Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Where can I find more information about a tour?

A. It's essential that you read the tour's Detailed Itinerary before booking. You can view it at wendywutours.com.au or request a copy from us. These concise trip notes outline key considerations such as walking durations, travel times, and accommodation standards. Three weeks before departure, you'll receive your final documents, including a day-by-day itinerary, and travel guide insert.

Q. Will I know which hotels I will be staying at?

A. You can be safe in the knowledge that your accommodation has been selected to best suit the locations you'll visit. Our group tours feature hand-picked four-star properties selected for their comfort, modern amenities and convenient location for sightseeing. We occasionally include a stay in three-star plus hotels or lodges where we feel the character of the property will enhance your tour, or to allow access to a more unique and memorable location. A sample hotel list can be found on each tour page on our website and the final list will be confirmed with your final documents around three weeks prior to departure.

Q. How do I get my visa?

A. Wendy Wu Tours includes visa fees on all group tours for Australian passport holders. When you make your booking, we will advise you on the latest visa requirements. Our operations

team will get in touch with you nearer the time of your departure with the required documents.

Q. Do I need travel insurance?

A. It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time. We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 10 passengers. A National Escort will accompany each group of 10 or more, along with a local guide in each city for select destinations. We will endeavour to run groups of a smaller size with local guides only if viable to do so.

Q. What size are your tour groups?

A. The group size on our Classic tours is on average around 20 passengers, with a maximum group size of 28. On our Go Beyond tours and dedicated Solo Departures, the average group size is around 14 and the maximum is 18. You may meet other tour groups travelling concurrently.

Q. As a single traveller, will I have to pay a single supplement?

A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Our Customer Services Team will contact you around 60 days prior to departure to let you know if a share partner has been found. If a share partner is found, the Single Supplement will be removed from your booking and refunded. If a share partner is not found, the Single Supplement will remain on your booking.

Q. What is the maximum luggage allowance on your tours?

A. If your tour includes domestic flights or train journeys, your main suitcase or backpack must not exceed 20kg, with a 5kg limit for hand luggage, in line with local transport regulations. If your tour does not involve domestic flights or trains, your baggage allowance will follow your international airline's policy, though we recommend packing only what you can comfortably carry.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up-to-date information please seek your doctor's advice. You may also need to comply with local requirements to undertake COVID-19 tests or be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration.

Q. What currency should I take with me?

A. We recommend you take the local currency along with a credit/debit card. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs, additional tipping and optional extras. Tipping is usually in local currency on most of our tours, you will find this information in your documentation.

WHILE ON TOUR

Q. How fit do I need to be?

A. Our group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the Detailed Itinerary which you can find on our website. Please contact us if you require any advice. Our range of Private tours is more flexible and may better cater for individual needs.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What does escorted touring mean?

A. Every group tour which has 10 or more passengers travelling will be accompanied by a National Escort from when you arrive to when you depart. On multi-country tours, different National Escorts are used in each country. In the unlikely event that you are in a group of less than 10, local guides will accompany you at each location. Private tours and Short Stays / Stopovers are not accompanied by a National Escort; however, you will have the benefit of our knowledgeable local guides in each location. Transfers and flights to and from optional extension destinations are not escorted.

Q. Do you allow children on your tours?

A. We allow children 12 years and over on our group tours. Alternatively, our Private Tours, Extensions and Tailormade Holidays are suitable for any age group.

Q. What sort of transport do you use?

Air: Internal flights are based on economy class, with reputable local airlines.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On our private tours, we use air-conditioned vehicles suitable for the size of the party.

River: Ships or boat are used on tours which have a cruising element. These may be larger ships for a multi-day cruise, or smaller ones for short excursions. To undertake these excursions, you will need to be capable of boarding and disembarking from these boats, sometimes without assistance and/or handrails.

Rail: Trains are often used on tour. Where bullet trains are used, second-class seats are included unless stated otherwise. All trains have a western-style toilet onboard and are generally clean; however you cannot always expect western standards.

Q. Are meals included?

A. All meals (excluding beverages) are included on our Classic tours, starting with dinner on your arrival day and ending with breakfast on your departure day. For Go Beyond, included meals are detailed in the itinerary. Any additional meals will be at your own expense, and no refund will be provided for missed meals.

