Destination Information

Shanghai – Once known as the 'Paris of the East', Shanghai is now one of Asia's most influential cities. Prior to communist arrival in 1949, Shanghai was a city with European-style mansions and was the most important trading port in Asia. Today it presents a blend of cultures; the modern and the traditional, along with the occidental and oriental. Modern skyscrapers intermingle with 1920s 'shikumen' buildings. This combination is what attracts millions of visitors each year.

Day 2: Shanghai

Meals: B, L, D

Today's explorations include the peaceful Yu Garden and the atmospheric alleys of the old town. Admire the magnificent colonial architecture with a stroll along the Bund and visit a fascinating silk factory. Sightseeing today involves a full day of touring around the centre of the city including 3-4 hours on foot. In the evening, view the city from the Huangpu River on a panoramic river cruise. Dine on a delicious Shanghainese meal in the evening.

Destination Information

Old Town and Yu Gardens – The old town of Shanghai, where cobbled streets are lined with traditional shops selling herbal medicines, handicrafts, Chinese tea and a variety of tantalising snacks, is the original centre of Shanghai and for decades was the seat of Chinese authority in Shanghai. The Yu Gardens is seen as one of the most perfect examples of Chinese garden style. Built by the Ming-era governor, Pan Yunduan, as a retirement gift for his father, the Yu Gardens is home to exquisite jade rock, goldfish-filled ponds and stunning, tranquil pavilions.

The Bund – Recognised as Shanghai's former 'Wall Street', the Bund is home to an impressive collection of buildings from the early trade houses of the 1850s to the glamorous Art Deco modernism of the 1920s. Originally the home of the foreign population of Shanghai, the Bund's architecture has inherited much western influence and is a stark contrast to the Pudong skyline, sitting across the Huangpu River.

Silk Factory – The Silk Factory is an educational journey through the production of silk, one of China's most famous and luxurious materials. Learn about the use of silkworms and silk moths in its production; the manufacturing process; as well as silk's journey along the Silk Road which brought this product across Asia and Europe.

Huangpu River Cruise – There is no better way to see the juxtaposition of eras in Shanghai's history than by taking a cruise on the Huangpu River. At night, the dazzling colours and lights from Pudong shine bright onto the more modest twilight of the Bund.

Day 3: Shanghai – Yangtze River Cruise

Meals: B, L, D

Visit the financial district of Pudong, before transferring to the airport for a 2-hour flight to Yichang. You will then transfer to the docks, located near the Three Gorges Dam to board the ship and check in to your cabin for the next 4 nights.

Flights in this region are subject to change and can often be changed last minute, we aim to ensure passengers are transferred direct to Yichang. However, it may be necessary to fly to Wuhan and transfer 5-6 hours by road.

The Yangtze River cruise section of your itinerary will not be confirmed by the cruise operators until after you commence your tour as it is subject to local river conditions and water levels. Your local guide will do their utmost to keep you informed of any changes but cannot guarantee against delays or – in rare cases – cancellations of sections of your itinerary. Shore excursions are subject to change depending on local conditions. A detailed itinerary will be handed out on the vessel each day.

If you do not wish to take part in a shore excursion but you still wish to disembark the cruise ship, there is a mandatory port tax which must be paid by each customer. The port tax amount is approx. USD20-USD30 per person; however, this amount can vary and for security reasons, it is not always possible to disembark at all ports of call. Please be aware that there are a number of steps involved in embarking and disembarking your Yangtze River Cruise Ship, particularly during low tide. If you think this may be an issue, please inform us in advance.

There are amenities package, deck and cabin upgrades available to pre-book – please enquire with our Reservations team.

Destination Information

Pudong – Originally an underdeveloped farming area, Pudong underwent mass-expansion in the early 1990s to become the top financial hub in China. Characterised by its forest of skyscrapers, Pudong is now a world economic zone with one of the most recognisable skylines in the world.

