- You will be required to get on and off varying sizes of boats throughout the tour often without assistance.

## Country Profile: Vietnam

Vietnam is a country of breath-taking natural beauty with an incredible modern day history that quickly becomes addictive. It has experienced war and a bloody revolution in the past 100 years, but the revolution now underway is peaceful and prosperous. The speed of the modern day changes is making Vietnam the absorbing and gripping place that it is today.

Vietnam has something to offer everyone, so whether you are a culture vulture, thrill seeker or just looking to relax and take in the beaches, Vietnam will not disappoint.

## Itinerary Changes

1. It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate. In these circumstances we will make the best possible arrangements maintaining the integrity of your trip.
2. Vietnam Airlines' domestic flights are subject to frequent changes. For this reason we have indicated morning, afternoon or evening flights only. Your Local Guide or National Escort will inform you of any schedule changes as they are informed of them.
3. There will be an opportunity to view The Mausoleum in Hanoi from the outside but we no longer include a visit due to restricted opening hours.
4. The Halong Bay Authorities are taking extra precautions to ensure the safety of all passengers cruising around Halong Bay. Weather conditions such as mist, fog, wind, rain and storms may delay the departure time of your cruise, or in some cases your cruise may be cancelled. Notifications of any delays or cancellations may not be known until your group's arrival in Halong Bay. If your cruise is cancelled after

your arrival in Halong Bay, you will have lunch in Halong City and return to Hanoi where you will spend the evening in a hotel. If notification of the cruise cancellation is given prior to your departure for Halong Bay an alternative day trip will be arranged to Hoa Lu and Tam Coc or 'Halong Bay on Land', an area located approximately 2 hours from Hanoi. Our guides will make every effort to inform the group at the earliest possible moment should there be any itinerary changes.

## Important Information Regarding Flight Delays

Due to unforeseen circumstances, flights can be delayed, and therefore connecting flights may be missed. If you find yourself in this situation, please contact our Vietnam office on **+84 989 559 488 (24 hours)** to urgently advise your arrival details have changed. Please ensure you have your trip number, tour name (both included in your final documentation) and new arrival details (flight number and arrival time) handy to pass on to our local office in Vietnam. This will ensure your National Escort/Local Guide can be informed of your most up to date information and ensure someone is at the airport to meet you on arrival.

If we are not advised of late changes and missed connections, Wendy Wu Tours cannot guarantee someone will be able to meet you upon arrival in Vietnam as our local office will have no way of knowing which flight you will be arriving on. Wendy Wu Tours will not be responsible for providing reimbursement of transportation costs from the airport to your hotel in the event that our local office was not advised of changes to arrival time.

## Vietnam Trails Itinerary

### DAY 1: AUSTRALIA TO SAIGON

Fly with Vietnam Airlines to Saigon for a three-night stay. Your National Escort/Local Guide from Wendy Wu Tours will meet you at the Saigon International Airport in the Arrivals Hall. Together with other group members who may be arriving at a similar time, you will transfer to your hotel and check-in. In the event of flight delays or changes to arrival times, please see the details above as to what to do in this circumstance.

### Destination Information

**Saigon** - The exuberant city of Saigon is driving Vietnam forward into the modern world, but is also a treasure trove of fascinating heritage. During the 1960s and early 1970s, Saigon was the Pearl of the Orient, which flourished under the American occupation. In more recent times, it was the seat of the South Vietnam

government until the events that led to the country's reunification. Today, the old mixes seamlessly with the new and you can wander through timeless alleys to incense-infused temples before catching up with the present in designer malls beneath sleek skyscrapers.

### DAY 2: DISCOVER SAIGON

Confront the reality of guerrilla warfare at the Cu Chi Tunnels. The cramped tunnels were central to a few of the war's strategic operations, including the famous 1968 Tet Offensive, and they did not escape damage. American B52 bombers dropped hundreds of missiles leaving huge tell-tale craters behind. The Cu Chi experience can be emotional for some visitors, but it offers a fascinating window into the hardship and traumas of war. This afternoon explore modern day Saigon with its heady mix of local culture and colonial influences. Visit Notre Dame Cathedral and the Central Post Office, the Reunification Palace and the chilling War Remnants Museum.