You'll enjoy a variety of local dishes, with occasional Western options, typically served at local restaurants. In more remote areas, meals may be simpler and choices more limited.

Q. Is tap water safe to drink?

A. Please check the advice for your specific destination, but if in doubt, we recommend that you drink bottled water only.

Q. Are there any optional excursions?

A. Our tours are designed to be full days, packed with must-see sights and unforgettable experiences. Occasionally, when time allows, your National Escort may offer optional extras such as evening shows for those looking to add a little more excitement to their day. These experiences are available at an additional cost, and are payable in cash to your guide on the day.

Onboard a Yangtze River cruise, a daily shore excursion is included, with an optional additional excursion available locally, subject to river conditions.

Q. Are there shopping opportunities on your tours?

A. There may be an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. Will I be travelling with passengers from other countries?

A. Our groups are made up of travellers from the UK, Ireland, Australia and New Zealand. Occasionally we are joined by English speaking passengers from other countries.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do safety standards compare with Australia?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in Australia. We therefore ask that you take care; pay attention at all times

and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. How does the tipping system work on your tours?

A. Tipping is expected in most destinations we visit. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or river guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages. The specific amounts for tipping contributions will be outlined in your final documentation.

Tipping is not traditionally part of Japanese culture, but is becoming increasingly commonplace. If you would like to show your appreciation, you can do so in local currency at the end of the tour.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in Australia. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

Travelling Sustainably

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods.

When travelling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

YOUR HOLIDAY CONTRACT The first named person on a booking request ("Lead Traveller") promises that s/he is authorised to request a booking subject to these Booking Conditions by all persons named in the booking request and by the parents or guardians for any party member who is under 18 when the booking request is made. The Lead Traveller is responsible for making all payments due under a booking by all party members. The Lead Traveller must be at least 18 when the booking is requested. After we receive your booking request and all appropriate payments (see "Payments" below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we email your confirmation invoice to the 'Lead Traveller' or the travel agent through whom the booking was requested. We reserve the right to decline any booking at our discretion.

OUR SERVICES We commence providing services to you as soon as we accept your booking. This includes (often significant) work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements. You also receive the benefit of work we undertake in anticipation of bookings. The services we provide to you are limited to (a) the arrangement and coordination of your travel arrangements; and (b) the delivery of travel arrangements which we directly control, own or operate.

YOUR DETAILS Passenger names must be provided exactly as per passport, including middle names, at the time of booking. A copy of your passport is required at the time of booking. Any spelling corrections made after a deposit is paid must be sent in writing. YOUR OBLIGATION TO CHECK DETAILS Please check your confirmation invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation invoice or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits, but you must meet any costs involved in doing so. If you wish to change or cancel any arrangements later, you may have to pay an amendment or cancellation charge (See "Amendments by You" & "Cancellations by You" below).

PRICES – General Prices and services are subject to availability of tour, airline, and specific economy airfare. Prices may differ once a preferred booking class is sold out. Prices stated are in Australian Dollars (\$AUD) and are current at the time of publication. The most up to date pricing is available on our website. The price includes international flights (where tour specifies it is flight inclusive), accommodation, transportation and other inclusions as per the published itinerary. Wendy Wu Tours reserves the right to release specials which are applicable to new bookings only. We also reserve the right to correct any obvious errors in rates quoted or calculated, or any omissions made at any time during your booking. Any verbal quote given is an indication only of the final price and is subject to confirmation in writing. Costs associated with passports, vaccinations, insurance, meals (other than those stipulated), emergency evacuation costs, gratuities, and all items of a personal nature are not included.

Itinerary Deviations All fully inclusive Classic Tour or Go Beyond Tour prices indicated in the brochure are based on group travel and any deviation requested by you from the set itinerary may incur additional airline ticket costs. Arrangements such as transfers, accommodation, etc. outside the set group arrangements/dates are at an additional cost.

Airline Fuel Charges In addition to the cost of any airfares, airlines also charge an additional levy to cover the ever-increasing cost of aviation fuel. As fuel prices have fluctuated, so too has the amount airlines charge for this levy. At the time of pricing, some airline fuel surcharges are included in the cost of the fare; however, this amount is subject to change until your airline ticket is issued.

