It is not known yet exactly how long the renovations will take, but they are expected to last 1-2 years. - Please note: Kiyomizu Temple is undergoing renovations which may last until 2021. You can still visit the temple and the shrines around it and your touring will not be affected. If you require any further details, please visit the link: <http://www.kiyomizudera.or.jp/en/news/>
- Please note: Isuien Garden in Nara, visited on day 3, is closed for maintenance weekly on Tuesdays. Departures coinciding with this will visit the Kasuga Taisha Shrine as an alternative.

Destination Information

Osaka – Osaka is Japan's third largest city. What Osaka lacks in sightseeing locations, it makes up for with its flamboyance, fun loving people and amazing food.

Day 3: Nara

Transfer around one hour by coach to Nara and stroll through Nara Park to Todaiji Temple, meeting the resident sika deer en route. Admire the traditional Isuien Garden before returning to Osaka. Visit the impressive Osaka Castle and later cruise down the Yodogawa River.

Please note: Isuien Garden in Nara is closed for maintenance weekly on Tuesdays. Departures coinciding with this will visit the Kasuga Taisha Shrine as an alternative.

Destination Information

Nara – Due to Nara's past as the first permanent capital, it remains full of historic treasures, including 8 UNESCO World Heritage Sites.

Todaiji Temple – A UNESCO World Heritage Site, Todaiji Temple is one the Seven Great Temples of Japan and is home to the world's largest bronze statue, Daibutsu.

Isuien Garden – Isuien is an attractive Japanese garden divided into two parts, a front garden and a rear garden, with a number of tea houses scattered throughout. The front garden dates back to the mid-17th century, while the rear garden, the larger of the two, was built in 1899 by a wealthy merchant.

Osaka Castle – Osaka Castle is one of Japan's most famous castles known for sweeping views of the city from its hilltop perch. Construction began in 1583 by Toyotomi Hideyoshi, who intended that the castle to become the centre of a new, unified Japan under his rule.

Day 4: Osaka - Hiroshima

Journey around two hours by coach to Himeji and explore the magnificent 17th Century Himeji Castle and the neighbouring Kokoan, a traditional-style garden. The castle is largely in its original condition, so please use common sense and be mindful of your step when strolling around. You will have to remove your shoes before walking along some of the wooden floors and there are some steep wooden steps to reach certain areas. After the reopening in March 2015, Himeji Castle has welcomed a large number of visitors. As such, they now issue numbered tickets to visitors in order to limit the number of people who can enter the Main Keep. This reduces congestion, waiting time, and to protect the cultural properties. Please note that this means that there may be cases where some visitors are not allowed to enter the Main Keep. After lunch, continue around 3.5 hours to Hiroshima.

Destination Information

Himeji Castle – Widely considered Japan's most magnificent castle for its imposing size and beauty, the well-preserved Himeji castle is both a national and world heritage listed treasure. Himeji Castle has never been destroyed by war, earthquake or fire and survives to this day as one of the country's twelve original castles.

Kokoan Garden – Kokoan is a Japanese style garden consisting of nine separate, walled gardens designed in various styles of the Edo Period.

Hiroshima – An atomic bomb was dropped over Hiroshima on 6th August 1945, and the city's name became famous worldwide for this unenviable distinction. The destructive power of the bomb obliterated nearly everything within a 2km radius. The city has been rebuilt and has risen phoenix-like from the ashes and destroyed sites of historical heritage were reconstructed.

Day 5: Hiroshima & Miyajima

Transfer to the famous Peace Memorial Park and Museum. Please be aware that the museum may be confronting and upsetting for some group members and it is at your discretion if you wish to visit or enjoy time at leisure exploring the Peace Memorial Park. After lunch, take a short ferry ride to Miyajima Island, where sightseeing will be at a leisurely pace on foot. Visit Itsukushima Shrine and explore the traditional market town at leisure. Later this afternoon, return by ferry and coach to your Hiroshima hotel for dinner.

Please note: Renovation works on Miyajima's famous floating torii gate are scheduled to start in June 2019. During the renovation works, the torii gate will be covered up by scaffolding. It is not known yet exactly how long the renovations will take, but they are expected to last 1-2 years.

While the torii gate will be covered, you can still see the Itsukushima shrine itself as well as enjoying free time on Miyajima Island to explore the local streets or make the walk up to Daisho-in Temple.

Destination Information

Peace Memorial Park and Museum – The Peace Memorial Park and Museum is one of the most prominent features of the city. The trees, lawns and walking paths are in stark contrast to the surrounding downtown area. Before the bomb, the area was the political and commercial heart of the city and is why it was chosen as the target. The museum focuses on the events of August 6th and the ensuing outcome for the residents.

