FULLY INCLUSIVE TOURING WITH WENDY WU TOURS

At Wendy Wu Tours we believe that everything you need to enjoy the holiday of a lifetime should be included in the price of your tour.

Take a look at what's included in all of our Classic Tours.

All Your Flights

All our tour prices include return international economy class flights from major Australian capital cities and any domestic flights you may need whilst on tour.

We only work with reputable scheduled airlines and of course all your pre-paid taxes and luggage is included in the price. We believe that your flights are an essential part of your holiday experience, and so our carefully selected airlines offer the utmost comfort, allowing you to arrive relaxed, refreshed and raring to go.

All Your Meals

Breakfast, lunch and dinner is included every day.

Whilst breakfasts tend to be a mixture of local eats and familiar dishes from home, when it comes to lunch and dinner, most of the time you'll be enjoying regional cuisine, often eating where the locals do.

We also include a select number of 'feature meals', so you get to taste the signature dishes of the region, whilst the rest of the time you'll eat a delicious range of your destination's best food.

All Your Accommodation

You can be safe in the knowledge that your accommodation has been selected to best suit the locations you'll visit.

Our Classic tours feature hand-picked four-star properties selected for their comfort, modern amenities and convenient location for sightseeing. We occasionally include a stay in three-star plus hotels or lodges where we feel the character of the property will enhance your tour.

All Your Guided Touring

On all of our group tours, you'll be accompanied throughout by one of our expert guides, known as a National Escort. Their dedication, personality and sense of fun will immediately put you at ease and make you feel part of the family.

You can place your trust in your National Escort, who will help you navigate the quirks and charm of local life with confidence and ease.

All Your Immersive Experiences

We not only take you to lesser visited places, but offer authentic experiences throughout.

Be it learning a local craft, practicing an old tradition or dining with locals, you'll get under the skin of our destinations and their cultures. Check out the Authentic Experiences box on each tour page for details.

All Your Local Transport

Most of your daily travels will be by air-conditioned coach, with plenty of space to stretch out.

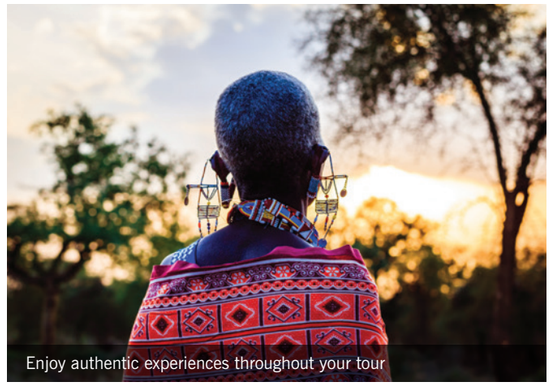

You'll also experience a variety of transport styles that bring each destination to life – from leisurely river cruises, cyclos, and rickshaw rides to longer journeys by comfortable flights or relaxing rail travel through picturesque landscapes.

Organising your visa yourself can be a time-consuming and costly addition to your holiday. Not with Wendy Wu Tours' hassle-free visa process.

The cost of your visa is included in the tour price for all Australian passport holders. What's more, our expert team will provide advice, coordinate your processing and safely return your passports, leaving you to simply enjoy your holiday. Awards are all well and good but it's our customer feedback that means the most to us.

"A well organised and planned tour of the key sites in Egypt. Wendy Wu's local and National Guides were excellent. Ahmed, our Local Guide, ensured everything ran smoothly for us from the moment we landed at Cairo airport. Our hotels, meals and luggage were organised seamlessly and all with a friendly and welcoming smile - brilliant. Faisal Islam, our National Guide, was extremely knowledgeable about the sites we visited and fitted them into wider historical context for us. Visits were organised to spare us the hottest of the day wherever possible. He was helpful and made us all feel safe and confident from the moment we met him. He broke up the long journeys to and from Abu Simbel with information and humour - a quality Egyptologist and tour guide.
Thank you Wendy Wu for a wonderful, informing and relaxing (at times) tour to remember."

