each new destination, local guides for every city who were very informative, and a brilliant driver who looked after us so well during the entire tour."

A. Before booking, please read the Detailed Tour Itinerary for your chosen tour, available on our website. Here you'll find everything you need to know, from time spent on your feet and journey times to accommodation standards. Final documents including a day-by-day itinerary, hotel list, flight tickets, visa (if applicable) and travel guide insert will be sent three weeks before departure.

Q. Will I know which hotels I will be staying at?

Q. Do I need travel insurance?
A. It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations /repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time. We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition.

Q. What vaccinations do I need?
A. Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks before you travel, to allow time for any necessary vaccinations.

Q. What size are your tour groups?

A. We offer several options for single travellers joining our tours. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Q. Is there a dress code on your tours?
A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is required when visiting some religious buildings.

WHILE ON TOUR

Q. What sort of vehicles do you use?
Air: Internal flights are based on economy class, with reputable airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On Classic and Classic Flex tours, we operate a seat-and-a-half policy on coaches, giving you extra space and comfort throughout. On our Private/ Tailormade Tours, we use vehicles suitable for the size of the party.

River: Ships or boats are used on tours which have a cruising element, from river cruising ships on the Mekong to comfortable, well-equipped sailing vessels on Halong Bay. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Q. Are meals included?
A. On our Classic tours, all meals are included, from dinner on your first evening right through to breakfast on your departure day. On Classic Flex, Go Beyond, Private Tours and Short Stays, included meals are detailed in your itinerary.

Throughout your journey, you'll enjoy a variety of local dishes, with occasional Western options, typically served at local restaurants. In more remote areas, menus may be simpler but no less authentic.

Q. Do you allow children on your tours?
A. We allow children 12 years and over on our group tours. Alternatively, our Tailormade/ Private Tours offer greater flexibility whilst on tour and are suitable for any age group.

Q. Who will I be travelling with?
A. Our groups are typically made up of travellers from the UK, Ireland, Australia and New Zealand, ranging in age from 40 to 65 – though adults of all ages travel with us.

What everyone has in common is a love of travel and adventure.

Q. What hours of the day do your tours operate?
A. They generally start at about 8am and end shortly after your evening meal. Occasionally, an earlier start is required to meet a flight or train departure, or to visit a site at its very best.

Q. How does the tipping system work on your tours?
A. Tipping is expected in most parts of the world, but knowing when and how much can be tricky. For your convenience, Wendy Wu Tours operates a kitty system on group tours where your National Escort manages everything on your behalf, ensuring amounts are fair for local people and stress-free for you. The contribution is stated on each tour page and confirmed in your final documents.

Any additional tipping is entirely at your discretion – restaurant staff, porters and river guides always appreciate a personal thank-you for exceptional service. For groups of fewer than 10, contributions will be slightly higher. On Private Tours and Extensions, we recommend allowing $12 to $15 per person, per day. Tipping in China can be paid in cash or via mobile payment app.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and work with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in Australia. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Travelling Responsibly

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods. When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

Animal Welfare Matters

Some of the world's most memorable travel experiences involve encounters with animals. We believe travel should foster understanding and appreciation of the natural world, local cultures and different ways of life, while contributing positively to the environments and communities we visit. That is why we are committed to promoting responsible animal experiences with consideration for respect, care and welfare, and align with best practice standards.
