We have a fantastic range of extension and stopover packages (see page 112) or, if you're looking for something a bit different, our fantastic team of experts can help you create your very own extension, to any tour in this brochure!

## PHYSICAL RATING

All our tours feature a physical rating to help you select the right holiday for you. Every one of our tours requires the ability to walk around sights unaided, whilst more active tours involve longer walks, cycling and other physical activities. Tours at altitude will have a higher physical rating. For more information on why each tour has been rated the way it has, have a look at the 'Detailed Itinerary' available to download on the tour page of our website.

## LEVEL 1

A reasonable level of fitness is required, but it's more about spending time on your feet rather than covering large distances. You'll be getting on and off coaches and boats, walking around the sights and climbing some steps.

A Level 2 tour will involve a little more time on your feet than a Level 1 tour and may involve more steps and/or walking.

LEVEL 3

A good level of fitness is required as you need to be comfortable walking for 2-3 hours and covering longer distances. Other activities such as cycling will be at a gentle pace and will involve straightforward terrain.

A Level 4 tour will feature similar physical activities but these may be longer in duration or on slightly more challenging terrain.

## LEVEL 5

You'll need to be fit and adventurous to participate in these tours as on some days you will be active for most of the day. The terrain may be more challenging and the activities more physically demanding.

# You're in safe hands

Our guides are the stars of the show; it is their unrivalled knowledge, passion and expertise that will transform your tour experience from good to truly extraordinary!

"My husband and I did the two week 'Glories of China' trip recently, and our National Escort was exceptional. George was with us for the whole two weeks, and he helped to make it the trip of a lifetime for us. By the end of our holiday George really felt more like a friend than a guide."

Catherine Prior

# Our new and improved itineraries...

Here at Wendy Wu Tours, we are passionate about our destinations and as such, we are always striving to enhance, create and discover new and unexplored regions. It is at the heart of what we do and a fundamental reason behind our success over the last 25 years of touring. This year we've taken inspiration from the furthest regions of Asia and into Europe, setting our sights on the Caucasus (Eurasia), the Trans-Siberian Railway and into Russia. We hope you will be inspired by the charm of the people, their culture, history and diverse scenic beauty. As always, we have embedded the Wendy Wu style of touring across these new offerings.

We have also improved on our existing Central Asia ('The Stans') and Mongolia tours, regions we have been traversing for well over a decade...let us introduce you to:

# THE 'STANS' (CENTRAL ASIA)

Nestled between Russia and China, the Central Asian nations of Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan make up an area known as 'The Stans'. Entwined with legends of the Silk Road, the ancient trading route on which goods, ideas, philosophies and religions moved between the east and the west, this is a land where mountains, deserts and steppe grassland dominate the landscapes. Here, beautiful blue domes and towering minarets watch over ancient cities and legendary names litter a rich history – Alexander the Great, Genghis Khan and Tamerlane, to name just a few. Venture here to experience the romance of a golden past, to explore ancient cities that have earned a place not only in history but in legends, and experience a beautiful, uncomplicated way of life unchanged for centuries. Explore them on our Journey Through Central Asia tour on page 78.

Sandwiched between the shores of the Black and Caspian seas, the charming countries that encompass the Caucasus Mountains – Georgia, Armenia and Azerbaijan – have long been the focal point of powerful ancient empires. As the point where Europe and Asia meet, these lands have a varied and rich heritage amongst their spectacular mountains, lake and forest landscapes, best seen in the old stone watchtowers, ancient monasteries and vibrant cities that reside there. Considered the last unexplored wilderness on the edge of Europe, these three nations remain bastions of the old world, where life is uncomplicated and the welcome always warm, and are just begging to be explored! See them for yourself on our Eurasia Explorer tour on page 74.

Gelati Monastery, Georgia

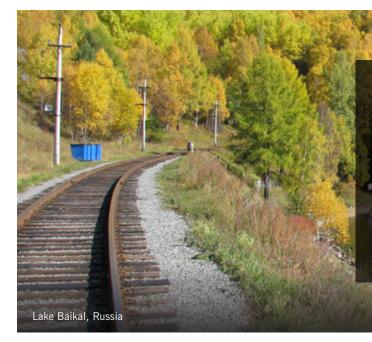

## RUSSIA

Russia, to many, is an enigma. Outside the opulent grandeur of Moscow and St Petersburg, where the fairytale palaces of the Tsars starkly contrast with the stone simplicity of the Soviet-era, it is easy to forget about the patchwork of people, religions and cultures that call it home. Here, the present fades to the background and old traditions and rural beauty shine through, giving a completely different vision. Tolstoy's weighty tomes may not appeal to everyone, but they say you should never judge a book by its cover. Explore it on our Classic Russia tour on page 54.

