As-Salt - To the northwest of Amman lies As-Salt, a mountainous city and a UNESCO world heritage site. Founded by Alexander the Great, the city was destroyed centuries later by the Mongols before rediscovering its former glory during the Ottoman Empire. As-Salt and its ancient architecture has enjoyed less modernisation than its neighbour Amman, thus is a wonderful historical throwback to old Jordan. In addition to its historical past, the fertile soil in As-Salt has helped its burgeoning reputation as an agricultural hub, and the city is particularly well-known for the quality of its grapes, olives and other dried fruits.

Jerash - Widely agreed by scholars to be of the most important Roman cities on the eastern fringes of its empire, Jerash is Jordan's most impressive Roman settlement and one of the best preserved sites outside of Italy.. Ruins here include Emperor Hadrian's Arch, the Hippodrome, the Temple of Artemis and the iconic Forum that is bordered by 160 columns.

Ajloun - This small town is well known for its historic castle that sits atop Mount Auf, an important Saracen stronghold in the fight against the Crusaders. Also of note is the Ajloun Forest Reserve and Jordan's oldest mosque; the Great Ajloun Mosque

Days 4: Amman

Return to Amman this afternoon for a visit to a Nai-making workshop; a traditional Jordanian musical instrument. Under the tutelage of a local expert, you will learn how to make your own instrument.

Destination Information

Citadel - One of Amman's most famous ruins, the Citadel sits on Jebel Al Qala'a hill which overlooks the old city. Upon approaching the Citadel, you will see sections of the 1700 metre wall that dates back to the Bronze Age. Inside you will find the Temple of Hercules, a now largely-decayed structure that was built by Emperor Marcus Aurelius and that once reaches 13 metres in height, the Umayyad Palace, a complex dating from the 8th Century and the 6th Century Byzantine Church.

Roman Amphitheatre - Dating back to the 2nd Century AD, this well-preserved Roman site once housed up to 6000 spectators. The angle at which the amphitheatre was carved into the hillside ensured that the sun would not shine on spectators during performances. The acoustics are also perfect, meaning that during the Roman occupation even the audience members at the very highest seats would still have been able to hear the actors performing on stage.

Desert Castles - Scattered throughout Jordan, these desert castles were often used as a refuge for Caliphs who sought to escape the heat of the city. With the intricate mosaic work and stone carvings, they are a wonderful example of ancient Islamic art and architecture.

Days 5: Amman – Mt Nebo – Madaba - Petra

After breakfast, you will make your way to Mount Nebo, the site of Moses' Tomb. From there, Moses viewed the promised land in Canaan and died there before being buried in a nearby village. Here there are ruins of 4th and 5th-Century churches whose floors are still covered With marvellous and intricate mosaics.

Continue to the town of Madaba where you will visit the Orthodox church of St George and the Madaba Mosaic Map, the oldest surviving depiction of the Holy Land.

After your visit to Madaba, you will travel on to magnificent Petra.

Destination Information

Mount Nebo - one of the most important holy sites in Jordan, the church here was abandoned in 1564 and fell into disrepair before being purchased by the Franciscan Order, who restored the area and built a monastery there. Pope John Paul II visited the monastery in 2000, planting an olive tree next to the Byzantine Chapel.

Madaba - On the East Bank and on the Kings' Highway sits Madaba, 'The City of Mosaics'. True to its name, many of these excavated mosaics are on display in town's museum, but it is estimated that almost every house in the town may have ancient Byzantine mosaics beneath the ground that are just waiting to be discovered.

Days 6: Petra

This morning you will marvel at the beauty of the 'Lost City', exploring its many caves and tombs. Surrounded by imposing mountains and approached through a deep, narrow cleft in the rocks known as the Siq, Petra is a unique and unforgettable place and, enhanced by the play of light and shadow, an altogether overwhelming experience.

You have the afternoon to yourself before your evening tour of Petra

Destination Information

Petra - One of the world's most prized UNESCO World Heritage Sites and voted in 2007 as one of the 'New Seven Wonders of the World', this prehistoric city is nestled within desert canyons and carved deep into the sandstone cliff faces. Capital of the Nabataean Empire between 400 BC - 600 AD, the site gradually grew to prominence and has stood throughout history as one of the world's most unique attractions, with scenes from films such as *Indiana Jones and the Last Crusade* shot from the outside and within the city.

Days 7: Wadi Rum

Wadi Rum is like a moonscape of ancient valleys and towering weathered sandstone mountains rising out of white and pink colored sands. Explore Lawrence's road, visiting the most spectacular sights of Wadi Rum. Drive among sand dunes and canyons with graffiti inscriptions and venture through the dry oasis, exploring the most interesting and exciting sites of Wadi Rum.

Visit wendywutours.com.au

Destination Information

Little Petra - The Nabataean archaeological site of Little Petra consists of 3 wide open areas connected by a 450-metre canyon. Similar to Petra, its many rooms were a result of carving into the red sandstone canyons.

Wadi Rum - This arid stretch of desert has been home to Jordanians for thousands of years, which is impressive in itself given its lack of fresh water and vegetation. Wadi Rum has also earned its place in history, with the locals fighting the occupying Turkish and German armies during the Arab Revolt of 1917 and 1918. Nowadays, whilst most of Wadi Rum's Bedouin inhabitants may have moved away from their nomadic lifestyle, they have equally played a pivotal role in recent years to bring tourism to the area.

Days 8: Dead Sea

Checking out of your desert camp in Wadi Rum this morning, you will head north along the Jordanian/Israeli border to the Dead Sea – the lowest point on earth. After lunch you are free to enjoy the delights of the Dead Sea.

