Today, visitors can ride colourful jeepneys, explore centuries-old landmarks such as San Agustin Church, and experience its lively mix of history, markets and urban culture. From the walled streets of Intramuros to the modern skylines of Makati and Bonifacio Global City, it is one of Asia's most diverse and dynamic capitals.

Day 3: Discover Manila

Meals: B, L, D

Discover the rich history and culture of Manila with a tour of the old walled city of Intramuros, home to colonial churches, plazas and historic landmarks. Visit the colourful Jeepney Museum to learn about the Philippines' iconic mode of transport before travelling to Las Piñas, one of the city's more lively districts.

Destination Information

Intramuros – Also known as the "Walled City," Intramuros is the historic heart of Manila and a striking link to the Philippines' Spanish colonial past. Built in the late 16th century, its stone walls still enclose cobbled streets, quiet plazas and beautiful old churches, including San Agustin Church, the country's oldest stone church.

Jeepney Museum – The Jeepney Museum offers a colourful insight into one of the Philippines' most iconic symbols of daily life. Celebrating the jeepney – the country's famously vibrant and uniquely decorated public transport – the museum showcases its history, evolution and cultural importance in Filipino society.

Las Piñas – Las Piñas is a district south of Manila, best known for the historic St. Joseph Parish Church and its remarkable Bamboo Organ, a unique 19th-century instrument still played today. It offers a glimpse of everyday Filipino life, with local markets, traditional neighbourhoods and a warm community atmosphere.

Day 4: Banaue Rice Terraces

Meals: B, L, D

Fly to Northern Luzon before continuing from Cauayan Airport by road to Banaue, a scenic journey through the spectacular landscapes of the Cordillera Mountains. Stop to admire the stunning rice terraces of Mayoyao, carved into the mountainsides over 2,000 years ago, before arriving at your hotel in Banaue.

**Destination Information**

Cordillera Mountains – The Cordillera Mountains in northern Luzon are a dramatic highland region of deep valleys, pine forests and terraced hillsides. Home to the Ifugao people, it is famous for its ancient rice terraces and remote villages, where traditional mountain life continues against a backdrop of breathtaking scenery.

Mayoyao – Mayoyao is a remote mountain town in the Cordillera, surrounded by spectacular rice terraces carved into steep hillsides by the Ifugao people over centuries.

Banaue – Banaue is a mountain town best known for its breathtaking rice terraces carved into the mountainsides over 2,000 years ago by the Ifugao people. Often described as the “Eighth Wonder of the World,” the landscapes here combine dramatic scenery with centuries-old farming traditions still in use today.

Day 5: Ifugao Culture & Hapao Terraces

Meals: B, L, D

Explore the beautiful Hapao terraces for a scenic, easy walk through the lush landscapes, with visits to village houses and local schools along the way. At the village houses, enjoy a community-led rice wine-making demonstration. For those who wish, the walk can continue to the relaxing Bogya Hot Spring, where you can soak in the natural thermal waters surrounded by peaceful countryside scenery.

Please note: The Hapao rice walk takes approximately 3 hours and covers 3km along rice terrace embankments and uneven stone steps, with a gentle ascent and descent of around 100m. If you prefer to skip this walk due to mobility concerns, you are welcome to enjoy some leisure time in Banaue at your own pace.

Destination Information

Hapao Terraces – The Hapao Rice Terraces are one of the most scenic parts of the Ifugao landscape, offering gentle walking trails through lush, stepped valleys. Hapao is best experienced on foot, winding past rice fields, small villages and everyday rural life.

Ifugao Culture – Renowned for their remarkable rice-terrace engineering, the Ifugao people have preserved a rich cultural heritage for centuries. A visit offers an insight into traditional customs, craftsmanship and a way of life closely connected to the mountains.

Bogya Hot Springs – Popular among locals for picnicking and relaxing, a soak in the Bogya Hot Springs is a nice reward after exploring the terraces and wider region.

Day 6: Sagada

Meals: B, L, D

Drive approximately three hours this morning through the scenic highlands to Sagada, one of the Philippines' most fascinating mountain communities. Visit the mysterious Hanging Coffins, suspended high on the cliffs according to ancient burial traditions. After lunch, explore the region's atmospheric burial caves before returning to Banaue.

Destination Information

Sagada – Known for its cool climate, misty pine forests, and dramatic limestone landscapes, Sagada offers a stark contrast to the tropical beach destinations typical of the Philippines. The local community is predominantly composed of the Igorot people, who have fiercely preserved many of their ancestral traditions, weaving practices, and agricultural rituals despite centuries of foreign colonization.

Hanging Coffins – An ancient, fascinating funerary manifestation located in the sheer limestone cliffs of the Echo Valley, the Hanging Coffins are a unique burial practice that is a centuries-old tradition of the local Igorot people, specifically the Applai tribe. Instead of burying their deceased underground, high-ranking elders are placed inside carved wooden coffins and secured directly to the rock faces.