## MONGOLIA

Home to the legendary Genghis Khan, the vast wilderness and endless blue skies of Mongolia have long captured the imagination of travellers. Whilst capital city Ulaanbaatar is a rapidly modernising, cosmopolitan city, this is a country that takes the 'great outdoors' to extremes with its unique, rugged and pristine landscapes. Explore the endless, majestic emptiness of the steppes and deserts, still very much the territory of the planet's last true nomads, and stay in a traditional ger camp, experiencing the fabled hospitality of the Mongolian people – a truly authentic experience. Discover more on our Mongolia & Naadam Highlights tour on page 70.

Tereji National Park, Mongolia

## TRANS-SIBERIAN RAILWAY

It's the ultimate journey of a lifetime for many, travelling on the Trans-Siberian Railway harkens back to a golden age when travel was slow and rewarding. Crossing seven time zones and around one third of the earth's surface, the train winds its way from the rich history of Beijing, through the vast Mongolian steppe, where the nomadic lifestyle still reigns supreme, and into Russia where the endless horizon of Siberia awaits. After weeks in the wilderness, the bustle and extravagance of Moscow and St Petersburg bring the epic adventure to a cultural conclusion! Find out more about our Trans-Siberian Railway tour on page 76.

# **Discover Central Asia, Eurasia** & Russia with Wendy Wu Tours

Central Asia's dramatic landscapes are entwined with the legend of the Silk Road; the cross-roads for the movement of people, goods and ideas between Asia and Europe. Its culture, people and landscapes a hybrid of these historical influences. Russia; a land of incredibly rich culture, boasting literary, artistic and musical greats, not to mention world-class sights. Its no wonder these incredible destinations are a beacon for travellers looking for a new adventure. We trust that you will discover yours across our new programs.

# WENDY'S TOP 8 CENTRAL ASIA, RUSSIA & EUROASIA'S SIGHTS

# THE REGISTAN, SAMARKAND

The beautifully ornate heart of exotic Samarkand, explore the Registan, this legendary city's central square. See this majestic gem on the Road to Samarkand tour (page 72).

Grand and opulent, Peterhof Palace and Gardens reflect the exquisite tastes of Peter the Great. Enjoy walking amongst the marvellous sculptures, fountains and flowers on our Classic Russia tour (page 54).

Chat with the locals at this traditional bazaar as you peruse the many colourful wares, from silk to ceramics to local breads as part of our Road to Samarkand tour (page 72)

hunting, an age-old tradition from the

endless steppes of Kyrgyzstan, on our

**GOLDEN EAGLES** 

This striking mountain looms dramatically on the horizon of the vast Georgian spectacular alpine-like scenery on our Eurasia Explorer tour (page 74).

A magical sight, the gas crater is known as the 'Gates of Hell' and has been burning for over 40 years. View its spectacular glow on our Journey Through Central Asia tour (page 78).

A journey of epic proportions, the longest railway in the world stretches across continents. Beijing to St Petersburg on our Trans-Siberian Railway tour (page 76).

# ITINERARY

#### DAY 1: FLY TO BEIJING

Fly to Beijing, China's historic capital. Depending on your time of arrival, the rest of the day is yours to start soaking up the local culture.

#### DAY 2: IMPERIAL BEIJING

Begin in Beijing's symbolic heart with a stroll across Tiananmen Square, flanked by imposing government buildings and the mausoleum of Chairman Mao, towards the sprawling magnificence of the Forbidden City. A monument to dynasties past, enter through the Gate of Supreme Harmony, into a complex of a thousand rooms and many imperial treasures. Later, soak up the harmonious ambience of the Temple of Heaven, an orderly oasis in a bustling urban landscape, where you can watch, or participate in a dance class and mingle with the locals. This evening, sit down to a traditional dinner of Peking duck before deciding on an option to enjoy a kung fu show.

#### DAY 3: THE GREAT WALL OF CHINA

This morning is dedicated to China's most iconic sight – the Great Wall. Stretching thousands of miles from the Yellow Sea to the Gobi Desert, over all sorts of dramatic landscapes, it is one of the world's most impressive feats of engineering. Taking a walk on this incredible structure is the best way to appreciate both the wall itself and the magnificent scenery that it crosses. Drive back to Beijing and enjoy a relaxed afternoon in the idyllic gardens of the Summer Palace. Also included is a visit to a jade factory. A Chinese acrobatic show rounds off the day.

#### DAY 4: XIAN CITY WALLS

Fly to Xian. An illustrious and age-old city, Xian is one of the four great ancient capitals of China. It is also the capital of Shaanxi province and the starting point of the fabled Silk Road with a history spanning 3,100 years. Take a leisurely stroll on the beautifully preserved 14th Century city walls that enclose Xian's old town. Tonight, enjoy a delicious feast of traditional Shui Jiao dumplings and a performance of Tang Dynasty dancing.