Yangtze River – One of the world's great and legendary waterways, this 6,300km river has its origins high up in the snow-covered mountain of Tanggula, in the southwestern Qinghai Tibet Plateau, and runs into the ocean in Shanghai. It is estimated that the banks of this river are home to almost a third of China's population.

Day 4: Yangtze River Cruise

Meals: B, L, D

Visit the Three Gorges Dam, the largest hydroelectric dam in the world. Disembark the ship and drive around 30 minutes (the coach is not permitted to stop for photos) to the viewing area above the ship locks where you will be able to truly appreciate the scale of this hydroelectric project. There is also a small museum here and a lookout point. The sightseeing will involve around 1 hour on foot. Return to the ship and sail through Xiling Gorge, the longest and deepest of the three gorges.

Destination Information

Three Gorges Dam – Commenced in 1994 and completed in 2009, the Three Gorges Dam is the largest water conservancy project ever undertaken. The Dam is located near Sandouping, which is in the middle of the Xiling Gorge, the longest of the Three Gorges. The Three Gorges Dam is 2,335m long, 185m high, 18m wide on the top and 130m wide at the bottom. The dam has raised the river to a level of 175m above sea level, creating a 600km long reservoir. The building of this huge dam was for the purpose of flood control, electricity, navigation, and irrigation.

Day 5: Yangtze River Cruise

Meals: B, L, D

Transfer to smaller vessels for a relaxing excursion through the Shennong Stream gorges, which are narrower than the Three Gorges, but very impressive. Later, as the cruise ship continues upstream, prepare for breathtaking vistas as you pass through Wu and Qutang gorges. Wu gorge is known for its quiet beauty, forest-covered mountains, and sheer cliffs, while Qutang Gorge is the shortest, narrowest, and most dramatic gorge.

Depending on local river conditions, you may travel along the gorges of Goddess Stream instead of Shennong Stream.

Destination Information

Shennong Stream – Shennong Stream flows from north to south through stunning deep gorges finally merging with the Yangtze to the east of the mouth of Wu Gorge. The landscape on both banks of this crystal-clear stream is unique and tranquil.

With a fast-paced economy that is dragging China’s west into the 21st century, it is no wonder that Chengdu’s appeal is growing year on year. As the gateway into Sichuan Province’s large collection of sights, as well as Chengdu being its own trove of historical and cultural treasures, Chengdu is a definite, a necessity, a must-visit on any trip to China.

Sichuanese Meal – Sichuanese cuisine is famous for its use of Sichuan pepper and chillies. These spices from the area are known for their ‘mala’ (numb and spicy) flavours, which seem to cool and heat your mouth at the same time. Famous dishes include Kung Pao Chicken, twice-cooked pork and spicy Sichuanese hotpot.

Day 8: Chengdu – Xian

Meals: B, L, D

Today you will see China’s most famous resident, the giant panda. Visit the Panda Conservation Centre where you can learn about China’s celebrated bear. See these lovable creatures in surroundings that mirror their natural habitat. It is not guaranteed that you will be able to see the feeding of the younger pandas, as this only happens at the start and end of each day. Later, board your bullet train to Xian, a journey of 3-4 hours. This evening, dine on delicious Shui Jiao dumplings and watch a performance of Tang Dynasty dancing.

**Destination Information**

Panda Conservation Centre – With over 80 pandas, the Chengdu Panda Research Base is equipped with the latest technology and research materials to gain a further understanding in how we can protect the panda and maintain, if not increase, its numbers. The park is set up to resemble the mountain and forest regions in north Sichuan, the original home of the Giant Panda, with extensive bamboo trees and large green spaces. Red Pandas, the Giant Panda’s lovable cousin, and flamboyant peacocks too roam the park, making for an interesting mix.

Xian – Xian has long played a pivotal role in China’s extensive history and has been a thriving hub for cultural exchange, economic trade as well as national politics for centuries. Home to some of China’s most ancient sights, diverse architecture and delicious fare, Xian is a must-see destination.