### **Destination Information**

**Cu Chi** - the tunnels of Cu Chi are an immense network of connecting underground tunnels located in the Cu Chi district of Ho Chi Minh City (Saigon), Vietnam, and are part of a much larger network of tunnels that underlie much of the country. The Cu Chi tunnels were the location of several military campaigns during the Vietnam War, and were the Viet Cong's base of operations for the Tet Offensive in 1968. The tunnels were used by Viet Cong soldiers as hiding spots during combat, as well as serving as communication and supply routes, hospitals, food and weapon caches and living quarters for numerous North Vietnamese fighters. The tunnel systems were of great importance to the Viet Cong in their resistance to American forces, and helped to counter the growing American military effort.

**Notre Dame Cathedral** - Influenced by French design and built between 1863 and 1880, the red brick exterior and 60m bell towers overlook downtown Saigon.

**Central Post Office** - Located next to the Notre-Dame Cathedral. The Central Post Office building was constructed in the late 19th century. It counts Gothic, Renaissance and French influences and was designed by Auguste Henri Vildieu and Alfred Foulhoux, but is often erroneously credited as being the work of Gustave Eiffel.

**Reunification Palace** - Built on the site of the former Norodom Palace, is a landmark in Ho Chi Minh City, Vietnam. It was designed by architect Ngo Viet Thu and was the home and workplace of the President of South Vietnam during the Vietnam War. It was the site of the end of the Vietnam War during the Fall of Saigon on 30th April 1975, when a North Vietnamese Army tank crashed through its gates.

**War Remnants Museum** - Comprised of numerous buildings displaying military equipment, photographs and artefacts relating to the Vietnam War from 1961-1975. This museum illustrates a harrowing period in this nation's history.

### **DAY 3: MEKONG DELTA**

Drive 2 and a half hours down to the picturesque province of Ben Tre situated along the mighty Mekong. This area is known as the 'Rice Basket of Vietnam', because its rich and fertile lands produce huge amounts of rice, coconuts, vegetables and tropical fruit. Spend the day cruising and exploring, travelling by motorised, wooden boats between the islands and changing to smaller, paddleboats in the canals. Sightseeing involves

hopping on and off these boats, often on unsteady and slippery surfaces, sometimes without handrails or assistance. Return to Saigon this afternoon.

### **Destination Information**

**Mekong Delta** - Although primarily rural, the Mekong Delta is a densely populated area where life progresses around its fertile banks. The Mekong Delta is the 13th longest, and the 10th largest river, by volume alone and people live, trade, travel and even go to school on the riverbanks. The rice which is cultivated in the many farming lands is said to be enough to supply the entire country with a little extra.

### **DAY 4: JOURNEY TO HOI AN**

Fly 1 hour and 15 minutes to Danang and transfer to the charming town of Hoi An. This afternoon enjoy a walking tour of the narrow and ancient streets of this charming town. We will visit one of Hoi An's oldest homes, built over 200 years ago and still occupied by the descendants of the merchant family that originally built it. We will also visit the traditional Hoi An Market, the Quan Cong Chinese Temple and the Japanese Covered Bridge.

### **Destination Information**

**Hoi An** - Perhaps more than any other place in Vietnam, Hoi An retains the feel of centuries past. Once known as Faifo, Hoi An was an influential port along the Silk Road. For over 500 years merchants from China, Japan, France and Portugal settled in the prosperous town resulting in a distinctive blend of culture, cuisine, religion and architecture.

**Japanese Covered Bridge** - First constructed in the 1590s to link the Japanese and Chinese quarters of the town. This iconic pink hued bridge has been restored to its former splendour.

### **DAY 5: HOI AN COOKING CLASS**

This morning head to the colourful market to experience the amazing sights, sounds and aromas. There will be an opportunity to interact with the local sellers and purchase some of the ingredients to be used in our cooking class today. Next head to a restaurant, where you will be given demonstrations of how to make some of the regions specialties, have a go at cooking yourself before enjoying the dishes you have prepared for lunch. The remainder of the afternoon is free at your leisure to explore the ancient town, or go to the beach

## **DAY 6: HOI AN**

Enjoy a free day in Hoi An at leisure.