Day 7: Fly to Bohol

Meals: B, L, D

Travel to Cauayan Airport today, a scenic drive of approximately four hours from Banaue, before flying via Manila to Panglao on the island of Bohol. Known for its luscious countryside, unique wildlife, and laid-back atmosphere, Bohol offers a tropical welcome as you transfer to your beachside resort.

**Destination Information**

Bohol – Sitting in the Central Visayas, Bohol is famous for its bizarrely shaped limestone hills and tiny, bug-eyed tarsiers, but its real charm lies in how easily you can pivot from trekking through dense inland rainforests to unwinding on a white-sand beach by the afternoon.

Day 8: Bohol Countryside

Meals: B, L, D

Explore Bohol's scenic interior, beginning with a visit to the famous Chocolate Hills, a striking landscape of over a thousand symmetrical limestone mounds that turn rich brown during the dry season. Continue with a relaxing cruise along the Loboc River, drifting past lush tropical scenery, palmfringed riverbanks and peaceful rural villages while enjoying lunch on board. Later, visit a sanctuary dedicated to the tiny Philippine tarsier, one of the world's smallest primates.

**Destination Information**

Chocolate Hills – The Chocolate Hills are Bohol's most famous geological marvel, consisting of over 1,200 nearly identical, cone-shaped limestone domes that erupt from the island's flat landscape. Formed over millions of years by the erosion of ancient marine coral reefs, these unique mounds earn their name during the dry season when their lush green grass dries out and turns a deep cocoa brown, making the entire horizon look like rows of giant chocolate drops.

Philippine Tarsier – The Philippine tarsier is one of the world's smallest primates, a fist-sized creature native to Bohol with massive, unmoving eyes that are literally larger than its entire brain. To compensate for their fixed eyes, these nocturnal mammals can rotate their heads a full 180 degrees to hunt for insects in the dark.

Loboc River – The Loboc River is a winding, emerald-green waterway that cuts deep through Bohol's lush jungle interior, lined with overhanging nipa palms and towering tropical trees.

Day 9: Chocolate Making & Cebu

Meals: B, L, D

Visit a local cocoa farm to learn about the journey from bean to bar, gaining an insight into traditional chocolate-making techniques and the cultivation of cacao. Enjoy a hands-on experience while discovering the flavours and craftsmanship behind one of the Philippines' most beloved products. Later, travel 4 hours by ferry across the Visayan Sea to Cebu, the historic heart of the Philippines.

**Destination Information**

Cebu – Cebu is a long, narrow island province that serves as the historical and economic heart of the Central Visayas. From the chaotic charm of its capital city to the rugged, waterfall-heavy jungles of the south and the blindingly white sandbars of its northern islands, Cebu packs the entire diversity of the Philippine archipelago into one easily accessible strip of land.

Day 10: Discover Cebu & Fly to Palawan

Meals: B, L, D

Explore Cebu City's colonial heritage, including landmarks linked to Ferdinand Magellan and the arrival of Christianity in the Philippines. Later, fly 1.5 hours to Puerto Princesa on the island of Palawan, famed for its pristine natural beauty.

**Destination Information**

Cebu City – Cebu City is the gritty, high-energy capital of the south, famously known as the oldest city in the Philippines. It is loud and bustling, where modern skyscrapers and massive shopping malls dwarf 16th-century Spanish fortresses and centuries-old stone churches. Beyond its colonial history, the city is a paradise for food lovers, celebrated for serving the country's best lechon (crispy roasted pig) and acting as the chaotic, fast-paced gateway to the region's hidden beaches and waterfalls.

Puerto Princesa – Puerto Princesa is the eco-conscious, jungle-fringed capital of Palawan, widely known as one of the cleanest and greenest cities in the Philippines. It is a sprawling coastal hub where low-key urban streets quickly give way to dense mangrove forests, massive underground cave networks, and quiet, mountain-backed bays.

Day 11: Underground River

Meals: B, L, D

Travel to the spectacular Underground River, one of the New Seven Wonders of Nature and a UNESCO World Heritage Site. Set within a protected national park, this remarkable natural wonder winds beneath a dramatic limestone karst landscape. Board a small boat and cruise through the vast cave system, gliding past towering rock formations, cathedral-like chambers and intricate stalactites and stalagmites, while learning about the unique ecosystem hidden beneath the jungle-covered cliffs.

**Destination Information**

Underground River – The Underground River is a pitch-black, five-mile waterway hidden entirely beneath a dense tropical rainforest, cutting straight through a massive limestone mountain before emptying into the sea. Inside, you'll float past cathedral-like cavern walls, towering rock formations, and thousands of bats hanging overhead.

