Itinerary – India Adventure

Day 1: Arrive Delhi

Fly to Delhi for your overnight stay. Your National Escort or Local Guide from Wendy Wu Tours will meet you at the Delhi International Airport in the Arrivals Hall. Together with other group members who may be arriving at a similar time, you will transfer 45 minutes drive to your hotel and check-in.

Destination Information

Delhi - As the capital of India, Delhi is the largest city with a population of approximately 25 million. Its strategic location along the north-south, east-west route has given it a focal position in Indian history and many great empires have been ruled from here. Jaipur - Was founded in 1727, at a time when Mughal power within India was declining. At this time the then Maharaja Jai Singh moved his capital from Amer Fort down onto the plain below. The city is now the capital of Rajasthan State and commonly called the 'Pink City' because of the pink paint on the buildings in the old city area. This was apparently done to imitate the magnificent, red sandstone buildings of the Mughals and in an attempt to impress the Prince of Wales when he visited Jaipur in 1876.

Day 4: Jaipur

Start the day off with a 1 hour yoga session at your hotel. Sightseeing begins with a photo stop at the Hawa Mahal (Palace of the Winds) in downtown Jaipur. Tourists are unable to enter, so you will view it from the road opposite. Continue to the impressive Amer Fort, where you will ride jeeps to and from the bus park and palace entrance. Sightseeing this morning involves 2 to 3 hours on foot and there are a number of steps within the fort. Afterwards, tour the City Palace in Jaipur and Jantar Mantar, the UNESCO World Heritage listed ancient observatory. Tour a rug factory to learn more of this local handicraft and visit a gem-cutting workshop, another handicraft of the region. (B,D)

Udaipur - The origins of Udaipur are based on a legend which tells of a holy sage that Maharaja Udai Singh encountered while hunting in the foothills of the Aravalli Range in Mewar. The sage told the King to build a palace in that exact spot and it would be well-protected and so with this advice, Maharaja Udai Singh built his residence there. At the time, Chittorgarh was the capital of Mewar state, however in 1568 Chittorgarh was attacked by the Mughal emperor Akbar, and so Maharaja Udai Singh moved the capital to Udaipur. Today, the City Palace of Udaipur is still home to Maharaja Udai Singh's descendents who remain rulers of this independent state. You will be able to tell if the Maharaja is in residence by the flag hanging from the palace wall.

Lake Pichola - The 4km long Lake Pichola is fringed with hills, palaces, havelis, ghats and temples. While on the cruise you will see the Lake Palace, formally known as Jag Niwas, built between 1734 and 1751. It was once a royal summer retreat and is now one of the world's greatest hotels. It is also a popular location for film shoots, including James Bond's Octopussy.

The tour takes you such sites as Hazuri Bhawan, the headquarters of the Radhasoami faith, the ancient Mankameswar temple, Jama Masjid, one of the largest Mosques in Agra and to the Spice & Ayurveda market.

Destination Information

Fatehpur Sikri - Fatehpur Sikri was built by Emperor Akbar in 1569 after it was prophesied that the then childless Akbar would have sons if he moved his capital to the site. At great expense to the empire, the capital was moved here but sadly only occupied for 14 years before slowly being deserted and ruined after Akbar left the city due to a scarcity of water.

Agra - Home to the world famous Taj Mahal. Agra rose to fame in the mediaeval period as the capital of the Mughal Empire and was beautified with gardens, waterfalls, bathhouses and canals. In modern times, the city of Agra houses a thriving carpet industry.

Day 14: Agra

Begin the day by viewing the Taj Mahal in all its glory as the sun is rising. Firstly, board your group coach and drive through the awakening streets of Agra (an early start means that we can avoid the heat and crowds at the Taj Mahal later in the day). The group will disembark the coach and board smaller electric carts to continue to the entrance gate. After clearing security and baggage checks you will be admitted to the complex. You will spend approximately two hours here; sightseeing is easy with almost no steps. For admission to the main mausoleum area, you are required to wear shoe covers (this may be provided on site – be prepared to bring an additional pair of socks).