Other Variations We reserve the right to surcharge the cost of your booked travel arrangements prior to commencement for circumstances beyond our control such as the imposition of new or amended Government charges, or if minimum passengers' requirements aren't satisfied (see below). We also reserve the right to vary the cost of your travel arrangements due to currency fluctuations. However, we will not vary the cost for currency fluctuations once full payment has been received by us and we will absorb the first 2% of any negative currency fluctuation.

PAYMENTS – Deposit You are required to pay a non-refundable deposit of \$300 per person (or full payment if booking within 75 days of commencement of your travel arrangements) to Wendy Wu Tours or your travel agent within three days of you making your booking request. Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable. In some cases, the amount of the deposit may be higher where, for example, we need to pre-purchase flight tickets, cruise or rail cabins accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply – please see the terms

and conditions of individual special offers for further information. This will be advised at the time of quotation.

Instalment Payment(s) Additional payments may be required if airlines request earlier ticketing. We will provide you with reasonable notice if any such instalment payments become necessary, and you must make the payment by the due date specified in that notice.

Balance Payment The final balance of the travel arrangements is due no later than 75 days prior to the confirmed tour commencement date. Air tickets are issued upon receiving final payment only. Final payment for Cruise & Tour packages and other special collections may be required earlier than the standard due date. Any such earlier payment deadline will be specified in your booking invoice.

Late Payment If you fail to make payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after the reminder, you will be deemed to have cancelled your booking and cancellation fees will apply (see below).

Card Processing Fees Please note that any payments made by credit or debit card are subject to a 1.2% processing fee (1.8% for Amex), which represents the cost charged to us to process the payment.

Tailor-Made Quotations For Tailor-made itineraries, the first two quotes are complimentary. After this, we reserve the right to request a non-refundable commitment fee of \$100.00 per person. This will be deducted from your required deposit amount at the time of confirmation.

AMENDMENTS BY YOU We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 per change will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers. Please note that airfares are subject to strict airline policies and booking fare rules. Special airfares that require early ticketing may be non-refundable and non-changeable. Once a booking is confirmed, any name change, or passenger change will incur additional charges and/or may be deemed a cancellation of the airfare.

AMENDMENTS BY US Due to the dynamic nature of the travel industry, we may occasionally need to make amendments or modifications to the itinerary and its inclusions, and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge our right to do so and agree that these substitutions will not be considered a significant change.

During Travel You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. Where such changes are necessary, you agree that we may pass on any additional costs we reasonably incur in making alternative arrangements for your benefit.

General To the fullest extent permitted by law:

- We will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications.
- If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and
- We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

AIRLINE SCHEDULE CHANGES We are not responsible for any schedule changes imposed by airlines. While we will make reasonable efforts to adjust your touring and accommodation arrangements to accommodate such changes, we are not responsible for any services missed as a result. You agree that we may pass on any reasonable additional costs we incur in making alternative arrangements necessitated by an airline-imposed schedule change.

CANCELLATION BY YOU – Group Tours Cancellations must be made in writing to Wendy Wu Tours and are subject to the following cancellation charges (Cancellations are also dependent upon other additional charges imposed for air/rail/cruise tickets as referred to below) from the date the written cancellation is received:

- More than 75 days prior to departure; loss of deposit
- Between 74 and 59 days prior to departure; 25% of total cost
- Between 58 and 46 days prior to departure; 50% of total cost
- 45 days or less prior to departure; 100% of total cost
- Any 'no show'; 100% of total cost

Airfare, Cruise & Rail Tickets If airline, cruise and rail tickets have been issued, the rules of the fare will determine cancellation and/or amendment charges. It is often the case that air, cruise and rail tickets are non-refundable.

Unused Services Following the commencement of your tour, no refunds will be made for any services which you choose not to use or which you cannot use for any reason other than a reason within our control.

No waiver Regrettably, cancellation charges and fees cannot be waived. There can be no exceptions. Please note that employees of any overseas or domestic company or staff of Wendy Wu Tours outside Australia are not authorised to give any guarantees or agreements to customers in respect of refunds or any other matters. Please note Special Groups, Short Stays, Extensions & Tailormade tours may have differing cancellation fees, these will be communicated in writing at time of booking.