#### DAY 5: TERRACOTTA WARRIORS

After their fortuitous discovery by local farmers in the 1970s, the Terracotta Army of China's first emperor, Qin Shi Huang, has intrigued visitors ever since. Spend the morning viewing the enigmatic ranks of life-like warriors and horses who stand in their original formations at the exact location they were excavated. Visit the workshop of the craftsmen who recreate terracotta warriors in the style of their ancient counterparts. Watch the skilled production process and perhaps buy a souvenir warrior to take home. Later, take a bullet train to Chengdu, capital of Sichuan province.

#### DAY 6: DUJIANGYAN PANDA BASE

This morning visit Dujiangyan Panda Base for your first panda encounter! Located 1.5 hours outside of Chengdu, this centre is dedicated to the study of disease control and the rescue of wild pandas – the perfect place to gain insight into the hard work that goes into caring for and boosting the population of these endangered species. Later, enjoy the atmosphere of Jinli Street – a lively street lined with antique shops and restaurants before sampling a delicious Sichuanese meal.

#### DAY 7: CHENGDU PANDA RESERVE

Your second panda experience will take place at Chengdu's famous Panda Conservation Centre, located right in the city. # TAILOR-MADE CHINA

The very best of China, exactly the way you want it.

#### WHAT IS A TAILOR-MADE HOLIDAY?

Quite simply, a tailor-made holiday is a journey designed and created especially for you. There's no one-size-fits-all when it comes to travel so tailor-made holidays are the perfect opportunity for travellers looking to embark on that once-in-a-lifetime adventure or epic honeymoon, for people who want to indulge their special interest, or for those who simply just want to do things their own way.

#### WHY TRAVEL TAILOR-MADE?

You're completely in control of the what, where and when. You can choose the pace, where to linger longer, where to pass through and where to bypass completely. The hotels (from comfortable to all out luxury), what and where you eat, the number of nights, when you depart, the sort of experiences that you'll have, is all up to you too! Whether you have a fully formed itinerary in mind, or just a vague inkling of what you want to see and do, one of our Personal Travel Specialists will be able to craft you something marvellous – with as much, or as little, input from you as you wish.

## WHY GO TAILOR-MADE WITH WENDY WU?

We've long prided ourselves on our abilities to make extraordinary tours, so it goes without saying that we're also pretty good at putting together tailor-made ones. Our team of Personal Travel Specialists, who are wonderfully well-travelled and expert travel planners, are on-hand to advise and recommend – just let them know what you're after and they'll do the rest. With a wide range of accommodation options, private guiding when you want it and exceptional knowledge of local flavours and the most authentic local experiences, we've got you covered.

# How does it work?

## STEP 1

Do some research to decide where you want to go – it could be one, two or even more countries! Think about when you'd like to go, how long for and what your budget may be. For inspiration, you can always have a look at our website, or have a flick through our brochure and see not only the showstopping sights on offer, but the exciting and unusual experiences too!

## STEP 2

Give us a call or fill in a quote request form on our website and we'll call you. Together we'll go through all your thoughts and ideas, making recommendations and giving advice. Also, don't forget to mention if you have any special interests – you can't live without your regular game of golf, or have a penchant for migratory birds for example. These are the little details we can use to make your holiday extra special.

## STEP 3

Sit back, relax and leave it with us. We'll create you an itinerary that combines all your ideas and come back to you with a proposed itinerary and quote in no time.

STEP 4

Tweak it, switch it around, change a hotel here, a meal there – you can make all the adjustments you need to make your trip exactly what you're after. You can do this as many times as you like and take as much time as you need – we are extremely flexible and always happy to help.

## **STEP** 5

When your adventure has reached that ultimate level of perfection and includes everything that you want and need, it's time to book. Call your personal travel specialist, say the word and they will do the rest. Other than a visa form or two, all there is left to do is think about what to pack and get excited!

#### **BEFORE YOU TRAVEL**

#### Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit we will send your confirmation documents.

#### Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant tour dossier before booking, which you can find on wendywutours.com.au, or we can arrange for one to be sent to you. If there are any particular challenges such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide and phrasebook with your final documents.

#### Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents. Note that these may be subject to change. Hotels generally range from 3-4 stars. If you require an early check-in or late check-out on your arrival or departure day, please contact us.

#### Q. How do I get my visa?

A. The cost of your visa is nearly always included in the price of your tour (for Australian passport holders). Simply send us your passport, completed visa application form and passport size photos 75 days before departure, along with final payment and we aim to have them sent back to you with your final documentation 2 weeks prior to departure. If you require your passport back

earlier, please let us know so that we can arrange for an express visa service at an additional charge. Passports or visa application forms received six weeks or less before departure will automatically incur an express visa fee. Wendy Wu Tours does not accept responsibility for lost or undelivered items. Personal collection or courier services are available on request. Willing to share is not available on our Exclusive

Air: Internal flights are based on economy class, with reputable airlines.