Spend the morning viewing the enigmatic ranks of the life-sized Terracotta Warriors. The Museum of the Terracotta Warriors and Horses is located approximately a 1-hour drive outside of Xian. From the bus park to the museum entrance is a 15-minute walk. There are electric carts offered by private vendors which can be organised at your own cost. There is no electric cart available for the return from the museum exit to the bus park. CHINA TRAVEL INFORMATION

VISAS:

Entry visas are required by all visitors to China and Wendy Wu Tours Visa Department can assist you with the process of obtaining a visa. Please be advised that your passport must have at least six months validity left on it when you arrive back in Australia.

For the latest information on visa procedures, processing times and requirements, please kindly refer to our website <https://www.wendywutours.com.au/help-and-advice/passports-and-visas/>

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa.

INSURANCE:

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance. We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

GROUP SIZE:

Most of our groups consist of 10 travellers or more and will be accompanied by both a National Escort and local guides. There will be no more than 28 travellers in each group although you may encounter other Wendy Wu our groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 10 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

EATING IN CHINA:

Chinese cuisine is one of the most influential, diverse and flavoursome culinary styles in the world with a legacy stretching back thousands of years. Often you'll find that the local Chinese style is very different from what you're used to at home. We welcome people on our tours with a wide variety of tastes and as such try to present an array of food to suit everyone in the group. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours as well as the different ways they are prepared and cooked throughout China.

Dishes served in restaurants on our group tours are varied. Some will be vegetable-based with meat mixed in, and a few will be meat-based. Traditionally, Chinese people cook with a lot of vegetables because meat used to be hard to come by.

Dishes often come pre-seasoned with soy sauce or other sauces. Our restaurants are well aware of the western palate – there are plenty of non-spiced options. Most meals are served with plain rice on the side which is intended as an accompaniment to your meal. Unlike the western world, Chinese people do not normally pre-heat their plates and food can be presented at a variety of temperatures, which is a typical Chinese way of doing things.

When eating meals on group tours, you will be seated around a circular table with other tour members. Dishes will be served in the traditional ‘family style’ on a lazy susan; meaning that various dishes will be laid out on a spinning turntable in the centre of the tabletop. These dishes are intended to be shared amongst the group – there is always more than enough to feed everybody. ‘Family style’ means that there is a pair of serving chopsticks for each dish which are used specifically to serve the food (please ask your server if you require a fork or spoon) and everybody will help themselves to all the dishes on the lazy susan. You will have an individual bowl, chopsticks and cup for your own use. Please be courteous and consider your fellow diners; if your favourite dish is on the other side of the table, it will make its way round to you soon! We find our customers really enjoy this sociable style of eating.

Your National Escort will do their utmost to cater for any special requests such as gluten free or vegetarian meals, however, people on restricted diets should expect complications. Although most Asian countries are now quite developed, only quite recently have they started to widely accept Western guests. Western food requirements are quite far removed from Asian food requirements, and even medical reasons can be quite difficult to explain. While our ground partners will do everything they can to cater for a wide range of dietary requirements on tour, we ask kindly for your patience and understanding that they cannot always be delivered to the standard you will be used to at home. It is recommended that passengers with food intolerances bring snacks or additional food items with them, especially when travelling further from major cities as not all dietary requests will be met due to the limited foods available. Please read your travel guide which you will receive with your final documents for more information about eating in China. We recommend that when it comes to Chinese food, you stay open minded, try to be adventurous and always have a go with the chopsticks!

PLEASE INFORM US OF ANY ALLERGIES AND/OR SPECIAL DIETARY REQUIREMENTS AT TIME OF BOOKING.

PUBLIC HOLIDAYS:

If you are travelling within the below Chinese Public Holidays please note that celebrations last for several days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open, but may be crowded. Chinese New Year is from 9 – 16 February 2024 and 28 January – 4 February 2025. Golden Week public holidays fall annually between 29 April – 3 May and 30 September – 7 October.