Miyajima – Miyajima is a small island outside of Hiroshima. While officially named Itsukushima, the island is more commonly referred to as Miyajima, meaning 'Shrine Island'. This is because the island is well-known for its main attraction, Itsukushima Shrine, a giant torii gate, which at high tide seems to float on the water.

Day 6: Hiroshima - Kyoto

This morning, transfer to Hiroshima Station and catch a bullet train to Kyoto, a journey of 1 hour 40 minutes. Capital for a thousand years, this enchanting city is the epitome of traditional Japan. After lunch, visit Ryoanji Temple, with its famous Zen garden, and Kinkakuji Temple, known as the 'Golden Pavilion' due to its golden exterior. Continue to your hotel to check in for a two-night stay.

Please note: You will need to pack a smaller overnight bag for tonight as your main luggage will be transferred separately this morning to your Kyoto hotel and arrive the next day.

Destination Information

Kyoto – Kyoto was the ancient capital of Japan for approximately 1,000 years until 1867 when it was moved to Tokyo. Many national treasures can be found in Kyoto and in nearby Nara, including old shrines and temples, screen paintings, beautiful gardens, and statues of Buddha.

Ryoanji Temple – Ryoanji Temple is a Zen temple which is renowned for its garden which features a dry, sand landscape with large rocks and smooth pebbles.

Kinkakuji Temple (Golden Pavilion) – Kinkakuji Temple is a Buddhist temple and is an excellent example of Japanese garden design. The structure is a brilliant golden hue colour and is very minimalistic.

Day 7: Kyoto

Start the day by visiting the spectacular Kiyomizu Temple. You will spend 1.5 hours on foot exploring the temple. Later, experience the age-old rituals of a traditional tea ceremony. After lunch, visit Fushimi Inari Shrine with its thousands of vermillion torii gates. The Shrine stretches up Mount Inari (233m high). You will walk up part of the mountain and the incline allows a steady-paced walk.

Please note: Kiyomizu Temple is undergoing renovations which may last until 2021. You can still visit the temple and the shrines around it and your touring will not be affected. If you require any further details, please visit the link: <http://www.kiyomizudera.or.jp/en/news/>

Visit the Nomura Samurai House and garden before transferring around 1.5 hours to Gokayama. Enjoy lunch and then try your hand at making washi paper. Continue approximately one hour to Shirakawago and explore the 300-year-old Gassho style Wada House. Finally, drive around 1.5 hours to reach Takayama where you will stay for the next two nights. Your accommodation this evening has onsen facilities, we recommend taking a relaxing dip!

In Takayama we use a selection of hotels, some of which are more traditional in style, but you will be accommodated in Western-style rooms.

Next, take a leisurely stroll around the traditional houses of the area and visit some of the local museums including Takayama Festival Floats Exhibition Hall, Kusakabe Folk Crafts Museum and Takayama Jinya before spending some free time in Kamisannomachi Street. You will spend around 5 hours on foot today sightseeing around the town of Takayama.

There is approximately a 30-minute walk through the forested valley along paths, occasionally on an incline, from the bus park to the main pool where the monkeys bathe. Accustomed to humans, the monkeys can be observed from up-close and they almost completely ignore their human guests. Enjoy lunch and then continue to Zenkoji, one of Japan’s most prolific Buddhist temples. Return to Nagano.

Destination Information

Jigokudani Yaen-Koen – Home to Japanese Macaques, also known as Snow Monkeys, Jigokudani literally means ‘hell valley’. Named this because of the steam and boiling water that bubbles out of small crevices in the ground. It is in the baths of this hot water that the resident Japanese Macaques like to soak. The monkeys live in large social groups, and it can be quite entertaining to watch their interactions.

Zenkoji Temple – Founded 1400 years ago, Zenkoji stores what many believe to be the first Buddhist statue ever brought to Japan. Zenkoji's main hall has a tunnel in its basement in which visitors are trying to find and touch the ‘key to paradise’ in complete darkness. The key is attached to the wall and grants enlightenment to anybody who touches it.

Japan Uncovered Travel Information

Visas

Please be advised that your passport must have at least six months validity left on it when you arrive back into Australia. Visas are not required for Australian passport holders for entry into Japan for stays of up to 90 days.

Insurance

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the originals.

Eating in Japan

Japanese cuisine is delicious, colourful and healthy. Meals are usually served with a bowl of rice and a bowl of miso soup and consist usually of fish, pickled vegetables and meat. Japan's other main staple is noodles, most famous being Udon and Soba. All meals (excluding drinks) are included in our fully inclusive group tours from the groups' arrival until the day of departure. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours as well as the different ways they are prepared and cooked throughout Japan. Food is an important element of Japanese culture. It is a time for families and friends to come together and much of family life revolves around the dinner table. Most food is eaten with chopsticks so best get practicing as cutlery is not always available at restaurants. All beverages will be at your own expense and are readily available.

