Your package also includes soft drinks and alcoholic beverages whilst onboard your cruise.

In South Africa: The local cuisine is a celebration of cultural diversity, blending indigenous, European, Asian, and African influences. Signature dishes include the braai, a communal barbecue feast, and bobotie, a spiced meat dish with Cape Malay roots. Biltong and droëwors provide delicious snacking options, while regional favourites like bunny chow and pap and wors highlight the country's culinary variety. Seafood is abundant along the coasts, and South Africa's wine regions, such as Stellenbosch, pair local cuisine with world-class vintages. Restaurants range from fine dining establishments in cities like Cape Town to casual continental cafés, offering something for every palate.

In Mauritius: The local cuisine reflects the island's blend of Indian, African, Chinese, and French traditions. Staples include curries, biryanis, and rougaille, alongside street food favourites like dhol puri and gateaux piments. Fresh seafood is central, with dishes like vindaye and bol renversé showcasing the island's creativity. Mauritius also boasts a thriving rum culture, with sugarcane-based rums complementing its culinary offerings. From bustling street markets to elegant beachside restaurants, dining in Mauritius is a celebration of flavour and culture.

ACCOMMODATION PRE AND POST CRUISE:

All group tour hotels have private western bathroom facilities, TV, and a telephone. Electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your Local Guide or National Escorts.

Your accommodation has been selected for convenience of location, comfort, or character, and can range from a business hotel in one city to a family-run guesthouse in a smaller town or a heritage-type hotel. Hotels are generally rated as local three to four-star standard but do please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and other countries abroad. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards are met. Please be aware that there are security measures carried out at all hotels, on guests and vehicles entering the properties.

PORTERAGE:

Please be aware that porterage is not included on our tours in pre & post cruise. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

Porterage is included onboard the Norwegian Sun Cruise Ship. When embarking, your luggage will be delivered to your room from the check-in area at the port. When disembarking you will leave your luggage outside your cabin door on the last night of your cruise. Staff will then be able to make arrangements for your luggage, ready for disembarkation early next morning. Please also note, it is customary to tip for the porterage service.

TRANSPORT:

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside, and longer transfers where necessary. In South Africa, roads have generally improved in recent years, but traffic congestion, particularly in urban areas, can extend driving times. Similarly, in Mauritius, roads are well-maintained, but traffic in urban and tourist hotspots can be an issue, especially during peak hours. It may not always be possible to return to your hotel after sightseeing to freshen up before dinner, so flexibility is advised. Timings for transfers and tours are approximate and subject to weather and traffic conditions.

Public Transport: In South Africa, public transport is not well-developed. Municipal bus services are limited to cities and operate on a restricted schedule, often stopping early in the evening and offering even less frequent service on weekends and public holidays. Public transport in South Africa is not generally recommended for tourists. Mauritius offers public buses that are affordable but less frequent, with routes that may not cover all tourist areas conveniently. While functional, they may not meet the expectations of those accustomed to highly efficient systems.

Taxis: In South Africa, metered taxis are available mainly in cities but are relatively expensive and must be pre-booked as they cannot be hailed on the street. Minibus taxis are cheaper but are often overcrowded and have a higher accident rate, making them less suitable for tourists. In Mauritius, taxis are widely available in cities and near tourist areas, though fares are often not metered. It is advisable to agree on a fare before starting your journey. Taxis in both destinations can offer safe and convenient transport options when used wisely.

CRUISE – NORWEGIAN SUN:

Ready to follow the sun instead of a schedule? Featuring a classic design and elegant interiors, Norwegian Sun® offers you a refined atmosphere for exploring top destinations worldwide. Let the good times flow from poolside to tableside at the vibrant casino, unwind at the award-winning Mandara Spa®, enjoy a workout with panoramic views at the fitness centre or savour a morning with breakfast in bed- there's something for everyone on board.

We are excited to include NCL's More at Sea offer with this cruise and tour package, enhancing your onboard experience with exceptional perks. Find more information of package inclusions on page 4 of this document.

CRUISE ACCOMODATION AND CABINS

At the time of booking, subject to availability you may have the choice to book from an outside cabin or balcony cabin. Should you wish to upgrade to a suite or have a special request for cabin location, please speak to our reservations department who will be able to assist.

CRUISE EMBARKATION & DISEMBARKATION:

Embarkation time is when you should arrive at the cruise terminal. Departure time is when your ship sets sail.