Lesley Stone
(Dreams of Egypt – November 2025)

"Excellent. The itinerary was busy but that meant you saw a great deal and experienced so much of what Turkey has to offer. Our guide was very knowledgeable, informative, approachable and kind. Would definitely recommend and use Wendy Wu as a tour operator again if this trip is representative of their experience and organisational skills which were first class."

David Franklin (Treasures of Turkey – Nov 2024)

"I had a fantastic time on this tour. We saw a great deal of Morocco and I've left feeling like I've seen and done everything there is to offer. There was a great mix of inner cities, desert, and coastal towns, and some of the scenery whilst driving was spectacular. A big thank you to our guide Brahim who was kind, welcoming, and happy to answer all of our questions. The food was great and some of the dining settings were simply superb! I found the locals to be very welcoming and felt perfectly comfortable shopping in the souks alone during spare time. Thank you for a fabulous trip!"

Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?
A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Do you send us information about the destinations we will visit?
A. It is essential that you read the relevant Detailed Tour Itinerary before booking, which you can find on **wendywutours.com.au**, or we can arrange for one to be sent to you. If there are any particular challenges, such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Final documents including a day-by-day itinerary, hotel list, flight tickets, visa (if applicable) and travel guide insert will be sent three weeks before departure.

Q. Will I know which hotels I will be staying in before I go?
A. Hotel details will be sent with your final documents around three weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our local partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival or departure days, please contact us.

Q. How do I get my visa?
A. When you make your booking, we will advise you on the latest visa requirements for your destination. If your trip requires a visa, we will be in contact prior to your departure to explain the process.

Q. Do I need travel insurance?
A. It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations /repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time. We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition.

Q. What vaccinations do I need?
A. Wendy Wu Tours does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations.

Q. How fit do I need to be?
A. Our Group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the detailed itinerary which you can find on our website. Please contact us if you require any advice. Our range of Private tours are more flexible and may better cater for individual needs. Ask us for more details.

Q. What size are your tour groups?
A. Our Classic and Classic Flex tours have a maximum group size of 28, with on average around 20 to 22 travelling. Our Go Beyond tours are limited to 18 maximum, with on average around 14 in the group.

In Madagascar the maximum group size is limited to 12. Our Classic and Classic Flex tours operate with a seat-and-a-half per person policy, with exceptions outlined in the Detailed Tour Itinerary, allowing you to travel in comfort.

Q. Do you run guaranteed departures?
A. Group tours are guaranteed to run subject to a minimum of 10 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?
A. We offer several options for single travellers joining our tours. The first is to book onto one of our Solo Departures, which are reserved exclusively for solo travellers and have single occupancy of a double room built into the tour price (plus free access to an airport lounge if available on your flight itinerary) or, if you prefer, you can pay the single room supplement on a regular departure and have a private room reserved for you. Another possibility is to choose our 'Happy to Share' option at time of booking where, if we can find you a share partner of the same gender, your Single Supplement will be removed from your booking. We regret that Happy to Share requests cannot be accepted within 75 days of departure. Please note that 'Happy to Share' requests received at time of booking may not be confirmed until after your final payment due date. Our Customer Services Team will contact you around 60 days prior to departure to let you know if a share partner has been found. If a share partner is found, the Single Supplement will be removed from your booking and refunded. If a share partner is not found, the Single Supplement will remain on your booking.

Q. What is the maximum luggage allowance on your tours?
A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights and trains.

Q. What currency should I take?
A. We recommend you take the local currency and a credit/debit card. If travelling to more than one country it may also be advisable to bring some US dollars to exchange locally. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to travel?
A. Our group tour dates are based on the best time to travel in each destination, however as the Middle East, Europe and Africa are such large and varied regions there will be drastic differences between and even within countries, sometimes on the same tour. See individual tour pages and detailed itineraries in this brochure for further information about the seasons and climate in each destination.

