Vietnam has a subtropical climate, during the months of **December**, **January and February** it is their equivalent to winter and this is the coolest time of the year. In southern and central Vietnam, the days can still be warm but the evenings cooler and dryer, making this one of the best times to visit this region. Northern Vietnam, especially in the mountainous areas such as Sapa, can get quite cold and experience light rains at this time of year and you will need a pullover or jacket. It can snow at this time in Sapa and surrounding areas. There are occasional storms in Central Vietnam.

During the months of **April and May** it is their equivalent to spring and **September and October** being autumn. These four months enjoy almost identical weather conditions, with usually mild and warm weather.

During the months of **March and November** Vietnam enjoys warm temperatures, with March being early spring and November being late autumn. These two months enjoy almost identical weather conditions with mild and less humid weather. However, in November, central Vietnam experiences occasional storms and the weather begins to get colder. You will need a pullover or jacket in mountainous areas like Sapa.

During **June, July and August** it is the wet season for most parts of Vietnam; their equivalent to summer, experiencing warm temperatures and humidity, which is relieved by the monsoonal rains that take place most afternoons.

Consider your packing carefully. Generally, casual clothes are recommended. Loose fitting, lightweight cotton materials are the most comfortable for warm conditions, layers of warmer clothes for cold conditions and a warm water/windproof jacket for wintry weather in the north. The dress code throughout the tour is casual however, it is important that all passengers dress conservatively. Smart casual clothes are highly recommended for evening banquets and shows.

Please note, due to restrictions on your internal flights, your luggage allowance is 20 kilos for checked luggage and 5 kilos for hand luggage.