**Road:** Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

**River:** Ships or boats are used on tours which have a cruising element, from large ships on the Yangtze River to smaller boats on the Li River, Grand Canal and West Lake. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

**Rail:** Trains are used on some tours. Where there is an overnight journey we use the best available soft sleeper trains. Each compartment is shared by four people (not necessarily Wendy Wu Tours passengers). There is a western-style toilet at one end of the carriage and an Asian style toilet at the other end. The beds and cabins are basic with clean linen provided and there are neither showers nor a dining car. The trains are generally clean; however, you cannot expect western standards. Where bullet trains are used you may have to carry and store your own luggage – the National Escort will assist where possible.

## Q. How do hotel standards in China compare with Australia?

**A.** We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling overseas involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in Australia. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

## Health & Safety

The enjoyment of your holiday is our highest priority. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, we are proactive in our approach by ensuring that hotels used on our group tours regularly undergo comprehensive fire safety, security and hygiene audits.

In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

# Q. How does the tipping system work on your tours?

**A.** Tipping is expected in China. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each Group Tour page (and will be advised again in your final documents).

If you are taking a tour without a Yangtze Cruise, tipping will be collected by your National Escort on arrival and distributed throughout the tour on your behalf.

If you are taking a tour which includes a Yangtze Cruise, the total amount listed on the tour pages will be collected in two parts: 1) An amount paid to your National Escort on arrival, as above.

2) A separate service levy in to be paid upon boarding the Cruise vessel.

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or river guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages. On Private Tours and Extensions, we will advise recommended amounts. The specific amounts for tipping contributions will be outlined in your final documentation.

chauffeur-driven transfers are eligible from Sydney, Melbourne, Brisbane, Perth, Adelaide, Canberra and Cairns, based on executive sedan or similar. After hours surcharges apply between 12:00am-6:00am. Available within a radius of 60 driven kilometres from the nearest international airport. Up to 10 extra kilometres can be booked at a supplement. Based on a maximum of two passengers travelling together with standard airline luggage allowance. Any unused portion of this service is non-refundable.

TIPPING Tipping expectations vary greatly from one country to another. Wendy Wu Tours works with our Ground Partners to ensure that tipping principles are applied to adequately meet the requirements of each region. Tipping is not customary in Japan; hence no set recommendations are provided. In the other regions featured within this brochure we recommend appropriate tipping amounts for convenience. This is done by passengers contributing to a kitty, paid locally to the National Escort in RMB or USD, who then distributes it daily to service providers on your behalf. This avoids the need to consider individual tipping situations daily throughout your trip. Shown on each tour page is the estimated amount for each tour and this is confirmed in your final documentation. Wendy Wu Tours can suggest appropriate amounts for Extensions, Private Tours, Tailor-Made Holidays and Stopovers.

SHOPPING & OTHER SERVICES Shopping can be fun and entertaining, especially in local markets, where many copies of international brand names can be purchased for next to nothing. However, Wendy Wu Tours, its staff and employees are neither qualified nor permitted to ensure or guarantee the quality or value of any goods purchased or the suitability of any retail outlets visited and the security of using a credit card to purchase such goods. The Company does not own, manage, control or operate any transportation vehicle, any hotel or restaurant or any other supplier of services. All receipts and tickets are issued subject to the terms and conditions specified by the supplier and all services are provided. The Company acts only as an agent for the owners, contractors and suppliers of transportation and/or other related travel services provided and assumes no responsibility for the loss, theft or damage to baggage or property or for any injury, illness or death or for any damages or claims whatsoever caused arising directly or indirectly from accidents, loss, theft or damage to person or property, delays, transport failure, strikes, wars and uprisings or acts of God etc. over which the Company has no control. We strongly urge all customers to undertake a high level of personal responsibility in order to ensure that possessions, equipment and personal documents are closely monitored and protected at all times. FORCE MAJEURE Except where otherwise expressly stated in these booking conditions, we regret we will not accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of "force majeure". In these booking conditions, "force majeure" means any event, or the consequences of which, we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are not limited to but may include actual or threatened war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, volcanic activity, seismic activity, fire, pandemics, epidemics and all similar events, natural or manmade, outside our control or that of our agents or suppliers.

EXCURSIONS We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/ or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury.

We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

SPECIAL REQUESTS If you have any special requests, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

For this reason local operators may or may not have seatbelts in vehicles or they may be hidden underneath protective seat covers. It is recommended that where seatbelts are available customers must use them and remain seated at all times while the vehicle is moving. As such, customers acknowledge that seatbelts may not be available and therefore travel at their own risk. Customers warrant that they shall not make any claim howsoever arising from injury or damage in respect of, arising from or contributed to by the absence of seatbelts and hereby release Wendy Wu Tours from all such claims.
