Breakfasts are buffet-style at your hotel with both Western and Chinese options available, although rural parts of China may offer limited options. Lunches and dinners on our tours are varied, with a mix of vegetable-based and meat-based dishes. Many are pre-seasoned with soy sauce or other traditional flavours, though our selected restaurants offer plenty of mild options. Dishes may be served at different temperatures, as is customary in China.

Dining mostly follows the traditional 'family style' approach, with dishes placed on a lazy Susan for everyone to share. Serving chopsticks are provided for each dish, and individual bowls, chopsticks, and cups are set for personal use. If you require a fork or spoon, please ask your server. This communal style of dining is an integral part of Chinese culture and a fun, social experience.

Western food requirements differ from those in Asia, and even medical dietary needs can be challenging to accommodate. While your National Escort will do their best to assist, we kindly ask for your patience and understanding, as dietary requests may not always be met to the standard you are accustomed to at home. Your accommodation is chosen for its convenience, comfort, or character. Hotels are generally of a four-star standard in major cities, though there is no international classification system, so facilities and quality may differ from Australia. In remote areas, standards may be lower, and some Western amenities may be unavailable.

All group tour hotels include private Western-style bathrooms, air conditioning*, TV, and a telephone. Due to environmental regulations, toiletries may not always be provided. Plumbing and electricity can be inconsistent, and power in rooms is often switched off when unoccupied. If you encounter any issues, please speak to your National Escort or Local Guide. Rest assured, all hotels used by Wendy Wu Tours are regularly inspected to ensure they meet our standards.

**Please note that regional energy conservation and environmental regulations may restrict air-conditioning and heating use during certain months, with minimum and maximum temperature limits in place.*

PUBLIC HOLIDAYS:

If you are traveling during a Chinese public holiday, please note that while tourist attractions remain open, they may be crowded with domestic visitors. Festivities often span several days, during which some businesses may close, and coach, air, and train services could be impacted. The major Golden Week holidays occur annually from April 29 to May 3 and September 30 to October 7.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. This is a requirement on internal trains and flights. It is essential that your luggage is lockable. In general, we recommend packing only as much as you can lift as you will need to carry your own luggage on and off trains.

TRANSPORT:

Trains: When traveling by high-speed 'bullet' train, you will be seated in second-class soft seats with air conditioning. **Facilities** may vary depending on the train. Most carriages feature a Western-style toilet, and most seats are equipped with a foldable tray table and a power socket for charging electronic devices. Luggage is stored at the end of the carriage or in overhead. Dining carts are available on board if you wish to purchase additional food.

For daily products containing flammable ingredients, such as perfumes, colognes, sprays, and gels, non-self-spray pressure containers should not exceed 100 millilitres per item, with only one container allowed per product. For self-spray pressure containers (e.g., hair mousse, hair spray, hair dye, cold wave lotion, insecticides, and air fresheners), each container must not exceed 150 millilitres, with a total cumulative volume of all such items not exceeding 600 millilitres. Passengers are not permitted to carry insecticides, explosives, magnetised materials, knives (including Swiss Army knives) with a blade longer than 60mm, scissors, or other sharp objects. Bag checks are conducted at random, and any restricted items—whether in hand luggage or main luggage—may be confiscated before boarding. Your National Escort will provide specific details before your journey.

Yangtze River Cruise Vessel: If travelling on a Yangtze River cruise, a standard cabin is included equipped with Wi-Fi access, an ensuite bathroom, and a private balcony. Upgrades are available at an additional cost upon enquiry with our Reservations team.

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in China have generally improved over recent years, but traffic and/or weather conditions may extend driving times. For this reason, the timings listed in the itinerary are approximations only.

Planes: Internal flight/s are based on economy class. Lithium Ion batteries, usually used in laptops, cell phones and digital cameras, must be carried in your hand luggage (not in your checked luggage). Portable chargers with a case that does not state the capacity or with a capacity of 160wh and more are not allowed on internal flights at all.

AFTER-HOURS EXPERIENCES:

Our Classic tours include full days of sightseeing, so you can experience all the must-see sights and create unforgettable memories. Occasionally, when time permits, we may offer extra evening experiences, such as a show, for those who want a little extra excitement. These experiences are not mandatory, will be outlined in your final documents, and can be paid for locally in RMB, either by cash or mobile payment app.

VICTORIA CRUISE AMENITIES PACKAGES:

If you choose to add an amenities package to your Yangtze Cruise, this will include the following:
- Cabin on higher deck
- Complimentary morning coffee and tea service
- Welcome Fruit Plate
- Nightly turn down service with printed Daily Itinerary
- Diet soda included for lunch and dinner
- Dining selection from two dining rooms (choice of dining room to be made at the beginning of the voyage)
- Hot & Cold soft drinks available daily in Executive Lounge (Pepsi, Sprite, Juice, Coffee, and Tea)
- Complimentary "Happy Hour" one hour before dinner in the Executive Lounge (including House Wine, Beer, and Soda)
- Complimentary house wine and beer offerings at dinner

Please note that benefits of amenities package start on day 2 of the cruise.

TIPPING POLICY:

Tipping while on holiday is common in most parts of the world and China is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. In order to avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount is given to your National Escort at the beginning of your tour and tips are disbursed to local guides and drivers throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort.

If you are travelling in a smaller group with local guides only, then tipping is paid in each destination. To be fair to the guides we ask for slightly higher amounts per traveller with small groups.

We generally find that most customers appreciate the convenience of our tipping policy but we do recognise that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs; so in each city, we will visit a workshop or factory which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places which hold local interest; for example, in Shanghai you will be able to see how silk is created all the way from the silk worm to beautiful garments; and in Xian we will take you to a workshop which creates replicas of the Terracotta Warriors, from tiny little warriors to seven foot behemoths! We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

DEVELOPMENT IN CHINA:

Though parts of China match the west in modernity and technological advances, it is important to remember that parts of China are still developing and as such, many aspects of tourism in China do not have the solid infrastructure and safety standards as seen here in the west.

INTERNET RESTRICTIONS IN CHINA:

In China, certain Western apps, such as Google Services (e.g. Gmail, Google, Google Maps) and social media platforms (e.g. Facebook, WhatsApp), are blocked due to government restrictions on internet content. Some travellers may choose to download and use a VPN (Virtual Private Network) to bypass these restrictions and access blocked apps. Guests are strongly advised to conduct their own research into the legal implications as VPN usage is subject to government regulations. E-Sim providers such as Airalo and Holafly have built-in VPN capabilities.

TRAVEL MONEY IN CHINA:

We recommend having access to multiple sources of money while traveling. A combination of payment methods, including mobile payment apps, cash, and cards, will offer the most security and flexibility. Mobile payment apps like WeChat and Alipay are often more widely accepted than international cards or cash in China. You will need an internet connection when in China to use the apps. VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive an email with your confirmation invoice, along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