Return to your hotel to freshen up and have breakfast. Explore the magnificent Agra Fort, sightseeing here involves approximately an hour and a half on foot and there are some stairs to walk up. Later, drive 4 hours to Delhi for a farewell dinner hosted by a local family. (B,L,D)

The walls and minarets have already been restored to their earlier state of glory, but the work continues on other parts of the building.

Destination Information

Taj Mahal - One of the most recognisable monuments in the world, the Taj Mahal is a white marble monument found on the southern bank of the Yamuna River. Its imposing red sandstone ramparts form a crescent along the riverfront and encompass an enormous complex of courtly buildings, ranging in style from the early eclecticism of Akbar to the sublime elegance of Shah Jahan. Insurance

We strongly encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the originals.

Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking.

Eating in India

Indian cuisine is one of the most influential, diverse and flavoursome culinary styles in the world. Indian dishes incorporate many spices and seasoning to create an explosion of flavors. Though Indian cuisine can vary greatly from the Indian food we get in Australia, it is important to keep an open mind and be adventurous. Meals as listed on the above itinerary (excluding drinks) are included in our India Adventure group tour. Please be aware that dishes selected for your meals reflect the cooking styles and signature dishes of the local area you are in.

Dishes served in restaurants on our group tours are varied. Some will be vegetable-based with meat mixed in, and a few will be meat-based. Our restaurants are well aware of the western palate – there are plenty of non-spiced options. When eating meals on group tours, you will be seated around a circular table with other tour members. Dishes will be served in the traditional 'family style'; meaning that various dishes will be laid out in the centre of the table top. These dishes are intended to be shared amongst the group – there is always more than enough to feed everybody.

Please read your travel guide, which you will receive with your final documents for more information about eating in India. We recommend that when it comes to Indian food, you stay open minded and try to be adventurous!

Evenings at Leisure:

Due to the more intrepid nature of our Go Beyond clients, and to give you more flexibility and choice when travelling on selected tours; we have carefully balanced special highlight meals with evenings at leisure so that you can explore the many culinary delights that India has to offer. Alternatively, you can use this time to enjoy the facilities of your hotel. Your National Escort will be happy to provide you with advice about good places to eat and assist in the booking of transportation to get you there (at your own expense).

Accommodation

All group tour hotels have private western bathroom facilities, air conditioning, TV and a telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort or Local Guide. Please note double bed requests can be made at time of booking but can't be guaranteed.

Your accommodation has been selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family-run guesthouse in a smaller town or a heritage-type hotel. In remote areas, accommodation may be of a lower standard and may not have western amenities. Hotels are generally rated as local three to four-star standard but do please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and India. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards are met.

Throughout Rajasthan state you will get the opportunity to stay in heritage properties which are restored palaces or forts. As these properties were not originally designed to be hotels, the room sizes will vary in the same accommodation category, as will the décor and layout. This uniqueness only adds to your experience in India.

Transport

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Due to Indian Government regulations the use of curtains, tinted glass windows are prohibited across India. Main and inner-city roads in India have a reputation for being very congested. For this reason, it may not always be possible to return to your hotel after sightseeing to freshen up before going to the restaurant for dinner. Roads in India have generally been improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just one or two kilometres as you may be used to. For this reason, the timings listed in the sections above are approximations only.

Planes: Internal flights are based on economy class, with reputable airlines. Pre-flight allocation is not available on international and internal flight sectors.

Development in India

Although India is developing quickly, it still lacks the international standards of civil infrastructure and tourist facilities. Concepts of personal responsibility are also different to those in Australia. Consequently, tourist and public facilities may not uphold the same safety standards as in Australia; for example, you may see a hole in the road without a warning sign or safety barricade. All of our suppliers meet local safety standards as a minimum. We want you to have an enjoyable holiday so we ask that you take extra care, use your common sense, refer to notices and follow advice from your National Escort or Local Guides.

