TRAVEL INFORMATION

VISAS:

A visa is not required for Australian passport holders for entry into China for **stays up to 30 Days**. This information is valid for travel up to 31 December 2025. Please be advised that your passport must have at least six months validity left on it when you arrive back into Australia.

For the latest information on visa procedures, processing times and requirements, please kindly refer to our website <https://www.wendywutours.com.au/help-and-advice/passports-and-visas/>

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate, Wendy Wu Tours acts as a third party and has no influence on the process of a visa.

Wendy Wu Tours does not accept responsibility for lost or undelivered items.

INSURANCE:

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance. We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

ACCOMMODATION:

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and China. All group tour hotels have private western bathroom facilities, air conditioning, TV and telephone. Due to environmental regulations, not all hotels in China provide toiletries in the rooms. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort/Local Guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

EATING IN CHINA:

Chinese cuisine is one of the most influential, diverse and flavoursome culinary styles in the world with a legacy stretching back thousands of years. Often you will find that the local Chinese style is very different from what you are used to at home. We welcome people on our tours with a wide variety of tastes and as such try to present an array of food to suit everyone in the group. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours as well as the different ways they are prepared and cooked throughout China.

Dishes served in restaurants on our group tours are varied. Some will be vegetable-based with meat mixed in, and a few will be meat-based. Traditionally, Chinese people cook with a lot of vegetables because meat used to be hard to come by. Dishes often come pre-seasoned with soy sauce or other sauces. Our restaurants are well aware of the western palate – there are plenty of non-spiced options. Most meals are served with plain rice on the side which is intended as an accompaniment to your meal. Unlike the western world, Chinese people do not normally pre-heat their plates and food can be presented at a variety of temperatures, which is a typical Chinese way of doing things.

When eating meals on group tours, you will be seated around a circular table with other tour members. Dishes will be served in the traditional ‘family style’ on a lazy susan; meaning that various dishes will be laid out on a spinning turntable in the centre of the tabletop. These dishes are intended to be shared amongst the group – there is always more than enough to feed everybody. ‘Family style’ means that there is a pair of serving chopsticks for each dish which are used specifically to serve the food (please ask your server if you require a fork or spoon) and everybody will help themselves to all the dishes on the lazy susan. You will have an individual bowl, chopsticks and cup for your own use. Please be courteous and consider your fellow diners; if your favourite dish is on the other side of the table, it will make its way round to you soon! We find our customers really enjoy this sociable style of eating.

Your National Escort will do their utmost to cater for any special requests such as gluten free or vegetarian meals, however, people on restricted diets should expect complications. Although most Asian countries are now quite developed, only quite recently have they started to widely accept Western guests. Western food requirements are quite far removed from Asian food requirements, and even medical reasons can be quite difficult to explain. While our ground partners will do everything they can to cater for a wide range of dietary requirements on tour, we ask kindly for your patience and understanding that they cannot always be delivered to the standard you will be used to at home. It is recommended that passengers with food intolerances bring snacks or additional food items with them, especially when travelling further from major cities as not all dietary requests will be met due to the limited foods available. Please read your travel guide which you will receive with your final documents for more information about eating in China. We recommend that when it comes to Chinese food, you stay open minded, try to be adventurous and always have a go with the chopsticks!

PLEASE INFORM US OF ANY ALLERGIES AND/OR SPECIAL DIETARY REQUIREMENTS AT TIME OF BOOKING.

TRANSPORT:

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in China have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road – not just 1-2 kilometres as you may be used to. For this reason, the timings listed in the itinerary are approximations only. There may be sections of road where the surface is bumpy, but our drivers will do their utmost to lessen the impact.

Planes: Internal flights are based on economy class, with reputable airlines. Lithium-Ion batteries, usually used in laptops, cell phones and digital cameras, must be carried in your hand luggage (not in your checked luggage). Portable chargers with a case that does not state the capacity or with a capacity of 160wh and more are not allowed on internal flights at all.

Trains: On this tour, you will take a high-speed train journey. You will travel in second-class soft seats with air conditioning. For train journeys you must ensure that you pack liquids, aerosols and gels/lotions in your hand luggage as per recent regulations. Passengers are not allowed to carry any aerosols over 100ml. Passengers are also not allowed to carry flammable gases or liquids including styling gel, compressed air or insecticides; any explosives, magnetised material, knives (including Swiss Army knives), scissors or sharp items (medication is fine). Bag checks are conducted randomly and any of these items may be confiscated before boarding the train (in hand luggage or main luggage). The National Escort will inform you of specific details prior to boarding.

Cruise Vessels: Included is a cruise on the Yangtze River. Your cabin will have a private bathroom and balcony. Due to tightened security process for luggage upon cruise disembarkation in Yichang, the Transport Authority has imposed a fee of RMB25 per main luggage item. Wendy Wu tours will cover the cost of one main luggage item per person. If you have additional items (excluding hand luggage) you will need to cover the cost yourself locally – RMB25 per item.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs; so, in each city, we will visit a workshop or factory which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places which hold local interest; for example, in Shanghai you will be able to see how silk is created all the way from the silk worm to beautiful garments; and in Xian we will take you to a workshop which creates replicas of the Terracotta Warriors, from tiny little warriors to seven foot behemoths! We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

DEVELOPMENT IN CHINA:

Though parts of China match the west in modernity and technological advances, it is important to remember that China is still a developing country and as such, many aspects of tourism in China do not have the solid infrastructure and safety standards as seen here in the west.

CHINESE PUBLIC HOLIDAYS:

If you are travelling within the below Chinese Public Holidays, please note that celebrations last for several days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open but may be crowded. Chinese New Year is on 29th January 2025 and 17th February 2026. Golden Week public holidays fall annually between 1st – 3rd May and 1st – 7th October.

GROUP SIZE:

Most of our groups consist of 10 travellers or more and will be accompanied by both a National Escort and local guides. There will usually be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

TIPPING POLICY:

Tipping while on holiday is common in most parts of the world and China is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. In order to avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount is given to your National Escort at the beginning of your tour and tips are disbursed to local guides and drivers throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort.

If you are travelling in a smaller group with local guides only, then tipping is paid in each destination. To be fair to the guides we ask for slightly higher amounts per traveller with small groups.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognize that it may not suit everyone. However, as this is a group tour, we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

PERSONAL EXPENSES AND OPTIONAL TOURINGS:

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of \$300AUD per person, per week should be sufficient; however, for those that can't resist a bargain or may wish to participate in all of the optional excursions, consider allocating a higher amount.

Optional Tours - Our fully inclusive Classic tours feature full days of sightseeing to ensure you experience all the must-see sights and unforgettable moments. Occasionally, when time allows, we offer optional extras such as evening shows for those seeking extra excitement. These excursions will be listed in your final documents and can be paid for locally through your guide.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.
