1 How it works

It couldn't be simpler. Every customer that you book onto one of our Classic or Go Beyond Group tours or Private tours earns you **one point**. Add up all your points over a two-year period, then 'redeem' them towards one of our eligible WU Travel Rewards tours (land only). You can even use your points towards a free place, for your travel partner to join you! Experience travelling on your "bucket list" Wendy Wu tour, just like a customer **BUT for FREE!**

Plus, earn one point for completing WUniversity online training. Keep an eye out for BONUS POINT offers!

2 Mark these dates in your calendar

Wu Travel Rewards start from **April 1, 2022**. Your points are valid from the start date of each booking for a **two-year rolling period**; therefore, points will expire outside this period so keep track of where you're at!

3 We're making it easy for you

Choose from a huge range of tours! Plus, to help you on your way, all group tour and private tour bookings **over \$2,500pp** will be included towards your tally – so how fast can you pack your suitcase?

4 Keep it simple!

You earn ONE point per customer, not per booking. For example, three customers on one booking earns you three points. The more bookings you make, the more points you earn, to get travelling sooner! There is no limit to how many times you can qualify within the rolling two-year period!

5 You need to contact us

Be sure to track your points and **email us** to claim your tour as soon as you qualify.