## **DAY 7: IMPERIAL HUE**

Drive from Hoi An to Hue this morning. The drive is approximately 4 hours and will take you over the scenic Hai Van Pass. Hue is the epitome of Vietnam's dynamic past, and considered a scholarly city. Upon arrival, visit the Imperial Citadel and the Forbidden Purple City which is still being restored many years after the destruction caused by street fighting and bombing during the American War in Vietnam. Explore the Royal Tomb of Minh Mang; the complex comprises of almost 40 monuments and is surrounded by gardens and pools, making it one of the more beautiful tombs. Continue by road to Thien Mu Pagoda and take a cruise on the Perfume River.

### **Destination Information**

**Hue** - Having been the imperial capital from 1802 until 1945 after the last emperor abdicated; Hue is still regarded as the centre of Vietnam's culture and religion. The city is dominated by the Imperial Citadel that is modelled on the Forbidden City in China. There are many wonderful pagodas and temples of high significance and it contains the Grand Tombs of the Nguyen Emperors.

**Imperial Citadel** - A walled fortress accompanied by cannons, artilleries and surrounded by a moat for protection. Inside the Citadel are numerous gates, courtyards and the Forbidden Purple City.

**Forbidden Purple City** - Constructed for personal use by the Imperial family, their concubines and eunuchs. This royal structure is still being restored many years after the destruction caused by street fighting and bombing during the American war in Vietnam. Wander the grounds and foundations whilst viewing the remaining woodwork and architecture.

**Royal Tomb of Minh Mang** - Emperor Minh Mang reigned in the Nguyen Dynasty, the last of the Vietnamese dynasties, from 1820-1840. The construction of his tomb was completed after his death and is said to have taken approximately 10,000 workers to complete. The complex comprises of almost 40 monuments and is surrounded by gardens and pools, making it one of the more beautiful tombs in Vietnam.

**Thien Mu Pagoda** - This seven-storey octagonal tower built on a hillock, overlooking the Perfume River is Hue's oldest and most beautiful pagoda. Wander the grounds

where bonsai, ponds and the smell of incense set a peaceful backdrop.

## **Day 8: TRAVEL TO HANOI**

This morning fly 1 hour and 20 minutes to the charming city of Hanoi where you will check into your hotel and enjoy the rest of your day at leisure.

### **Destination Information**

**Hanoi** - With a population of approximately four million, Hanoi is a charming and richly historic city of lakes, shaded boulevards and leafy open parks. The centre is an architectural museum piece housing groups of ochre coloured buildings holding the air of provincial French towns of the 1930s, a "Paris of the Orient" as people have called it.

## **DAY 9: EXPLORE HANOI**

Discover the sights of Hanoi today. First stop will be the Ho Chi Minh Quarter and visit Ho Chi Minh's Mausoleum, followed by the Humble House on Stilts and the One Pillar Pagoda. Next drive to the serene Temple of Literature, Hanoi's first university. Later experience an exhilarating cyclo ride through Hanoi's Old Quarter. Each cyclo takes one passenger and is operated by a cycle driver behind the carriage. Later enjoy a traditional Water Puppet show.

*Ho Chi Minh's Mausoleum is closed for entry on Mondays and Fridays every week and from September to December each year. During these times we are unable to enter the Mausoleum; however, we can view it from the outside*

This evening transfer to the station to board your overnight train to Lao Cai station. You may have to carry your luggage over numerous train tracks to reach your platform and carriage because of the layout of Hanoi station. You will be sharing a 4 berth cabin with other passengers who may not be part of the Wendy Wu Tours group. Private use of the cabin is available but it is at an additional cost. Wear comfortable clothes on board to sleep in and take snacks as none are readily available. This journey usually takes 9 hours (over 340km) and can be quite bumpy.

*You will need to pack a smaller overnight bag for your trip to Sapa. Main luggage will be left in safe storage at the hotel in Hanoi and picked up your return.*

### **Destination Information**

**Ho Chi Minh Quarter** - Dedicated to the father of modern Vietnam and where Ho Chi Minh's Mausoleum stands in Ba Dinh Square. Ho Chi Minh first declared independence from French rule in 1945.

**One Pillar Pagoda** - Rebuilt in 1955 after damage during the French evacuation, the pagoda is made of wood and sits on a single pillar. Designed to reflect the shape of a lotus flower emerging from the water, it has become a popular spot for locals to enjoy the tranquil surroundings.