ACCOMMODATION:

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and China. All group tour hotels have private western bathroom facilities, air conditioning, TV and telephone. Due to environmental regulations, not all hotels in China provide toiletries in the rooms. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort/Local Guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

TRANSPORT:

Trains: On this tour, you will take a high-speed “bullet” train journey. You will travel in second-class soft seats with air conditioning. For train journeys you must ensure that you pack liquids, aerosols and gels/lotions in your hand luggage as per recent regulations. Passengers are not allowed to carry any aerosols over 100ml. Passengers are also not allowed to carry flammable gases or liquids including styling gel, compressed air or insecticides; any explosives, magnetised material, knives (including Swiss Army knives), scissors or sharp items (medication is fine). Bag checks are conducted randomly and any of these items may be confiscated before boarding the train (in hand luggage or main luggage). The National Escort will inform you of specific details prior to boarding.

High-Speed Train Facilities: The second-class seats are in a 3 x 2 seating configuration. Facilities vary from train to train. Most carriages have a western style toilet. Most seats will have a foldable tray table and power socket for charging your electronic devices. There are dining carts on board if you wish to purchase your own additional food.

Cruise Vessels: Included is a cruise on the Yangtze River. Your cabin will have a private bathroom and balcony. Due to tightened security process for luggage upon cruise disembarkation in Yichang, the Transport Authority has imposed a fee of RMB25 per main luggage item. Wendy Wu tours will cover the cost of one main luggage item per person. If you have additional items (excluding hand luggage) you will need to cover the cost yourself locally – RMB25 per item.

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in China have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road – not just 1-2 kilometres as you may be used to. For this reason, the timings listed in the itinerary are approximations only. There may be sections of road where the surface is bumpy but our drivers will do their utmost to lessen the impact.

Planes: Internal flight/s are based on economy class, with reputable airlines. Lithium Ion batteries, usually used in laptops, cell phones and digital cameras, must be carried in your hand luggage (not in your checked luggage). Portable chargers with a case that does not state the capacity or with a capacity of 160wh and more are not allowed on internal flights at all.

OPTIONAL ACTIVITIES:

On occasion, your guide will offer optional activities locally if time permits. A list of optional activities and approximate costs will be provided with your final documents. These can be arranged by your guide and are paid for locally.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs; so in each city, we will visit a workshop or factory which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places which hold local interest; for example, in Shanghai you will be able to see how silk is created all the way from the silk worm to beautiful garments; and in Xian we will take you to a workshop which creates replicas of the Terracotta Warriors, from tiny little warriors to seven foot behemoths! We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

TIPPING POLICY:

Tipping while on holiday is common in most parts of the world and China is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. In order to avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount is given to your National Escort at the beginning of your tour and tips are disbursed to local guides and drivers throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort.

If you are travelling in a smaller group with local guides only, then tipping is paid in each destination. To be fair to the guides we ask for slightly higher amounts per traveller with small groups. Yangtze cruise companies operate a service charge policy and this is paid separately when boarding the vessel.

We generally find that most customers appreciate the convenience of our tipping policy but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. It is essential that your luggage is lockable. In general, we recommend packing only as much as you can lift as you will need to carry your own luggage on and off trains. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

PUBLIC HOLIDAYS:

If you are travelling within the below Chinese Public Holidays please note that celebrations last for several days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open, but may be crowded. Chinese New Year is from 9 – 16 February 2024 and 28 January – 4 February 2025. Golden Week public holidays fall annually between 29 April – 3 May and 30 September – 7 October.

DEVELOPMENT IN CHINA:

Though parts of China match the west in modernity and technological advances, it is important to remember that parts of China are still developing and as such, many aspects of tourism in China do not have the solid infrastructure and safety standards as seen here in the west.

VACCINATIONS AND YOUR HEALTH:

Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you.

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive an email with your confirmation invoice, along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