Day 12: Island Hopping

Meals: B, L, D

Spend the day island hopping across the crystal-clear waters and idyllic islets of Honda Bay, with time to swim and relax on white-sand beaches surrounded by tropical scenery. Enjoy the laid-back island atmosphere as you explore coral-rich waters and peaceful coastal landscapes. Later, take part in a hands-on Filipino cooking experience, learning about local ingredients and traditional techniques before enjoying the dishes you have prepared. As evening falls, set out on a magical firefly-watching excursion along a mangrove-lined river, followed by dinner in a tranquil setting.

**Destination Information**

Honda Bay – Island hopping is the ultimate Philippine experience, and what better place to do it than in the bright blue, island-studded stretch of ocean known as Honda Bay. Home to tiny, postcard-perfect islets, enjoy the white sand or exploring its shallow coral reefs full of marine life.

Day 13: Fly to Manila

Meals: B, L, D

Fly 1.5 hours to Manila today, where upon arrival, the rest of the day is at leisure. This evening, unwind with a refreshing drink at a stylish rooftop bar as you take in sweeping panoramic views of the glittering Manila skyline. Then, celebrate the end of your journey with a farewell dinner.

**Days 14-15: Departure**

PEARLS OF THE PHILIPPINES: TRAVEL INFORMATION

VISAS:

Visas are not required for Australian passport holders for entry into Philippines for stays of up to 30 days. However, all travellers must complete the immigration and health arrival card (eTravel form) before departure to the Philippines.

Once completed, this form will generate a QR code which must be presented at check-in and on arrival in the Philippines (the eTravel QR code can be printed). You must complete the registration a maximum of 72 hours before arrival in the Philippines on the e-Travel online portal: <https://etravel.gov.ph/>

Please note, you must also register your departure from the Philippines on the e-Travel online portal within 72 hours (but not less than 3 hours) before your scheduled departure.

Please be advised that your passport must have at least six months validity left on it when you arrive back into Australia.

Visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate, Wendy Wu acts as a third party and has no influence on the process of a visa. Wendy Wu Tours does not accept responsibility for lost or undelivered items.

INSURANCE:

It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours.

We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time. We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition. If you fail to provide a certificate of currency of insurance within a reasonable time after our request, then this will be deemed a cancellation by you and standard cancellation fees will apply.

EATING IN THE PHILIPPINES:

The cuisine in the Philippines is not as internationally recognised as that of other countries in South East Asia. However, there are some excellent local dishes worth trying and Western options are usually available. The cuisine has a mix of Chinese and Spanish influences with Filipino twists. Tasty curries, tapas, seafood, as well as lechon (suckling pig) make for some memorable meals. The ice cream and smoothies in the Philippines are also refreshing and delicious.

GROUP SIZE:

Most of our groups consist of 10 travellers or more and will be accompanied by both a National Escort and local guides. There will be no more than 18 travellers in each group although you may encounter other Wendy Wu Tours groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion, we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

ACCOMMODATION:

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a large rural hotel to a boutique-style beach resort. In more remote areas, accommodation may be of a lower standard and may not have all Western amenities. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and the Philippines. All group tour hotels have private western bathroom facilities, air conditioning in the hotter regions, TV and a telephone.

If you experience any difficulty, please speak to your National Escort. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. Please note that double bed requests can be made at the time of booking, but can't be guaranteed.

PORTERAGE:

Please be aware that portorage is not included on our tours in Japan. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

TRANSPORT:

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. However, in the Philippines – where roads are often narrow or steep – smaller vans or minibuses are required in some areas. Depending on group size, in areas where large coaches cannot operate, the group may be split into separate vehicles. Roads in the Philippines have generally improved over recent years, but traffic and/or weather conditions may extend driving times. For this reason, the timings listed in the itinerary are approximations only. Roads around Sagada and the Cordilleras region are of poorer quality than more populated parts of the Philippines.

Planes: Internal flights are based on economy class with reputable airlines.

TIPPING POLICY:

Local tipping isn't customary in the Philippines. However, this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time.

For your convenience, with years of experience in providing the best customer service, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount stated on each Group Tour page will be advised again on your final documentation.

DEVELOPMENT IN THE PHILIPPINES:

Although the Philippines is developing quickly, it still lacks the international standards of civil infrastructure and tourist facilities in some areas. Concepts of personal responsibility are also different to those in Australia. Consequently, tourist and public facilities may not uphold the same safety standards as in Australia; for example, you may see a hole in the road without a warning sign or safety barricade. All of our suppliers meet local safety standards as a minimum. We want you to have an enjoyable holiday, so we ask that you take extra care, use your common sense, refer to notices and follow advice from your local guides.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrate a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

EXCHANGING CASH:

It is recommended that you exchange sufficient cash before travelling to remote areas and smaller towns, where exchange facilities may be limited. US dollars are generally the easiest foreign currency to exchange in the Philippines. The local currency is the Philippine Peso, although tipping can be done in US Dollars.

ITINERARY CHANGES:

It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate; in these circumstances, we will make the best possible arrangements whilst maintaining the integrity of your trip.

VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice including a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks before departure.