**Humble House on Stilts** - In the grounds of the Presidential Palace sits the 2 storey wooden home of Ho Chi Minh who ruled Vietnam from here until his death in 1969.

**Temple of Literature** - Hanoi's first university dating back to 1070 and a historical centre of learning, now dedicated to Confucian worship.

**Hanoi Old Quarter** - A maze of streets weaving through Hanoi and dating back to the 13th century. Each street specialises in merchants and artisans selling their wares of silk, silver, wood and more.

**Water Puppets** - Vietnamese Water Puppets were invented thousands of years ago by farmers in the Red River Delta region near Hanoi, as a means to entertain themselves when the rains flooded their paddy fields. Today puppeteers stand in waist deep water and control the puppets via poles and strings. Most plays focus on folklores and tales of rural life.

#### DAY 10: SAPA

Arrive into Lao Cai station early this morning and drive on a winding, mountainous road up to Sapa. Store your luggage at the hotel before a day in the mountains. After breakfast, you meet your guide and transfer to the small Giay village of Ta Van, in the breathtaking Muong Hoa Valley. Enjoy a scenic 1 and a half hour walk through the tranquil rice terraces towards the Black H'mong village of Lao Chai. Marvel at the cascading paddy fields that cling to the mountainside and take in one of Vietnam's most breathtaking views before heading over to nearby Lao Chai village where you will learn the art of Batik painting. Join a hands-on master class led by a local expert and take your creation home. The day concludes with a stroll to the main road before transferring back to Sapa town.

#### **Destination Information**

**Sapa** - Located 1,600m above sea level and close to the Chinese border. This mountainous area with its spectacular landscapes and temperate climate is sure to make a lasting impression on its visitors. The H'mong and Dao people, the largest and most colourful ethnic groups in the region, are a cultural highlight.

**Batik Painting** - The beautiful textiles of the Black H'mong are famous around the world and Batik is a traditional part of H'mong culture. Under threat from modernization, Batik is now only practiced by a handful of villagers. By taking part will be supporting a sustainable tourism project that supports local women and ensures this amazing art form is handed down to the next generation.

#### DAY 11: SAPA

Start this half-day walking tour by visiting the rustic village of Suoi Ho. Take a stroll through its sleepy streets and get a glimpse of village life. Later, enjoy views of the stunning countryside as you walk along the Suoi Ho River, en-route to the second village of Ma Tra. Soak in its vibrant culture and visit its quaint Christian church before being picked up by car and returning to Sapa Town. Walking today will be approximately 3 and half hours.

#### DAY 12: SAPA - HANOI

This morning you will have a chance to reach to the summit of Vietnam's highest peak, Mt. Fansipan by a brand new cable car to admire stunning views of Muong Hoa valley and Hoang Lien National Forest from above. The cable car transports you from the base of the 3,143m Mt. Fansipan to its highest point within 15 to 20 minutes. The cable car stops near the top of Mt. Fansipan and you then have the option to walk up about 600 steps to reach the summit. Next, continue your tour visiting Sapa Museum.

Later transfer to Lao Cai railway station. Dinner is at a local restaurant nearby before boarding our overnight sleeper train back to Hanoi.

#### **Destination Information**

**Mt. Fansipan** - Known as the 'Roof of Indochina,' the 3,143m high Mt. Fansipan is located in Vietnam's Lao Cai province very near to the town of Sapa.

#### DAY 13: CRUISE HALONG BAY

Arrive early in Hanoi and freshen up before driving 4 hours to Halong, where you will take an overnight cruise to the far-most corners of the bay on a traditional Vietnamese boat. There is usually a crowd of boats at the docks; however, the cruise itself will be scenic and relaxing. Boarding your boat could involve navigating your way over and through other boats, moored between it and the dock, sometimes without handrails, ladders or assistance from staff.

The boats usually hold about 40 passengers; have an enclosed dining area and an open area on the upper deck. Enjoy lunch onboard as you cruise out into the bay,

stopping to anchor for an afternoon of activities (which are subject to change due to cruise selection and weather conditions). Sightseeing includes visiting underground caves on the islands, which require climbing up and down steps inside and outside of the caves. End the day on deck with a drink in hand to watch the sunset over the bay followed by a freshly prepared dinner, before retiring to your cabin for the night.