OTHER CANCELLATIONS OR RESCHEDULING In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure – Prior to travel If:

- in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or
- you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:

- reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or
- cancel your travel arrangements, in which case our contract with you will terminate.

If we cancel your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will either:

- issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 24 months of issue against any travel services offered by us; or
- refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure – During travel If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third-party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your tour or travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events as soon as you have paid a deposit.

Other Cancellations If we cancel your travel arrangements for reasons other than Force Majeure or a failure to satisfy minimum numbers (see below), you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

GOVERNMENT-IMPOSED QUARANTINE OR TRAVEL RESTRICTIONS If, within 75 days of your scheduled departure, you are subject to a mandatory quarantine or other travel restriction imposed by a government or public health authority (whether due to illness, close contact, or any other reason) and as a result you are reasonably unable to make use of the travel services booked with us, we will not be liable for any third-party costs, cancellation fees or prepaid arrangements, including (but not limited to) airfares, cruise bookings, or accommodation.

Similarly, if you are directed by a government or public health authority to quarantine or return home early during your tour, we will not be responsible for any additional costs you incur as a result, including extra accommodation, transport changes, or other amendments to your travel plans.

We will, however, make reasonable efforts to recover any refundable amounts on your behalf or to negotiate credits or deferrals with third-party providers, where possible.

MINIMUM NUMBERS Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled or re-costed. We will give you notice no later than 60 days prior to the trip's commencement. If the trip is re-costed, you will have the option to either accept the new cost or to cancel your booking. You must make this election within 14 days of receiving notice from us. If the trip is cancelled or if you cancel your booking in these circumstances, we will at your election refund all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, because of cancellation in these circumstances.

JOINING YOUR TOUR Airline schedules from different cities vary so travellers from some cities may need to make their own way to another capital city to join the tour or may require pre- or post-tour accommodation, a stopover or have a lengthy transit enroute to their destination. Any cost for accommodation, transportation (including but not limited to airport transfers) or meals incurred will be at the passengers' own expense. Our reservations team can assist with any of these additional services. If you have booked a land only option, please email a copy of your flight schedule and passport copy at time of final payment so we can arrange transfers and visas.

HOTELS Hotel descriptions featured on our website are based on current hotel guides provided by suppliers. Any facilities described are subject to change at any time. Maps and photographs are included for general information only and may not necessarily reflect actual routings, location or services. Wendy Wu Tours has made reasonable enquiries to verify that the descriptions and details are accurate but does not warrant that they are. We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

TRAVEL INSURANCE It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition. If you fail to provide a certificate of currency of insurance within a reasonable time after our request, then this will be deemed a cancellation by you and standard cancellation fees will apply (see 'Cancellation by You' above).

HEALTH REQUIREMENTS It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice. If you have doubts about your ability to undertake the trip, please contact us to discuss your circumstances prior to making a booking request.

Existing Medical Conditions If you have a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may materially affect the usual conduct of the trip, then you must advise us prior to or at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you are not fit to travel or will require special assistance which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition prior to or at the time you made your booking request, we will provide you with a full refund of payments made.

If you fail to provide a medical assessment within a reasonable time, then this will be considered a cancellation by you and cancellation fees and charges will apply (See 'Cancellation by You' section above).

Changes to Medical Conditions After Booking You must notify us as soon as possible of any new or changed medical or mobility condition that may reasonably be expected to increase your risk of needing medical attention or special assistance, or that may unreasonably affect the usual conduct of the trip. The provisions above will apply, including our right to cancel and apply relevant cancellation fees.

Undisclosed or Emerging Medical Conditions If, during the tour, we reasonably identify that you have a medical or mobility condition (including but not limited to cognitive impairment or behavioural issues) that was not disclosed prior to booking, and:

- it materially affects your ability to safely participate in the tour;
 - places you, our staff, or other travellers at risk;
 - requires special assistance we cannot reasonably provide; or
 - unreasonably affects the usual conduct of the tour,
- we may cancel your continued participation in the tour.

In such cases:

- You will not be entitled to a refund for any unused services; and
- We may arrange for your early return home and/or additional support, and you agree to reimburse us for any reasonable costs incurred in doing so.

Dietary Requirements Special dietary requests are required to be notified to us at the time of booking. We will endeavour to communicate your requirements to relevant suppliers. However, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. To the fullest extent permitted by law, we expressly disclaim any liability for meals or beverages that contain allergens.