We strongly recommend guests complete their Online Check-In at least four days prior to sailing. Guests who have completed their Online Check-In should arrive at the terminal no later than one hour prior to the scheduled embarkation time printed on your cruise documents.

Please note: guests who have not filled out their Online Check-In must arrive at the port two hours prior.

Boarding Time in Ports of Call: In all ports of call, it is also the guest's responsibility to be back onboard the ship no later than one hour prior to the ship's scheduled departure time. Please be aware that shipboard time may differ from the time in the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to rejoin the ship.

APPROPRIATE DRESS:

When traveling to South Africa and Mauritius, particularly in their warm and sunny climates, it's advisable to pack light, comfortable clothing made from cotton or other breathable materials in light colours to stay cool. Long-sleeved shirts and trousers are useful for protection against the sun and insects. A lightweight waterproof jacket is a good idea for unexpected rain, especially in Mauritius during its summer months.

A sturdy pair of trainers or hiking shoes is essential for exploring South Africa's diverse terrains and Mauritius' lush landscapes. For sun protection, pack a wide-brimmed hat, sunscreen, and sunglasses. Coastal areas in Mauritius are warm year-round, so swimwear and light beachwear are must-haves, but remember to dress modestly when visiting religious or cultural sites.

Bring a camera to capture the stunning landscapes and cultural experiences, along with chargers and spare memory cards. A lightweight flashlight can be handy for navigating in low-light conditions. Packing a small medical kit with first aid essentials and personal medications is recommended.

Onboard Dress Code: On Norwegian Cruise, you can wear what you are comfortable with. Go cruise casual or get all-decked out and look your best – it's up to you.

WEATHER:

South Africa's summer runs from November to March, with cooler months from May to August. Coastal regions, like Durban on the east coast, enjoy mild winters and hot, humid summers, while the west coast experiences cooler, drier conditions moderated by the cold Benguela current. Inland regions, elevated on a plateau, maintain uniform temperatures, with highs occasionally exceeding 32°C in summer.

Mauritius enjoys a tropical climate year-round. Summers, from November to April, are hot and humid with occasional tropical rains, while winters, from May to October, bring cooler, drier weather. Coastal areas are warmer than the central plateau, which is slightly cooler and wetter.

Both destinations offer diverse weather, ensuring pleasant conditions for exploration and relaxation.

GROUP SIZE:

Most of our groups pre & post cruise consist of 10 travellers or more and will be accompanied by National Escorts. There will usually be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 10 travellers booked (unless cancelled due to factors beyond our control). National Escorts will accompany each group of 10 or more. However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

TIPPING / GRATUITIES

Pre & Post cruise:

Although tipping is not mandatory in Mauritius and South Africa, it is highly welcomed and necessary for some workers to make a living, as the wages are often quite low within the hospitality and tourism sector. Tipping costs are not included in your tour and are a good way to show your appreciation for the service you receive, including to your guides and drivers.

Mauritius:

Recommended total tipping for tour \$15 Euros per person

Additional discretionary tipping information-

Bars & Restaurants: A 10% tip over the total amount of the bill is expected when no service charges have been included.

Porterage: EUR2-5 per piece of luggage

South Africa:

Recommended total tipping for tour 750 ZAR per person

Additional discretionary tipping information-

Bars & Restaurants: A 10% tip over the total amount of the bill is expected when no service charges have been included.

Taxis: We recommend using the Uber app as this is a safe and cheap way to travel in Cape Town. If you'd prefer a taxi, please ask the hotel or restaurant staff to call a taxi for you. It is not recommended to hail a taxi along the roadside.

Porterage: ZAR20 per piece of luggage.

On the cruise:

Onboard gratuities are included in your tour cost. Additional tips for exceptional service or services you choose to partake in, are at your discretion.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrate a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable.

On your cruise: While luggage allowance on your cruise may permit further capacity, we ask you to adhere to the above restrictions due to airline and touring allowances. Suitcases should be tagged, luggage tags can be downloaded and printed from your eDocs. For your convenience, we recommend that your luggage tags be placed on your bags prior to arrival at the port.

It may take a few hours after embarkation for your luggage to be delivered to your stateroom. Likewise, suitcases are collected on the last night of your cruise. To avoid any complications, be sure to bring a small bag such as a backpack for carrying any necessary medication, valuables, important documents and need-to-have items.

VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au.

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive an email with your confirmation invoice, along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