*You will need to pack a smaller overnight bag for your trip to Halong Bay. Main luggage will be left in safe storage at the hotel in Hanoi and picked up your return.*

*Please note: Weather conditions such as mist, fog, wind, rain and storms may delay the departure time of your cruise, or in some cases your cruise may be cancelled. Notifications of any delays or cancellations may not be known until your group's arrival in Halong Bay. If your cruise is cancelled after your arrival in Halong Bay, you will have lunch in Halong City and return to Hanoi. If notification of the cruise cancellation is given prior to your departure for Halong Bay an alternative day trip will be arranged to Hoa Lu and Tam Coc or 'Halong Bay on Land', an area located approximately 2 hours from Hanoi. Our guides will make every effort to inform the group at the earliest possible moment should there be any itinerary changes.*

#### **Destination Information**

Arrive home today.

## **VIETNAM TRAILS TRAVEL INFORMATION**

### **Visas**

Entry visas are required by all visitors to Vietnam and Wendy Wu Tours Visa Department can assist you with the process of obtaining a visa.

We will supply you with all paperwork and submit the visa application on your behalf. Visas for Vietnam are issued with specific start and expiry dates which are based on the dates stated on the visa application form. Travel must be completed within those dates. Please be advised that your passport must have at least 6 months validity left on it when you arrive back into Australia.

Visa application forms and all relevant documentation are **due in our office 75 days prior to departure**; if received after this, urgent visa processing fees will apply. Also, please note we do not accept passports and visa applications within 30 days prior to departure. Passports will be returned with your Final Documentation **2-3 weeks prior to your group tour's scheduled departure**. If you require your passport to be returned earlier, a \$15 courier fee will apply.

### **Insurance**

We strongly encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the originals.

## Eating in Indochina

Indochina is home to an incredibly rich food history. The local cuisine is known for its intense flavours, spices and some of the freshest ingredients you can find. In general, meals include either rice or noodles and are packed full of flavour. Lemongrass, ginger, lime leaves, coriander, fish sauce and soy sauce are used in most local dishes. The food has a reputation for being hot and spicy, each region actually has its own distinct characteristics. Vietnam, for example, is perhaps best known for its fresh and aromatic dishes – relying heavily on flavours from fresh herbs such as mint, basil and dill.

Your itinerary has been carefully crafted to introduce you to a range of local dishes and we hope that you enjoy the culinary adventure ahead. All meals (excluding drinks) are included in our fully inclusive group tours from dinner on the day of your groups' arrival until breakfast on your day of departure. When dining in Vietnam, although some restaurants have adopted a western approach to dining, expect some restaurants to follow the traditional communal style of eating. Typically, this will mean each diner has their own small bowl and may serve themselves from a variety of shared dishes. At some local restaurants, appetisers and main courses might be served when they are ready instead of following a particular order.

Determining when it's appropriate to use chopsticks, forks or spoons can be challenging for some travellers, even other Asians, as each country has different customs. In Vietnam, dishes are normally placed in the centre and people serve food for themselves with their own chopsticks and bowl. In Thailand and some other countries in Indochina, forks and spoons are used for most dishes and chopsticks are typically provided to eat noodles. Usually chopsticks or other utensils are provided to scoop the food into your bowl to prevent your own chopsticks from touching the food that remains on the table. Dining in Vietnam is fairly casual with not too many rules. Leaving food on the plate is not considered rude.

Please refer to your travel guide for more information on Vietnamese cuisine, including information for travellers with restricted diets.

## Accommodation

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and Indochina. All group tour hotels have private western bathroom facilities, air conditioning, TV and telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort/Local Guide.

Rests assure that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standard meet your needs.

Please note double bed requests can be made at time of booking but cannot be guaranteed.

## Transport

**Coaches:** Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in Southeast Asia have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just one or two kilometres as you may be used to. For this reason, the timings listed in the itinerary are approximations only.

**Seatbelts:** Please note that seatbelts are not compulsory by law in Indochina and therefore the local people largely choose not to wear them. For this reason, some vehicles may not be fitted with seatbelts or they may be hidden underneath protective

seat covers. It is recommended that where seatbelts are available customers must use them and remain seated at all times while the vehicle is moving. If you have any concerns, please notify your National Escort/Local Guides.