TRAVEL DOCUMENTS & VISA PROCESSING A passport with a minimum of six months validity and at least 2 blank pages upon return to Australia is required for customers travelling to all countries in our programme. Visa fees are included for Australian passport holders in all fully inclusive Classic Tours and Go Beyond Tours. Non-Australian passport holders may incur additional fees and require additional documentation. Wendy Wu Tours may not be able to assist with processing the visas for some nationalities. If passports are not received by Wendy Wu Tours 75 days prior to departure, you may be required to pay an urgent visa processing fee, which we will advise at the time. Unless otherwise requested your passport will be returned to you with final documentation approximately three weeks prior to your departure date. If the customer requests the passports to be returned prior to this, an additional fee will be incurred. Responsibility for documentation accuracy, passport validity, purchase of additional required passport photos, the cost for sending passports to Wendy Wu Tours and dispatch of documents rests with the customer.

Wendy Wu Tours accepts no responsibility for any failure in this respect. Wendy Wu Tours does not issue foreign visas. We only submit passports and application forms for visas to be issued by the relevant authorities. Wendy Wu Tours cannot guarantee that any visa will be issued by the relevant authority and accepts no responsibility if a visa application is refused. Any cancellation fees or other expenses incurred by the customer due to the refusal of a visa will be entirely the customer's liability. Relevant authorities may require additional documentation to approve your visa application. The cost of additional documentation or application forms are at the traveller's expense. Please see our website for the most up-to-date information.

Late Bookings If a booking is made within 75 days prior to departure it is considered a late booking. Late bookings may incur additional fees including any applicable urgent visa processing fees. Wendy Wu Tours does not process visa applications for bookings made less than 30 days prior to departure but customers are entitled to apply for their own visas.

VACCINATIONS It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith and you must independently verify it. If suppliers refuse to provide you with travel arrangements due to any vaccination deficiency, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

SINGLE TRAVELLERS We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge if available on your flight itinerary, and a welcome cocktail on arrival) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Our Customer Services Team will contact you around 60 days prior to departure to let you know if a share partner has been found. If a share partner is found, the Single Supplement will be removed from your booking and refunded. If a share partner is not found, the Single Supplement will remain on your booking. Wendy Wu Tours reserves the right to change or withdraw this arrangement at any time. If the booking originated as a twin share booking and one traveller cancels, the remaining traveller will be charged the applicable single supplement. If the cancellation occurs more than 75 days prior to the tour departure date, the option to select 'Happy to Share' will apply if it is available on the selected tour. Our dedicated solo departures are guaranteed a single room with no additional supplement and do not have a 'Happy to Share' option.

DURING TRAVEL – Remote Areas You acknowledge that some tours visit and include overnight accommodation in remote areas which are located considerable distances from hospitals, medical centres or other forms of medical facilities. It may take many hours before you receive any professional medical attention.

You acknowledge that there may be occasions where you require first aid due to an accident, illness, injury or other health condition. You consent to our (and our suppliers') personnel providing you with first aid on the basis that: (a) they are not qualified medical professionals; (b) we make no warranties and expressly disclaim all warranties regarding the standard of care that may be provided; and (c) to the fullest extent permitted by law we will not be liable (and neither will our personnel) for any care given or omitted. If you are unable to do so yourself, you consent to us seeking and securing any medical treatment that we reasonably consider you require. This may include attendance or evacuation by air. You agree to reimburse us for any costs we incur in seeking medical treatment or evacuation on your behalf.

Refusal of Carriage We reserve the right to reasonably remove you from a group tour if, in our or our suppliers' opinion, your condition, conduct, or circumstances pose a material risk to your own safety or wellbeing, or to the safety, comfort, or enjoyment of others. This includes, but is not limited to, situations where you are physically, medically, or mentally unable to participate in the tour as planned, engage in disruptive or antisocial behaviour, or are found in possession of prohibited substances or materials. In such cases, you will not be entitled to any refund for unused services, and you will be responsible for any additional costs incurred because of your removal.

