1 How it works

It couldn't be simpler. **Every passenger** that you book on **any WWT product** (excludes special groups) **earns you one point***. Accrue your points over a maximum two-year period to 'redeem' them on one of our eligible **WU Travel Rewards** FREE Self-famil tours (land only). For as little as 9 points you could be exploring India's Golden Triangle **for FREE!**

2 Mark these dates in your calendar

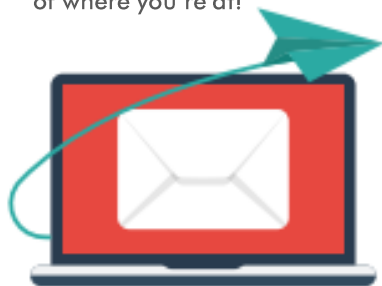

Wu Travel Rewards incentive started **April 1, 2022**. Your points are valid from the incentive commencement date for a **two-year period**; therefore, points will expire outside this period, so keep track of where you're at!

3 We're making it easy for you

Sell any product from our range of holiday options to over 40 amazing destinations! To help you earn more points, we include **all bookings with a minimum value of \$2,500 per person*** towards your tally, except for special groups.

4 Keep it simple!

You earn ONE point per passenger, not per booking. For example, three customers on one booking earns you three points. **The more passengers you book, the more points you earn**, which means you can get travelling sooner!

5 When to contact us

Be sure to track your points and visit our **AGENT PORTAL** to find which tour you are eligible to claim on. To claim email us at salesupport@wendywutours.com.au

6 Extras to allow for

International flights, taxes, visa's, tipping, some meals, drinks, spending money and travel insurance are all additional. We can assist with flights and visas on request.

7 Absolutely essential!

Get booking ASAP to get travelling sooner! Have fun experiencing one of our award-winning tours for FREE!