**Planes:** Internal flights are based on economy class, with reputable airlines.

**Rail Journeys:** This trip involves two overnight train journeys where you will share a 4 berth cabin with other passengers. Please refer to your Travel Guide for more information. We will always endeavour to keep group members together in the same compartment, however there may be times where this is not possible. In this case, you may find yourself sharing with group members of the opposite gender and other travellers. Facilities on board are basic with both Western-style and Asian-style toilets. Some members of the group will be allocated a berth on the middle or top of the cabin, so please be prepared to climb ladders in and out of bed.

## Development in Vietnam

Although Vietnam is developing quickly, it still lacks the international standards of civil infrastructure and tourist facilities. Concepts of personal responsibility are also different to those in Australia. Consequently, tourist and public facilities may not uphold the same safety standards as in Australia; for example, you may see a hole in the road without a warning sign or safety barricade. All of our suppliers meet local safety standards as a minimum. We want you to have an enjoyable holiday so we ask that you take extra care, use your common sense, refer to notices and follow advice from your National Escort or Local Guides.

## Vietnam public holidays

If you are travelling within the below Vietnamese Public Holidays please note that celebrations can last a couple of days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open, but may be crowded. Tet Holiday is between 27<sup>th</sup> – 31<sup>st</sup> January 2017 and 17<sup>th</sup> – 20<sup>th</sup> January 2018, International Labour Day is on 1<sup>st</sup> May every year, Reunification Day is on 30<sup>th</sup> April every year and National Independence Day is on 2<sup>nd</sup> September every year.

## Souvenirs

We want to be able to give you an opportunity to buy souvenirs so we include some stops at museums or exhibitions, which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

## Group Size

Most of our groups consist of 10 travellers or more and will be accompanied by a National Escort. There will usually be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

## Tipping Policy

Tipping is a firm and expected element in the tourism industry. A nominated tipping amount is included in all group tour pricing, however is not collected in your final payment received by Wendy Wu Tours. This is so that it can be paid directly to your National Escort who will then distribute the tips among your main service providers – guides and drivers– on your behalf. Any other tipping, such as tips for bathroom attendants, hotel porters taking luggage to your room or river guides is at your

discretion based on satisfaction of services received, as are gratuities for additional requested special services. The final tipping amount will be outlined in your final documentation.

If you are travelling in a smaller group with local guides only, then tipping is paid in each destination. To be fair to the guides we ask for slightly higher amounts per traveller with small groups.

We generally find that most customers appreciate the convenience of our tipping policy but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

## Packing List and Climate

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on [www.weather.com](http://www.weather.com).

## Luggage

All clients are limited to two items of luggage each; a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 7kg. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

## Exchanging Cash

It is highly recommended that extra care and attention is paid when exchanging money when travelling outside major cities in Vietnam. US Dollars are easily exchanged throughout Vietnam, however other currencies such as Australian Dollars can generally be exchanged in hotels and airports provided notes are new and undamaged. US Dollars should be from the new series from the year 2003 onwards. Old series notes can be difficult to exchange, apart from in some national banks in Vietnam, such as Vietcombank. We suggest for your convenience that you ensure your US Dollars are from the new series to avoid any difficulties exchanging money during your trip.

We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Your National Escort will remind you to do this before departure.

## Personal Expenses & Optional Tours

You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of AUD\$250 should be sufficient; however for those that cannot resist a bargain, consider allocating a higher amount.

Optional tours may be offered in each city you visit during your tour at an additional cost. These are not included in the standard itinerary and will only be available if time permits. Each option will be arranged locally by your National Escort/Local Guide.

## Climbing Steps

Some sightseeing involves climbing quite a number of steps. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside. People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

## Cultural Differences

Vietnam has many religions, cultures and histories. Please be considerate of the local beliefs and customs and dress with consideration.

### Vaccinations and Your Health

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful [www.travelvax.com.au](http://www.travelvax.com.au).

### Before You Leave

We strongly recommend registering your travel plans with [www.smartraveller.gov.au](http://www.smartraveller.gov.au) as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

### After your booking

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice with deposit documentation via email. This includes important information and links to access the visa application form and instructions sheet online (if applicable). Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