WHILE ON TOUR

Q. Do you allow children on your tours?
A. We allow children 12 years and over on most of our group tours. Alternatively, private tours offer greater flexibility whilst on tour and are suitable for any age group. Any of our tours can be enjoyed as a private tour.

Q. What is the average age on your group tours?
A. The average age range is 40-65. Younger and older passengers travel with us too.

Q. What sort of vehicles do you use?
A. We use a variety of transportation to operate your itinerary at the best pace and to give you an authentic travel experience so you are not always 'removed' from the locals.

Domestic Flights: Planes are very similar to what you would travel on at home with allocated seats. Depending on flight duration meals may/may not be provided. Group members may not necessarily be seated together. The flight schedule of domestic airlines changes frequently, hence all domestic flights that appear in your itinerary are subject to change. Please ensure that all valuables and any items you may need for the rest of the day are carried in your hand luggage. The luggage limit is 20kg per passenger, and bags must be locked. Airlines currently do not allow liquids over 100ml (alcohol, spirits, wine, water, perfume etc) or sharp objects to be carried onboard the aircraft in hand luggage and these will be confiscated.

Road: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. On smaller private tours we use air-conditioned vehicles suitable for the size of the party. There will also be some instances where smaller vehicles such as jeeps are used to access certain areas. If this is the case this will be stated in your itinerary.

Boats: In Egypt you will cruise the Nile on a 5 star vessel, where the cabins have a private bathroom, air conditioner and river views while the communal area offers a swimming pool, outdoor bar, lounge, gift shop, restaurant and sauna & gym. You will enjoy various forms of entertainment in the evenings such as belly dancing and oriental shows.

Q. Is there a dress code on your tours?
A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings and smart casual clothes are recommended for evenings.

Q. Are meals included?
A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private Tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Are there shopping opportunities on your tours?
A. There will be an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?
A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What hours of the day do your tours operate?
A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do standards abroad compare with Australia?
A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in Australia. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. How does the tipping system work on your tours?
A. Tipping is expected in the Middle East, Europe and Africa. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or local guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, our local partners carry out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in Australia. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24-hour emergency support number.

Travelling Responsibly

For the last 25 years we've been taking groups of travellers to unique and spectacular places, and know full well how impactful, inspiring and horizon-broadening exploring the world can be. Over the years we have been building as many mutually beneficial, sustainable and responsible relationships as possible in the destinations that we visit, so they too are able to thrive.

Local Economic Empowerment

We believe travel should positively benefit the communities we visit. That's why we prioritise locally-owned restaurants, hotels, and experiences that support local businesses and create sustainable livelihoods. When traveling with us, you help empower local artisans, entrepreneurs, guides, drivers and so many others, ensuring that tourism leaves a positive, lasting impact.

Respectful Cultural Experiences

We are committed to fostering meaningful, authentic, and respectful interactions with the communities we visit. Our tours are designed to celebrate local traditions, honour cultural heritage, and support experiences led by local experts. We encourage travellers to engage with an open mind, follow local customs, and contribute to the preservation of cultural identity in a responsible way.

Lower Impact Travel

We are reducing our environmental impact by building more rail journeys into our itineraries, and promoting low-season travel. Trains offer a greener alternative to flying, lowering carbon emissions while providing a more immersive travel experience. By promoting more departures in the low season, we also help ease pressure on popular destinations, support local economies year-round, and create a more sustainable way to explore the world.

Sustainable Tourism Education

We believe responsible travel starts with awareness. That's why we provide our travellers with practical tips on reducing their environmental impact and supporting communities in a meaningful way. Through pre-departure resources and on-tour guidance, we empower our travellers to make informed, sustainable choices that help protect the destinations we visit for future generations.

Animal Welfare Matters

Some of the world's most memorable travel experiences involve encounters with animals. We believe travel should foster understanding and appreciation of the natural world, local cultures and different ways of life, while contributing positively to the environments and communities we visit. That is why we are committed to promoting responsible animal experiences with consideration for respect, care and welfare, and align with best practice standards.