Seatbelts Please note that seatbelts are not compulsory by law in all destinations featured in this brochure and therefore the local people largely choose not to wear them. For this reason, local operators may or may not have seatbelts in vehicles or they may be hidden underneath protective seat covers. It is recommended that where seatbelts are available customers must use them and always remain seated while the vehicle is moving. As such, customers acknowledge that seatbelts may not be available and therefore travel at their own risk. Customers warrant that, to the fullest extent permitted by law, they shall not make any claim howsoever arising from injury or damage in respect of, arising from or contributed to by the absence of seatbelts and hereby release Wendy Wu Tours from all such claims.

Independent Services We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible for delivery. Leisure activities and services undertaken during free time is at the customer's own discretion.

Shopping & Other Services Shopping can be fun and entertaining, especially in local markets. However, Wendy Wu Tours, its staff and employees are neither qualified nor permitted to ensure or guarantee the quality or value of any goods purchased or the suitability of any retail outlets visited and the security of using a credit card to purchase such goods. In all cases the purchasing of goods and the use of a credit card for those transactions is always entirely at the customer's own risk and the customer must use their own discretion.

ACCEPTANCE OF RISK You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be because of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers. You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you

accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY – Services Supplied By Independent Suppliers Where a third party over whom we have no direct control (Independent Supplier) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control could include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us), attraction and venue operators and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Services We Directly Supply To the extent only that we are the principal supplier to you of travel arrangements or other services which we own, operate or control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and contractors (where we have direct control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

Recreational Services If we supply any recreational services to you, then to the maximum extent permitted by law we exclude any liability for death, physical injury or mental injury or any other liability referred to in section 139A(3) of the Competition and Consumer Act 2010 (Cth) resulting from our failure to comply with a guarantee that applies under Subdivision B of Division 1 of Part 3-2 of the *Australian Consumer Law*.

This exclusion does not apply to significant personal injury caused by our reckless conduct.

Recreational services means services that consist of participation in the activities referred to in Section 139A of the Competition and Consumer Act 2010 (Cth), being participation in:

- (a) a sporting activity or similar leisure time pursuit; or
- (b) any other activity that:
 - (i) involves a significant degree of physical exertion or physical risk; and
 - (ii) is undertaken for the purpose of recreation, enjoyment or leisure.

General Liability Limitation We do not guarantee our schedule. We will not be responsible for any loss or additional expenses you incur for any missed connections/ services attributable to delays.

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent possible. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

PROCEDURES FOR LODGING COMPLAINTS OR CLAIMS At Wendy Wu Tours we are committed to ensuring that we deal with complaints effectively and efficiently. Should the customer not be satisfied with any aspect of their arrangements they must immediately inform the National Escort or Local Guide who will endeavour to resolve the issue at the time. If this is not possible and you wish to lodge a complaint or claim this must be done in writing to Wendy Wu Tours in Sydney (or by email to customerrelations@wendywutours.com.au) within 30 days of the date of the completion of your Wendy Wu Tours arrangements. Relevant receipts and substantiating evidence must be attached to the letter of claim. If you fail to follow this procedure, this may limit your rights to make a claim.

Our complaints handling policy is available upon request.

AIRLINES Airlines featured in this brochure do not by virtue of their endorsement represent themselves either as contracting with any purchaser of a holiday from Wendy Wu Tours, or as having any legal relationship with such a purchaser. Frequent flyer miles may not be accrued on some packaged fares. Pre-flight seat allocation may not be available. If seat allocation, additional baggage, airport assist services or medical clearance is required and is permitted by the airline, this is to be booked by the traveller directly with the airline and additional fees incurred at the time of arranging these services is payable by the traveller. For details, contact our office. Schedule changes or flight cancellations are subject to the airlines policy and are outside Wendy Wu Tours control.

PRIVACY We are collecting your personal information so that we can process your booking. We will also keep you up to date with other Wendy Wu Tours' offers and product information that may be of interest to you if you have consented to this. You can opt out of receiving information at any time if you choose to do so. Any personal information you provide will be managed in accordance with Wendy Wu Tours' privacy policy, which can be viewed at wendywutours.com.au/help-and-advice/privacy-policy.

GENERAL This contract is governed by the laws of the state of New South Wales and any legal action arising therefrom shall be litigated only in the appropriate court in that state having jurisdiction in that claim.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.

You may not transfer your booking or any rights under these Booking Conditions to another person without our prior written consent.