On some days where lots of sights are covered, dinner times may be early and your tour group may head directly to the restaurant after sightseeing without stopping at your hotel to freshen up

Those with dietary requirements will be well catered for - just make sure to inform your booking agent of any specific requirements well in advance of your trip. Please be aware however that restaurants may not always be able to accommodate these. Gluten-free food may not be as readily available as in Australia.

All the restaurants we visit will be researched and inspected regularly to ensure that they follow the strictest health, cleanliness, and safety guidelines. All waiting staff will wear face masks and gloves and self-service buffets will be avoided in favour of à la carte dining, waiter-served meals, or waiter-assisted buffets. Hand sanitiser will be provided to the group before and after every food and beverage service.

Please read your travel guide, which you will receive with your final documents for more information about eating in Japan. We recommend that when it comes to Japanese food, you stay open minded and try to be adventurous!

Accommodation

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Please note double bed requests can be made at time of booking but cannot be guaranteed.

Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and Japan.

Please note that in Japan, hotel rooms and bathrooms are renowned for being small. Standard single rooms are usually smaller than a standard double or twin room, contain one small double bed (or one single bed), and are designed for one person to use. All group tour hotels have private western bathroom facilities, air-conditioning, TV and telephone. Hotels in Japan often do not have porters and you will be required to carry your own luggage. If you experience any difficulty, please speak to your National Escort/local guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

Porterage

Please be aware that porterage is not included on our tours in Japan. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

Transport

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in Japan are extremely well maintained and are comparatively smooth compared with the rest of Asia.

Bullet trains: Second class reserved seats are booked for our groups on bullet trains; there will be toilet facilities on board. Due to the limited space on bullet trains, a separate luggage transfer service will be arranged for all suitcases. You will need to pack a separate overnight bag to carry on the train as your suitcase will not arrive until the following day after a bullet train journey. Your guide will indicate when you will need to prepare for this throughout your tour.

Development in Japan

Japan is a developed country and as such matches the west in modernity and technological advances. Japan is an extremely safe country and takes great responsibility in maintaining high safety standards.

Cultural Difference

Japanese society and culture are built on intricate social etiquette and customs. As foreigners, we are not expected to be knowledgeable about all etiquette, but it will make your time in Japan more enjoyable if you are respectful of local customs. Some examples of scenarios you may encounter include removing your shoes and hats when entering a temple or house (some restaurants as well). You may be supplied with slippers at some

places, but please come prepared with plenty of spare socks, and shoes that are easy to take off for the fairly regular occasions when they must be removed. Your National Escort will advise you of some of these other customs at the beginning of your tour.

Public Holidays in Japan

If you are travelling within the below Japan Public Holidays please note that celebrations can last a couple of days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open but may be crowded. Showa Day is on 29th April every year, Golden Week is on 29th April – 5th May 2021, Constitution Memorial Day is on May 3rd and Emperor's Birthday is on 23rd December every year.

Souvenirs

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

Group Size

The group size on our Classic Tours is on average 21 passengers, with a maximum group size of 28. You may encounter other Wendy Wu tour groups while you are travelling. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). A national escort will accompany each group of 10 or more. However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so.

Tipping Policy

Although tipping in Japan is not customary, if you feel you have received an excellent service, please feel free to tip your guide at your discretion.

Packing list and Climate

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on www.weather.com

Luggage

All travellers are limited to two items of luggage each; a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

Exchanging Cash

It is highly recommended that extra care and attention is paid when exchanging money when travelling to cities outside of Tokyo. US Dollars and Australian Dollars can be exchanged at Narita Airport and in some hotels, provided the Australian currency is new and undamaged. We suggest exchanging your money before travelling to smaller towns, as exchange facilities can be very limited. Your National Escort will remind you to do this before departure.

Personal Expenses & Optional Tours

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of AU\$250 per person, per week should be sufficient; however, for those that can't resist a bargain or may wish to participate in all of the optional excursions, consider allocating a higher amount.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available. In your Final Documentation an Optional Excursion Sheet will be included outlining the activities available in each city and local cost associated. Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

Climbing Steps

Sightseeing at nearly all palaces, fortresses and some temples involves climbing quite a number of steps. These palaces were built to provide defense against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails. Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside.

People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

Vaccinations and Your Health

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

Before You Leave

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

After your booking

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice followed by deposit documentation, which includes a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.