Public Holidays in India

If you are travelling within the below Indian Public Holidays please note that celebrations can last a couple of days and during these times some businesses will be closed, and coach, air and train travel may be affected. Tourist attractions will be open but may be crowded. India Republic Day is on 26th January, the Holi Festival – 10th March 2020 (The Hindu 'Festival of Colours' can include locals smearing coloured powder on one another. Every effort will be made to minimise the effect on passengers whilst touring). Diwali Festival is on 14th November 2020.

Souvenirs

We want to be able to give you an opportunity to buy souvenirs so we include some stops at museums or exhibitions, which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest; for example, in Agra you will be able to see local artists creating stunning marble pieces, similar to what is used on the Taj Mahal. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

Group Size

Most of our groups consist of 10 travellers or more and will be accompanied by a National Escort. There will usually be no more than 18 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with Local Guides.

Tipping Policy

Local tipping is customary in Asia. However, this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, with years of experiences in providing the best customer service, Wendy Wu Tours operates a kitty system on our Group Tours, so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each Group Tour page will be advised again on your final documentation. Tipping is in US Dollars and will be collected by your National Escort on arrival and distributed throughout the tour on your behalf. Any additional tipping on any of our tours is welcomed at your discretion. Further guidance for tipping contributions will be outlined in your final documentation.

Cultural Difference

India has many religions, cultures and histories. Foreign tourists, particularly female travellers, may be stared at as Indian women in some areas generally do not go out without their father or husband. Please be considerate of this, the local beliefs and customs and dress with consideration and modesty

Appropriate Dress

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows

When visiting temples or mosques, both men and women should dress in conservative, non-revealing clothing. Full-length trousers with a shirt or t-shirt for men; and pants or skirts well below the knee with a top that covers the shoulders and upper arms for women. Women might also consider carrying a 'modesty shawl' in their backpack – this could be a sarong or light scarf – which they can wear over their shoulders and heads to feel more comfortable while sightseeing at mosques. When visiting Jain temples, you must not wear or take in any leather items such as belts, watches, camera straps, purses and shoes.

Religious sites and homes throughout India – for Hindus, Jains, Sikhs, Muslims or Buddhists to name a few – require all visitors to remove their shoes to enter. Even if you then need to walk outdoors, over hot or rough ground, you will not be allowed to wear shoes. You will often find shoe storage rooms near the entrance of a site where it is customary to leave your shoes near the entrance. Occasionally there are 'shoe minders' who will offer to keep your shoes safe for a 'tip' – this is not compulsory so each customer can choose to tip for this service or not. If you do not want to remove your shoes, you will have to remain outside.

We recommend shoes that easily slip on and off, and carry a pair of thick, old socks in your backpack, which you can wear to protect your feet from any rough or hot surfaces.

Climbing Steps

Sightseeing at nearly all of the palaces, fortresses and some temples involves climbing quite a number of steps. These palaces were built to provide defense against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails. Hindu and Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside.

People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

Safari Bookings in Ranthambore National Park

To ensure your safari booking at Ranthambore National Park we will require a scanned copy or photocopy of the bio page in your passport along with a deposit. Wendy Wu Tours cannot confirm your safari arrangements without this information.

Packing list and Climate

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on www.weather.com

Luggage

All travellers are limited to two items of luggage each; a suitcase with a maximum weight of 15kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

Exchanging Cash

It is highly recommended that when travelling to cities outside of Delhi and other main cities that extra care and attention is paid when exchanging money. US Dollars are easily exchanged throughout India however, other currencies such as Australian Dollars can generally be exchanged in hotels and airports provided notes are new and undamaged. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Your National Escort/Local Guide will remind you to do this before departure.

Personal Expenses & Optional Tours

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of \$350AUD per person, per week should be sufficient; however, for those that can't resist a bargain or may wish to participate in all of the optional excursions, consider allocating a higher amount.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available. Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

Vaccinations and Your Health

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

Before You Leave

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

After your booking

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice followed by deposit documentation, which includes a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 3 weeks prior to departure.
