<b>Use a cane</b>	<input type="checkbox"/>	All our tours require passengers to be able to walk for at least 2-3 hours a day often on uneven surfaces, ascend flights of stairs without assistance and be responsible for carrying their own luggage at certain times. On some of our tours, passengers will also be required to negotiate embarking and disembarking from cruises, small boats and trains. It is also important to note that many sites overseas are not wheelchair accessible. For these reasons, our tours are not suitable for anyone with disabilities or reduced mobility, including passengers who require the use of a wheelchair. For more information, please contact our Customer Relations Department on 1300 727 998 or email <a href="mailto:customerrelations@wendywutours.com.au">customerrelations@wendywutours.com.au</a>

This may mean more of a change from your normal diet. <i>We suggest you discuss the management of your diet, with your Doctor.</i></p> <p>It is highly recommended that those passengers with food intolerances or special requirements take additional food items with them to supplement meals. This especially applies when travelling away from the major cities and areas within the Tibetan region. It cannot be guaranteed that your dietary requirements will be met, due to the limited food available.</p> <p><b>Please note:</b> <i>If you have a life-threatening allergy (Anaphylaxis), you are required to complete an additional <b>Food Allergy Waiver Form</b> which can be downloaded from our website or obtained by contacting our office on (02) 9224 8899.</i></p>