Destination Information

Dead Sea - This landlocked salt lake is located in the Jordan Rift Valley and sits on the border between Jordan and Israel. At 304 metres deep, rain and surface water flows into the Dead Sea but apart from evaporation, the water has no escape. The continuous evaporation in combination with the high salt content means that for over 65,000 years, the salinity levels of the Dead Sea have been ever increasing. Many travellers come to bathe in these unique waters and the high salt content and mineral-rich mud are said to bring many health benefits.

Days 9-10: Depart Amman

Eating in Jordan

Jordanian cuisine is wonderfully rich and flavourful, with the inspiration for much of its cuisine dating back hundreds of years when Jordan was a vital stage on the spice routes from China and India. Hearty dishes such as *mansaf* (lamb, rice and rehydrated yoghurt) fragrant *zarb* (succulent chicken, herbs and vegetables cooked in a pot beneath the desert sands in true Bedouin style), *baba ghanoush* (grilled aubergines with fresh parsley and pomegranate molasses) fresh *hummus*, olives and endless varieties of dates all contribute to the wonderful cuisine to be found here.

Savoury dishes aside, Turkish and Arabic coffee is served throughout the country. Jordanians also have a taste for all things sweet, with pastries like *baclava* a favourite amongst locals and tourists alike. Whilst we always encourage our guests to try the local cuisine, you will have opportunities during your tour to eat Western food.

Those with dietary requirements will be well catered for - just make sure to inform your booking agent of any specific requirements well in advance of your trip.

All the restaurants we visit will be researched and inspected regularly to ensure that they follow the strictest health, cleanliness, and safety guidelines. All waiting staff will wear face masks and gloves and self-service buffets will be

avoided in favour of à la carte dining, waiter-served meals, or waiter-assisted buffets. Hand sanitiser will be provided to the group before and after every food and beverage service.

Please read your travel guide, which you will receive with your final documents for more information about eating in Jordan. We recommend that when it comes to Jordanian food, you stay open minded and try to be adventurous!

Special note:

Please note that alcohol is not provided at your hotels and restaurants, however you are permitted to bring alcohol to your rooms. Keep in mind that Jordan is a more conservative country than you may be used to and it is highly frowned upon to show public displays of drunkenness.

Accommodation

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Hotels are generally rated as local three to four-star standard. All group tour hotels have private western bathroom facilities, air conditioning or overhead fans and a telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. Please note that double bed requests can be made at time of booking but can't be guaranteed.

Porterage

Please be aware that porterage is not included on our tours in Jordan. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

Transport

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in Jordan have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road – not just 1-2 miles as you may be used to. For this reason, the timings listed in the itinerary are approximations only. There may be sections of road where the surface is comparatively bumpy, but our drivers will do their utmost to lessen the impact.

4WD: Due to Wadi Rum's remote location and difficult terrain, you will travel to and from here in a fleet of 4x4's. Water will be provided and you will experience the thrill of venturing through the desert in an all-terrain vehicle.

Development in Jordan

Jordan is a developed country and as such matches the west in modernity and technological advances in many aspects. Jordan is a safe country to visit and the locals are very friendly and willing to help visitors.

Public Holidays in Jordan

If you are travelling within the below Egypt Public Holidays, please note that celebrations can last a couple of days and during these times some businesses will be closed. Souvenirs

We want to be able to give you an opportunity to buy souvenirs so we include some stops at museums or exhibitions that demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places that hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

The group size on our Middle East Classic Tours is on average 10-18 passengers, with a maximum group size of 18.

Group Size

You may encounter other Wendy Wu tour groups while you are travelling. On our group tours we operate a seat-and-a-half policy, allowing you to travel in greater comfort.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). A national escort will accompany each group of 10 or more. However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so.

Tipping Policy

Tipping in Jordan is a way to show satisfaction with the service of guides and drivers. It is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. Therefore, in order to avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount in US dollars is given to your National Escort at the beginning of your tour and tips are disbursed throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort. If you are travelling in a smaller group, we ask for slightly higher amounts per traveller, to be fair to the guide(s).

We generally find that most customers appreciate the convenience of our tipping policy but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

Packing List & Climate

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on www.weather.com

Luggage

All travelers are limited to two items of luggage each; a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

Exchanging cash

It is highly recommended that extra care and attention is paid when exchanging money when travelling to cities outside of Cairo. US Dollars and Australian Dollars can be exchanged at Amman Airport and in some hotels, provided the Australian currency is new and undamaged. We suggest exchanging your money before travelling to smaller towns, as exchange facilities can be very limited. Your National Escort will remind you to do this before departure.

Personal expenses and optional tours

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of AUD\$250AUD per person, per week should be sufficient; however, for those that can't resist a bargain or may wish to participate in all of the optional excursions, consider allocating a higher amount.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available. In your Final Documentation an Optional Excursion Sheet will be included outlining the activities available in each city and local cost associated. Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

Climbing Steps

Sightseeing at a lot of sites of interest involves climbing quite a number of steps. The steps tend to be quite large, not level and sometimes without handrails. You sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside. People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

Cultural Difference

Jordanian society and culture are built on intricate social etiquette and customs. As foreigners, we are not expected to be knowledgeable about all etiquette, but it will make your time in Jordan more enjoyable if you are respectful of local customs.

Some examples of scenarios you may encounter are, whilst Muslim women's clothing often covers their legs, arms, and hair, Western women are not subject to these customs. However, very revealing clothing is discouraged, and dressing conservatively around the old part of Amman and outside of the cities is advisable for both men and women. Furthermore, women do not need to cover their heads or tie their hair. T-shirts are also fine.

Vaccinations and Your Health

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au
